

Accessibility Statement

This Accessibility Statement applies to thegoodpatch.com.

We Value Accessibility for All Users

We want every one of our guests to feel valued and taken care of when they're using our site. That's why we're taking careful measures to ensure an excellent user experience for guests who use assistive technology and have implemented EqualWeb's automatic accessibility tool.

[EqualWeb](#) is committed to promoting digital accessibility for people with disabilities and is continually improving the user experience for everyone and applying the relevant WCAG 2.1 accessibility standards.

Equalweb's automatic accessibility tool implements the following measures:

- Enable keyboard navigation
- Fonts - Ability to increase and decrease the site font, adjust, align etc'
- Change color contrast based on dark background.
- Change color contrast based on a light background.
- Change the Site's colors.
- Matching and monochrome option for color blind people.
- Change the font for readability.
- Increase the cursor and change its color to black or white.
- Increase the display to 200%.
- Highlight links on the site.
- Highlighting headers on the site.
- Display an alternative description of the images.
- Increase the content chosen by the cursor, showed in a tooltip.
- Describe words by mouse selection.
- Displays the site's contents in a new window clearly and readable.
- Enables users to type contents using the mouse.
- Stops blinking and flashing of moving elements

We value your feedback.

Please provide it by contacting our [customer support team](#).

Third-Party Sites

On our website, we may communicate to our guests through different third-party websites, including, but not limited to, Instagram and Facebook. These sites, which aren't managed by us, may present challenges for guests with disabilities that are outside of our control.
