KAYAN BABY 002 SHADE

SCREW E27

The Kayan lamp shade is the result of an inspired collaboration between Plumen and Italian 3D printing design specialist, Formaliz3d. Using 3D modelling and printing, Kayan is specially designed to fit Plumen bulbs. Its powerful simplicity of soft, sinuous shapes perfectly complements the curved silhouettes of the bulbs. The punctured sides also let the bulb's unique silhouette shine through whilst keeping the full brightness of the light projected onto surfaces below.

PRODUCT PERFORMANCE

Compatibility	Intended for use with Plumen lamps only
Max Power	15W Light Bulbs
EU Energy Rating	To be used with Plumen 002 LED bulb

PRODUCT DETAILS

Designer	Formaliz3d
Year of Design	2015
Cable Length	1.5m
Shade Dimensions	220mm x 149mm x 149mm
Finish	Rough finish
Material	ABS Plastic
Weight	90g
Fitting	E27

Colours	Black	White
	Red	Yellow
	Blue	Grey
	<hr/>	
Product Code	Black	9201043101
	White	9201040301
	Red	9201042901
	Yellow	9201041401
	Blue	9201041001
	Grey	9201042401
