

## SPECIFICATION SHEET

### PLUMEN ORIGINAL 003 LED LIGHT BULB AND PENDANT

#### ORIGINAL

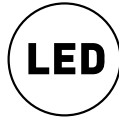

The Plumen 003 is a unique lamp design from Plumen. The 003 is a hybrid lamp that combines the functional benefits of a spotlight with the warm, flattering omnidirectional glow of candle light; it's a new way to distribute light. The 003 is designed to be a centrepiece that creates an atmosphere as the focal point of any interior; the jewelled facets sparkle and there's a magical feel in the reflected light. It's perfect to be hung over a dining table, bar or bedside cabinet.
