

Create a Seller Account

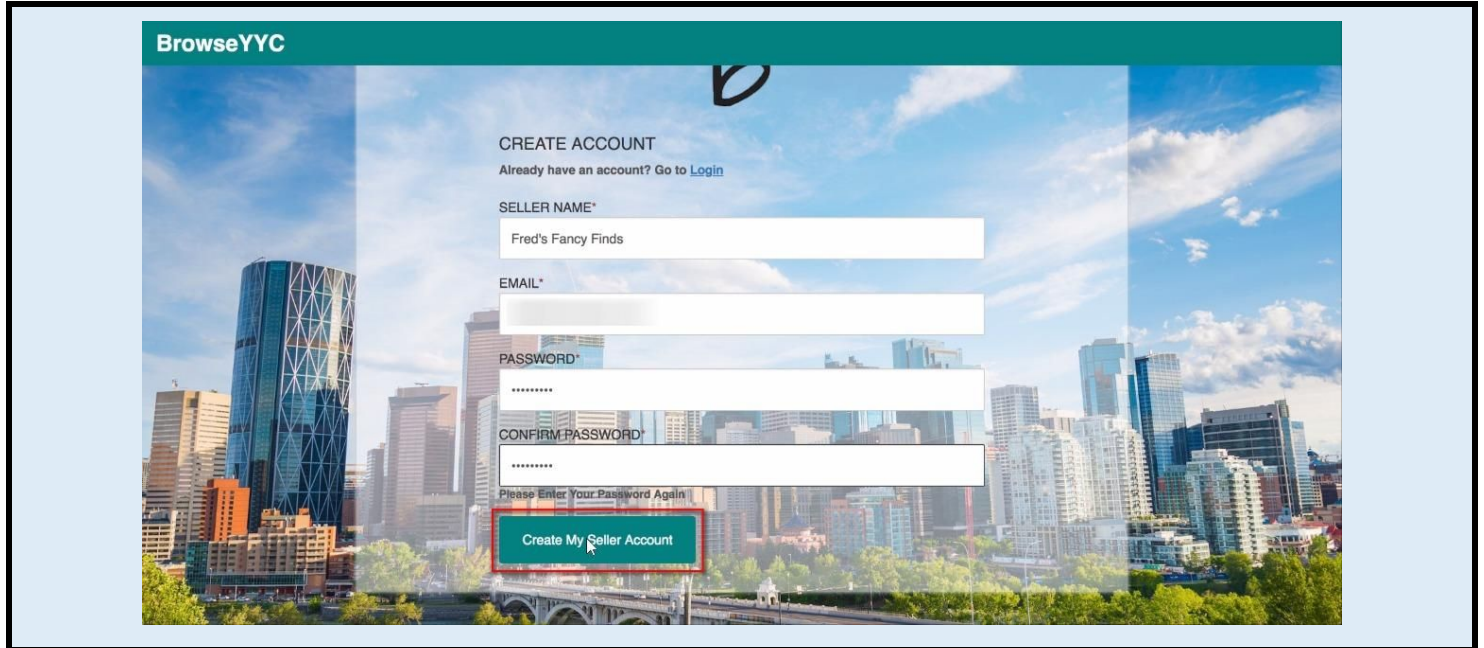

1. **Click on a sign up button.** There are several located around the website, they will all take you to the same screen.

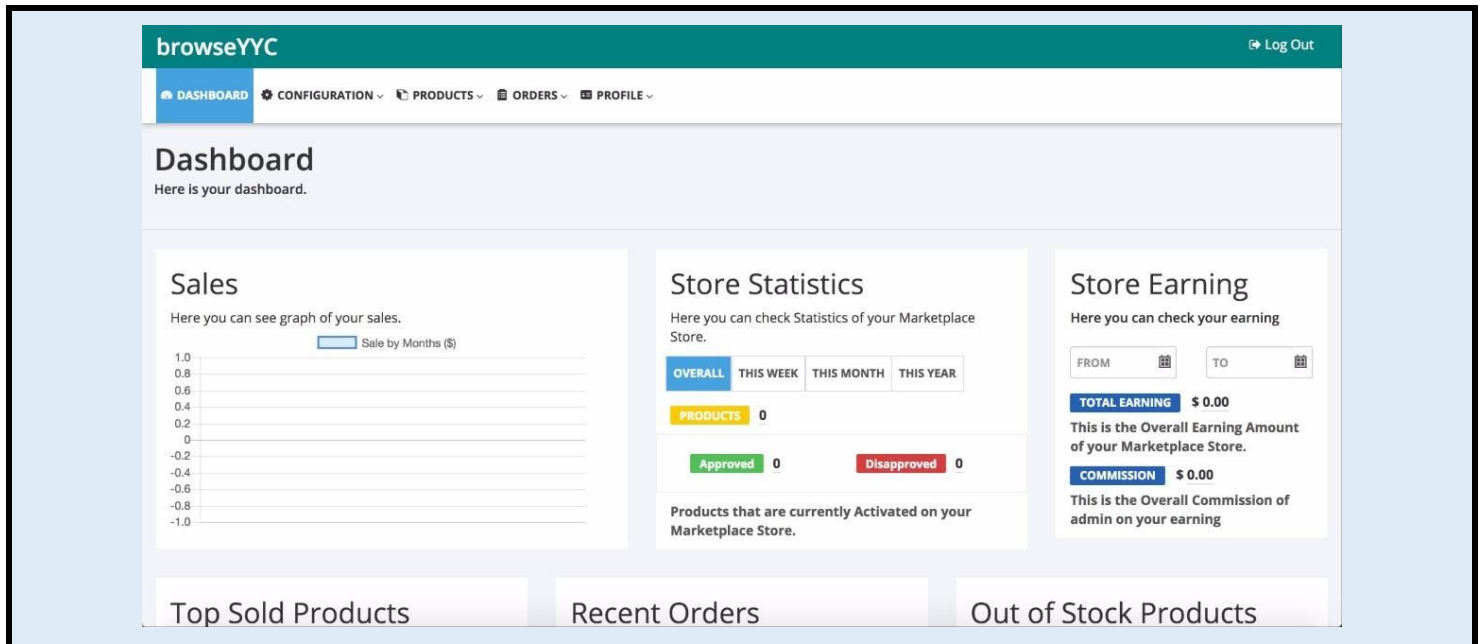

2. **Enter a Seller Name.** This should be your business name, as it will be used to title your browseYYC Storefront.

3. **Enter an Email Address and Password.** These will be used to log into the browseYYC Seller Portal going forward.

4. **Click Create My Seller Account.** You will be logged in and your Seller Dashboard will display.

You will receive an automatic Welcome message right away. Over the next few days you will also receive a personalized message from a human being! We'll check in to see how you are doing and also issue an invoice to collect payment information.
