The main content area is titled 'Enter the payment details to receive your order earnings'. At the bottom left of the form, there is a green 'SAVE' button with a red arrow pointing to it.

Your payment details are now ready to go! Here's how it will work:

1. A customer purchases some of your products on browseYYC.
2. You receive an order notification via email, and can log into your browseYYC Seller Portal to see all details. Customer contact information is available if you need to confirm anything directly.
3. You package the order and ship it and set the Order Status on browseYYC to "Fulfilled".
4. Using your preferred payment method, we will send you the following funds:
(Proceeds of your Sale + Your Shipping Charges) - Transaction Fees we pay to process credit cards (2.9% + 30 cents). So, if a customer purchases \$100.00 of your products and you charge \$10 for shipping, we will send you: \$110 - 2.9% - 30 cents, so \$106.51.
