

EXP550Z

Men's Insulated Canvas Workwear Jacket

The EXP550Z is a classic workwear jacket... Built to last with a Rugged 360gsm 100% Cotton Canvas shell with Hyper-Loft quilted insulation, 3 panel hood & heavy duty brass zippers. This jacket has a tear away label, locker patch in the center back neck for printing or sewing neck labels. It also has a 23" wide hidden zipper that provides print & embroidery access to the inside of the garment. This hidden access enables you to print multi colors with no registration problems, and hide the embroidery backing between the shell and quilted interior.
