THE EARLY LIGHT RANGE

Fruit for our Early Light range of wines is harvested early to capture optimum flavour ripeness whilst reducing the levels of naturally occurring sugar. This lower level of sugar means less alcohol is converted resulting in a lighter in alcohol style of wine.

TASTING NOTE

Showcasing tropical guava and mandarin on the nose with zingy lime citrus on the palate. A refreshingly light yet flavourful sensation at 9.5% alc/vol.

TOP FOOD MATCHES

- Pan seared Snapper
- Roast vegetable salads
- Steamed green lip mussels

Our Early Light range is an exciting addition to the Wither Hills family, offering crisp, vibrant wines at a slightly lower alcohol level for people to really enjoy.
