BEN MORVEN CHARDONNAY

THE SINGLE VINEYARD RANGE

The wines of the Wither Hills Single Vineyards - Rarangi, Ben Morven and Taylor River - test the senses and demonstrate the superb synergy between region, vineyard site, variety and the winemaker. These vineyards define our unique sense of place at home, here in Marlborough.

THE BEN MORVEN VINEYARD

Tucked into the very base of the Wither Hills and well protected, Ben Morven's 100% erosional soils deliver a rich expressive style of Chardonnay. In September 2009 the Ben Morven vineyard was converted to organic principles.

TASTING NOTE

Distinctive and fragrant with a bouquet of citrus, grapefruit and apricot framed with toasty coconut and almonds. Smoky cedar notes and minerality add to the intrigue and delicate texture. Drink now through many years to come.

TOP FOOD MATCHES

- Coq au vin (braised chicken)
- Barbecued scallops
