## Single Vineyard

### RARANGI SAUVIGNON BLANC

#### THE SINGLE VINEYARD RANGE

The wines of the Wither Hills Single Vineyards - Rarangi, Ben Morven and Taylor River - test the senses and demonstrate the superb synergy between region, vineyard site, variety and the winemaker. These vineyards define our unique sense of place.

#### THE RARANGI VINEYARD

Planted in 2002, this vineyard lies just 600m from the ocean's edge below the foothills of the Richmond Ranges and offers a unique micro climate and coastal soil composition for wine growing.

#### TASTING NOTE

Minerality, sea salt and lime are the backbone to this wine. Dedicated to textural acidity, Rarangi presents fresh vibrant aromatics of citrus and lemongrass. The wine is bone dry to accentuate the mineral purity of this unique vineyard.

#### TOP FOOD MATCHES

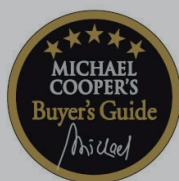

- Freshly shucked oysters
- Light Thai dishes infused with coriander and lime zest

WINE ADVOCATE

Our Rarangi vineyard is a uniquely special place – a vineyard, so close to the beach where you can literally smell the salt in the air. The wine it produces is uniquely special too – where minerality and citrus combine to make a wine that is refreshingly satisfying... Enjoy
