## Single Vineyard

### TAYLOR RIVER PINOT NOIR

#### THE SINGLE VINEYARD RANGE

The wines of the Wither Hills Single Vineyards - Rarangi, Ben Morven and Taylor River - test the senses and demonstrate the superb synergy between region, vineyard site, variety and the winemaker. These vineyards define our unique sense of place.

#### THE TAYLOR RIVER VINEYARD

Situated alongside the Taylor River, the mixed soils of loam, silt, clays and some river gravels of this site and moderating easterly winds express the bold and structured side of Pinot Noir.

#### TASTING NOTE

A dense crimson red in colour that instantly alludes to its rich complexity as the wine hits the glass. A layered structure of forest berries, peppercorn spice, chewy tannins and bright acidity. Sumptuous now or over the next decade.

#### TOP FOOD MATCHES

- Venison or lamb rack with duck fat potatoes
