ROSÉ

THE WAIRAU VALLEY RANGE

Established in 1994 and named after the landmark Wither Hills range that borders our vineyards, our expert team grow and craft exceptional wines that reflect our unique sense of place. Complex and full of character - this is the beauty of Marlborough in a glass.

TASTING NOTE

Summer in a glass, our Rose is fresh watermelon pink in colour and a dry, refreshing style. The palate has great length like those hot summer days with enticing aromas of wild strawberries and cream, balanced against bright acidity.

TOP FOOD MATCHES

- Summer platters of hummus, olives, crackers and cheese
- Salad Nicoise
- Light Greek dishes such as quinoa or grilled eggplant salad

The best thing about Rosé is it goes with everything! But always matches with a late afternoon and good company.
