Ms. Katie Posocco
Director of Experiential Marketing
Soul Cycle
609 Greenwich Street
New York, New York 10014

I am writing to express my interest in the Vice President of Marketing and Communications position with Soul Cycle. I had the pleasure of trying out several Soul Cycle classes during my visit to New York in the past few years, and I am impressed by the company's fast growth and commitment to developing strong relationships with its clients and instructors.

I have a successful track record of organising promotional events, helping my employers exceed their sales targets and training new team members. I am confident that I could leverage these experiences and my passion for the wellness industry to grow Soul Cycle's marketing and reach during the company's expansion into the UK.

I joined Bounce Foods UK when the company had under ten employees, and my team's sales and marketing efforts helped Bounce products become instantly recognisable brands at stores like Starbucks and Whole Foods. To get the products to this stage, I organised over 100 promotional events throughout London that helped increase brand awareness. We passed out samples at the London Marathon, outside local gyms and at area fitness events, for example. I would comfortably organise similar initiatives to grow Soul Cycle's brand recognition in London.

I consistently exceeded targets during my tenure at Bounce and Lululemon. At Bounce, our team has beaten its target for retail partnerships by at least 20% each quarter. At Lululemon, I successfully onboarded over 25 new team members and beat our targets for partnerships by 32%. I am confident I could achieve similar results with the onboarding and growth strategies at Soul Cycle.

Thank you for your time and consideration, and I look forward to discussing my qualifications with you further. If you have any questions in the meantime, please feel free to contact me by email or by phone.

Yours Sincerely,

Rebecca Collins
