Here is a quick info chart to compare your options:

WORKSHOP	BLOCK PRINTING ON FABRIC	NO-CARVE STAMP MAKING
What will you learn?	You'll learn how to create a design on paper, transfer your image on to a soft rubber carving block (not the linoleum or wood block that are tougher for beginners), carve your block using a linocut tool, print your design on a blank cotton fabric, and heat-set your fabric to seal the ink.	You'll learn how to create a design on paper, transfer your image on to an art foam sheet, cut and mount your design on an acrylic sheet, and stamp on blank greeting cards. Great for people who want experiment with block printing without having to carve a block, and you'll go home with beautiful hand-stamped greeting cards for any occasions!
