In cucina, chi non ha mai desiderato avere tutto a disposizione senza dover aprire mobili o cassetti? Grazie a Compact e alla sua struttura in metallo e ceramica componibile, potrai riporre in un attimo le posate e utilizzarle immediatamente per la cena o spostare il rotolo dalla parete direttamente sulla tavola.

Who doesn't wish a kitchen with everything available without having to open furniture or drawers? Thanks to Compact and its metal and ceramic modular structure, you can store your cutlery and have them ready for dinner or move the kitchen roll from the wall directly to the table.
