Outline

Semplice e versatile, Outline è la libreria in legno modulare adatta ad arredare gli ambienti della casa. Le cornici in metallo appoggiate a terra alloggiavano mensole in legno, regolabili in altezza, che permettono di ospitare in maniera pratica oggetti dalle altezze più varie. Componibile secondo diversi moduli, è il complemento ideale per il soggiorno ma funge anche da comoda libreria per gli altri ambienti della casa.

Simple and adaptable, Outline is the modular wooden bookcase suitable in furnishing any home. The metal frames, resting on the ground, hold wooden shelves, adjustable in height, which allow to put different objects in a practical way. Its composing system makes it the ideal furniture for the living room. It can be convenient bookcase for other rooms too.

PIEDINI DI REGOLAZIONE

Grazie ai piedini di regolazione i montanti possono essere allineati e messi in tensione in modo solido e sicuro in tutta semplicità. Utilizzando i piedini di regolazione è possibile regolare l'altezza fino a 5 cm.

ADJUSTING FEET

Thanks to the adjusting feet, you can easily align the pillars in a solid and safe manner. Using the adjustment feet you can adjust the height up to 5 cm.

MODULARE

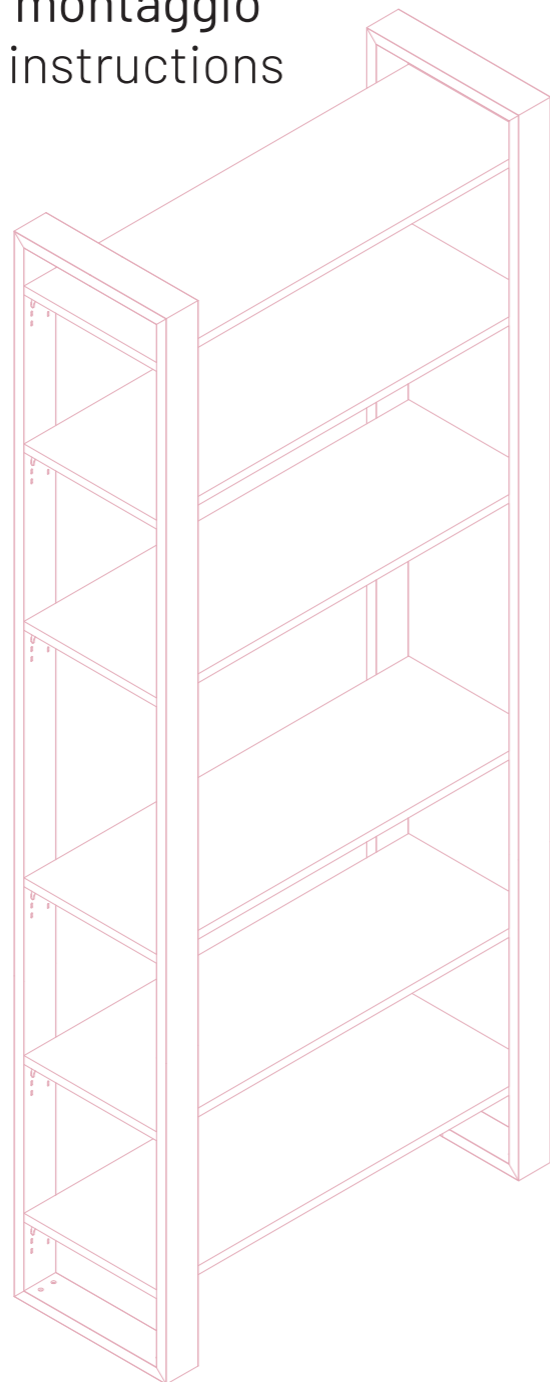

Una semplicità architettonica che assicura al progetto un'eccezionale versatilità, con la possibilità di realizzare composizioni anche di ampie dimensioni, in assoluta sicurezza. Affiancando più moduli è possibile comporre infinite soluzioni.

MODULAR

An architectural simplicity that assures the project an exceptional versatility, with the opportunity of creating compositions of even greater dimensions, in absolute safety. By joining multiple modules, it is possible to make infinite solutions.
