STEP

Sottile e minimale Step è una struttura in alluminio montata a parete dalle dimensioni compatte ed eleganti. Le mensole che la compongono possono essere sottili piatti di metallo o di legno. Le dimensioni compatte le permettono di essere utilizzata come complemento d'arredo sia in cucina che in soggiorno oppure in bagno come sofisticato porta oggetti.

Step is a thin and minimal wall-mounted metal structure with compact and elegant dimensions. Its shelves can be thin metal or wooden dishes. Its compact size allows any furnishing accessory use in the kitchen or living room but also as a sophisticated objectholder in the bathroom.
