

HUDSON FLORIDA BEDHEADS

Our classic Hudson furniture is made from solid American Oak with a light painted wash that highlights the gentle timber grain of the collection. The result is a warm, grey tone which complements many different colour palettes, and also shows off the details in the designs. The headboards are padded and upholstered in a linen fabric that is both comfortable and stylish.

More information:

- Made from oak and linen
- Spot clean carefully with damp sponge

FURN754 (Queen), FURN774 (King)
