

The Root of All Joy Is Gratitude

(A Gift for a Special Teacher)

This delightful basket is based on Amazon's recognition of the dedication of teachers, and their love for their students. In addition to a sturdy, high quality tote bag, there is an Amazon gift kit which includes two (!) Teacher Survival Kit pouches. These can be used for anything from markers to make-up, tape measures to hand sanitizer. Many supplies are already provided, including three key rings with quotes commending teachers, and extra room for your special teacher to include the items he or she thinks are most important.

A \$50 Amazon Gift Card will provide your teacher with a few needed supplies for the coming year.
