4-SIDED ROTATING FLOOR DISPLAY

Add a custom floor spinner to zhush up your sock display!

- Four-sided spinner rack
- Showcase \$2700+ of Gumball Poodle socks
- Pegboard design accommodates 36+ hooks
- 50 4" metal hooks included (each hook holds 6 pairs of socks)
- 72" tall x 14" wide tower design
- Small footprint maximizes space
- 2 FREE wood Caution Dirty Socks hang tags included
- Easy to assemble - no tools required
- Eco-friendly - no plastic parts
- Made in the U.S.A.

Gumball Poodle's new floor rack is designed to provide a stylish, flexible way for you to display a maximum number of socks in minimal space - increasing your profit on every pair you sell.

Made of blonde wood, each piece of this display is laser cut. The display ships to you flat packed with written and video assembly instructions. No tools are required.

The rack spins smoothly, ensuring that all sides of the display can be seen.

Each display includes our custom rainbow header, metal display hooks and 2 wood Caution Dirty Socks tags (great for piquing customer curiosity!)
