

Floralistic

UNIQUE CORPORATE GIFTS - LASTING IMPRESSIONS

# ABOUT US

- Floralistic is a floral design and gifts business
- We provide unique, realistic, and awe-inspiring artificial flowers for all occasions
- Our products are of high quality and are selected with care
- We offer custom designs and branding options
- We help you make positive impact with our flowers and impressive gift ideas

# MAKE YOUR GIFT A MEMORABLE ONE

- Effortlessly choose the best gift for any occasion or event
- Show your appreciation to clients and build long-term relationships
- Send a settlement gift to congratulate new beginnings in their new home
- Boost client referrals
- Reward your employees to enhance productivity
- Customize to your style and brand

*Let everyone know how thoughtful you can be!*

# BEHIND THE DESIGNS

With a Real Estate sales background, I understand that referrals make the back-bone of any business.

Gratitude plays a huge role in our society and one way to secure these referrals is to show your appreciation.

*A simple gesture is proven to go a long way!*

My main goal is to create unique and quality gifts that leave a lasting impression and to help you build those long-term client relationships.
