Cheshbon Hanefesh for Kislev

Pick one habit to focus on. It can either be a positive habit that you would like to add to your days or it can be a negative habit that you would like to avoid. To keep track of each day's success, make a star, dot, or add a sticker in each box. Write the habit you would like to work on:

		1	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28	29
