How to use Repair & Renew BioActive Oil

Luxurious Night Oil - Massage BioActive Oil gently into your face each evening or add a few drops to your fragrance-free moisturiser. The oils will gently revive and repair your skin whilst the beautiful natural fragrance helps you to gently relax, so you wake refreshed, and revived.

Moisturiser & Skin Tone Improver - massage the oil into your face twice daily after cleansing. Apply sunscreen over the Bio Active Oil if you plan to be out in the sun.

Scars & Blemishes - Once the wound has healed apply twice daily. Massage the oil into the skin with your fingertips using a circular motion. Younger scars have a better chance of healing with Bio Active Oil but do not use on broken skin.

Stretchmarks & Cellulite - massage the marks twice daily with BioActive Oil over a three-month period. To help prevent pregnancy stretch marks, rub the breasts, abdomen, thighs, hips and buttocks with BioActive Oil twice daily from the first trimester of pregnancy.

How will Repair & Renew BioActive Oil help me?

This natural skin-rejuvenating formula blends the finest, natural, skin-loving oils to create a unique, multi-functional, high performance super oil. In a blend of antioxidant-rich Jojoba oil we have Calendula, Lavender, Frankincense, Geranium, and Rosehip essential oils, with Sunflower Seed Oil and vitamin E.

Calendula is famous for its powerful skin-regenerating properties, improving dry or damaged skin, and frankincense is renowned for its natural anti-ageing benefits, rejuvenating tired skin and reducing the appearance of lines and wrinkles. Lavender needs no introduction as a skin care 'must have' with healing, anti-inflammatory properties and a divine fragrance that helps to relax and soothe body and mind, whilst the soothing antibacterial properties of Geranium makes it a great 'wrinkle reducer' ideal for tightening skin and minimising the effects of ageing.

Our BioActive Oil's powerful combination is enriched with vitamin E that helps improve the

appearance of blemishes and scars and rehydrates ageing and sun damaged skin. This luxury oil smells absolutely divine and is easily absorbed to balance and soothe skin and provides a natural defence against the early signs of ageing.

Anything else I should know?

Our skincare products are all alcohol free. Some of our products contain cetearyl alcohol but this is a fatty alcohol which is absolutely non-irritating and can be exceptionally beneficial for skin. Fatty alcohols are not to be confused with ethyl alcohol.
