TORONTO BEAUTY REPORTER

ADRIANA ERMTER

WHIZ KIDS *What happens when smarty-pants corporate beauty types* **LINDA STEPHENSON** (formerly of Estée Lauder) and **BRANDON TRUAXE** become entrepreneurs? They create the optimum melting pot for skin care—moisture, improved skin tone, elasticity, reduced wrinkles and fine lines, anti-acne, anti-aging, vitamins, minerals and antioxidants, and luxury—all in two unique lines: **MÈREADESSO WOMAN** (from \$72), developed by Stephenson, and **EUOKO's Y- and A-SERIES** (from \$60), by Truaxe with Dr. Adel Rammal (formerly of Dior). Seriously. And just when we thought our genie in a bottle would forever be locked up in lyrics, both lines address our every pimple and wrinkle simultaneously and are available in Toronto: Mèreadesso at Kirsch Cosmetic Studio (503 Marlee Ave., 416-487-4887), and Euoko at Hammam Spa (602 King St. W., 416-366-4772).
