THE POND KING

Difference

To get more families and friends to spend more time

Down at the Pond

enjoying each other and connecting with nature.

*Our
Mission*

Our Commitment to Quality

We build all our products to last a lifetime for you and your family, with little to no maintenance. Our small pontoon boats are made almost entirely from aluminum, so they can be left out on the pond without you worrying about tarping or bailing out water. We build our floating dock frames from the highest quality metals and use some of the densest composite decking on the market to prevent splintering and cracking. We use food storage quality plastic to make our artificial fish habitat, so it won't ever off-gas harmful toxins into your pond. We choose the highest quality materials to build our products because we believe you should get the very best value for each hard-earned dollar you spend with us.

Our Commitment to Customer Service

We believe good business is based on good relationships. That's why our biologists are always willing to answer questions about your pond, even if it doesn't result in you buying something from us. When you buy a boat from us, we'll deliver it with our "turn-around" guarantee: if your boat doesn't meet your expectations, we'll turn-around, bring it back, and refund your deposit. We warranty every product we manufacture and go out of our way to make sure you get the most value possible from your purchase. And we love talking to our customers. If you don't believe that, give us a call. We'll prove it.

Floating Docks

WHEREVER YOU LIVE, NO
MATTER HOW MUCH YOUR
POND FLUCTUATES, WE HAVE A
DOCK FOR YOU.

"I am most pleased!"

After my exhaustive research into floating docks, I determined that Pond King was by far the premier manufacturer in the industry. As a result, my expectations were lofty. However, once the dock, walkway and accessories were installed, Pond King far exceeded anything I could have imagined. Beyond the obvious quality of the product itself, their installation crew was incredible with respect to their skill, attention and efficiency with which they worked. I can say without reservation that my Pond King dock has transformed our ordinary stock tank into a fantastic recreational attraction that will be enjoyed by family and friends for decades to come. Many thanks to Pond King and everyone on their staff that contributed to this awesome acquisition for our ranch.

Building your own dock has never been easier! These docks are perfect for small bodies of water with little to no water fluctuation.

Your Pond King floating dock kit will arrive in 4' x 8' modular sections, with the floats already attached. You can opt to have us build you a kit that's already decked with TimberTech® composite decking, or you can choose to purchase just the floats and frames from us and source the decking yourself. With these dock kits, all you need to do is attach the sections together using the included hardware, and you've got an aluminum-framed floating dock that you'll enjoy for years to come!

The Pond

MEMBERSHIP CLUB

If you love spending time "Down at the Pond" as much as we do, join The Pond Membership Club to get the most from your Pond King experience.

Member Benefits

- Account Management
- In-Store credit for PondKing.com purchases
- The ability to use your store credits at our tackle shop

How it Works

Activate your account by providing your name and email address and you're already on your way to earning store credit.

Earning Pond Bucks

After you sign up, each time you purchase a product manufactured by Pond King on pondking.com, you'll receive Pond Bucks in the form of store credits in your account. Buy artificial fish habitat, earn Pond Bucks. Buy a dock, earn Pond Bucks. Buy a boat, earn Pond Bucks. Buy a turtle trap, earn Pond Bucks. Buy a Pond King fish feeder, earn Pond Bucks. You get the picture...

Spending Pond Bucks

Each time you buy a Pond King product on pondking.com, you'll receive an email notifying you that you've received Pond Bucks and how many you've earned. The email will also include a gift code to use at check out the next time you purchase something at PondKing.com.

Once you've earned \$25 Pond Bucks, you're eligible to convert those to Bass Bucks to spend at our tackle shop, LakeProTackle.com, by sending us an email at admin@pondking.com.

Lake Pro Tackle

SHOP IN-STORE OR ONLINE AND WE'LL
HELP PUT YOU ON THE BITE

We make just about everything we can think of to help you manage your private pond or lake to improve your "Down at the Pond" fishing experience. Now we've figured out a way to help you catch more fish, wherever you go!

*Don't just put lures in your tackle box,
put fish on your line!*

We believe any day spent fishing is a good day, but we also believe those days are a little better when you actually catch something. To help anglers of all levels catch more fish, Lake Pro Tackle sources information from local bass anglers to help you choose the best lures for the current fishing patterns.

*Lake Specific Lures, Filtered by Season,
Water Clarity and Targeted Structure*

We've convinced local fishermen - our Lake Pros - to tell us their top 10 or so go-to-lures for a specific lake and to describe how they determine which of those lures to throw on any given day. To purchase the Lake Pro's go-to lures, just visit our Shop By Lake section, pick your lake and filter the products according to season, water clarity and targeted structure for the lake you'll visit on your next outing. The Lake Pros also provide an update to their respective lake every time they fish it, which is typically a couple times a week.

Reel in extra savings

Earn Bass Bucks!

Become a member at lakeprotackle.com and you'll earn
5% rewards on every purchase you make, online or in store.

Become a Lake Pro and Save Even More!

If you can pattern the fish on your favorite public fishery, are willing to share your go-to lures and share tips to help others be more successful, you could be **saving as much as 30%** at lakeprotackle.com
