DECORATION

- We Recommend Embroidery with a firm backing. This blouse is ideal for alternate logo placement e.g. a small logo looks great placed on the collar tip or at the centre back above the gathered pleat detail.

CO-ORDINATES WITH

- Because we keep our colour tones consistent throughout our range, you can easily Mix and Match back with our other shirt options or find a mens companion to create a complete uniform solution. Our Metro or Oasis styles are particularly good coordinating options.

PERFECT FOR

- This easy care blouse is a great addition to any uniform program. It's ideal for most Corporate, Hotel, or Health related industries.
