

ring width chart

1. To use this chart, print this page out on standard 8 1/2" x 11" paper.
2. Uncheck the "Shrink oversized pages" in the print dialog box.
3. Please verify that the Sizing Chart printed to scale by applying the ruler to the scale on the front of this page
4. To chose the width of the ring, cut out the strips and wrap around the finger.

Note. This is not the finger size measuring chart, this chart is intended only to give you an idea of the width of the rings
