

Independent and Work Ready CIC Work topics

Group brief 4

Task Outline

We would like you to do a creative task on Work Support for the website

You are to do a professional poster to help others get support to get working.
Please select and agree a theme from:

The benefits of having a job

What is Job Centre Plus and a Disability employment advisor

Different types of work

Skills and Qualities for work

What is the Government scheme Access to Work?

Task Continued

Interview skills: Do's and Don'ts

The benefits of doing a traineeship

The benefits of volunteering

Do a poster on How to find a job/where to look

Do a poster about your dream job

Do a poster about your career aspirations and hopes

Explore different job roles in a given industry in a presentation to help others

Tasks

Do a poster explaining what is meant by 'reasonable adjustments' in the workplace. Give some examples of adjustments for different disabilities.

Research someone famous who has done well in work despite a disability or learning disability/mental health issue. Do a powerpoint or presentation on your findings.

Post about your work experience/traineeship so far via a blog or social media.

Ask about doing some jewellery making

Read and review a disability blog from the IWR website..what do you think?

Review a website signposted to on IWR about work? What do you think?

Tasks

Review some apps for IWR for example related to creativity for product design or to help contributions to the website.

Do an animation for the website or a painting, drawing, comic strip or written work on a topic of your choice that has been agreed.

Research what 'Disability Confident Employer' means and do a poster explaining then pick a company that is one to research and do a poster on.

Explain the role of a job coach in a poster or piece of writing.

Do a poster on 21 Century work skills and the future

Tasks
