Urban Garden Planters

Durable and sleek metal planters that fit any home décor and are suitable for any location, such as the front entrance, living room, bedroom, hotel, lobby, office, and more. Featuring sturdy metal construction with a durable powder coating to create lasting planters and plant stands. Designed with multiple drainage holes, you can be assured that you will not overwater your plants with Cocoyard planters.

Go Green

Greenery and natural elements have a remarkable impact on transforming spaces, whether it's a workspace, home, restaurant, or any other environment. Plants not only add beauty but also contribute to a sense of well-being and improved productivity.

With Cocoyard products, you can be assured that you are getting a minimalist design, durability, quality, and incorporating green spaces.
