

Performance Paint Systems

RoofRite Roof Paint

Description:

RoofRite Roof Paint is a Premium 100% Acrylic Roof Coating which gives a tough, dirt resistant surface. RoofRite Roof Paint has excellent gloss retention in early and extended weathering. Formulated using pure acrylic resins it is an ideal topcoat for all properly prepared and primed roofing surfaces including galvanised iron, fibre-cement, concrete and stone chip roof tiles.

Features and Benefits:

- Excellent adhesion to primed and correctly prepared old paintwork
- Can be used on properly prepared substrate types and may be used for the collection of drinking water
- Durable gloss, semi gloss or matt finish

Limitations:

Do not apply when ambient temperature is below 8°C or surface temperature is above 40°C.

Technical Data:

Resin Type:	100% Acrylic Emulsion
Pigmentation:	Oxide pigments and inert extenders
Solvents:	Water-based
Colour:	A range of factory made colours
Gloss Level:	Gloss, Semi Gloss & Matt
Density:	1.36 Kgs/ Litre average
Dry-Time:	30 mins Touch, 2 hour overcoat. Cooler temperatures, higher film thickness or high humidity will require longer drying times
DFT:	65 microns
WFT:	167 microns
Coverage:	10 -12 m ² /L
No. of coats:	Two
Pack size:	20L
Flash Point:	None
Thinner:	Water

Surface Preparation:

Surface must be thoroughly cleaned to remove all traces of dust, dirt & moss. Water-blast using a minimum pressure of 2500psi.

Application:

To a properly prepared surface, apply by airless spray, two liberal coats at the recommended coverage rate. Allow at least 2 hours drying time between coats.

For Best Results:

1. Use airless tip size 0.013" or 0.015" at 1500 to 2000 psi
2. To achieve even film builds - spray apply – use the cross hatch method
3. On porous concrete tiles use RoofRite Tile Sealer for the first coat
4. Do not exceed the recommended wet film thickness

RoofRite Roof Paint – Version 1.1
TDS No: 4928/4958/4988 Date Issued 3 October 2022

Health and Safety:

(Please refer to Material Safety Data Sheet before using)

RoofRite Roof Paint is essentially non-flammable and non-hazardous
