

FELLOW

This way to a brighter, less boring morning

**We're on a mission to give you the gear, the guidance, and the coffee to make your brewing routine a moment of creativity. We design products for your countertop — not your cupboard — full of thoughtful features you'll actually use.**

**Headquartered out of San Francisco's Mission District, Fellow has grown from a Kickstarter campaign into a global brand with distributors and customers in more than 50 countries.**

***This way to a brighter, less boring morning.***

Even icons evolve

## Stagg EKG Pro

The game-changing evolution to our signature pour-over kettle. With fully customizable brew settings, precision temperature and pouring control, and access to powerful updates over WiFi, this is officially the coolest way to make water hot.

### Color

- ☐ Matte Black
- ☒ Matte White
- ☐ Matte Black + Walnut

## Stagg EKG Pro Studio Edition

Pour out all the stops. Enjoy all the latest precision pour-over features, crafted from premium materials. With a stunning glass base and elegant metal touchpoints, this is your morning showstopper.

### Color

- ☐ Matte Black
- ☒ Matte Black + Walnut

# All-purpose, all-powerful

## Corvo EKG Pro

All-purpose goes all-powerful with our upgraded quick-pouring electric kettle. The full color screen features a customizable menu of tools, including brewing presets, scheduling, altitude, adjustable hold mode, and a handy chime to let you know that yes, your water is already ready.

### Color

☐ Matte Black

## Corvo EKG Pro Studio Edition

A countertop centerpiece that gets the job done. Enjoy every Pro feature for ultimate precision heating, built from premium materials: a reflective glass base, metal touchpoints, and a walnut wood handle. Your most used kettle just became your most beautiful too.

### Colors

# Pour-Over Sets

An effortless introduction to consistently great pour-over, these all-in-one brewing sets kick your coffee up a notch.

Take it one cup at a time with Stagg [X] or go all in on Stagg [XF] to brew multiple cups for a crew or a large batch for just you.

**Stagg [X] Pour-Over Set**  
Stagg [X] Dripper + Stagg Tasting Glass  
+ 30 paper filters

**Stagg [XF] Pour-Over Set**  
Stagg [XF] Dripper + Stagg Double Wall Carafe  
+ 30 paper filters

# Worth its weight

## Tally Pro Precision Scale

When we set out to design the ultimate coffee scale, we took no small measures. With top-of-the-line accuracy, three modes for seamless brewing including instant ratio calculations, and a stunningly clear OLED display, it all adds up with Tally.

# The groundbreakers

## Opus Conical Burr Grinder

Meet Opus, a powerful all-purpose grinder that unlocks your coffee’s potential from espresso to cold brew. With a high-torque motor, 6-blade 40mm conical burrs, 41+ precision settings, and a world of intuitive features, you’ll enjoy effortlessly delicious coffee, every day.

### All the range

Opus is the rare all-purpose grinder that can grind coffee for true 9-bar espresso, while also covering the full range of brewing styles.

### Colors

● Matte Black    ● Matte White

# Ode Brew Grinder Gen 2

The new generation of our award-winning grinder. Features best-in-class Gen 2 Brew Burrs for more precision and range, anti-static technology for less mess, and an expanded 100 gram catch cup. From the finest pour-over methods to the coarsest cold brew recipes, your coffee will never be the same again.

### Meet The Burrs

Designed in-house, our unique Gen 2 Brew Burrs grind finer and with more precision, producing a sweet, balanced, complex cup with enough clarity to respect the coffee.

### Colors

● Matte Black    ● Matte White

## Ode Brew Grinder

A powerful and precise home coffee grinder with café capabilities. With 64 mm professional-grade flat burrs, 31 grind settings, and unique single dose loading for maximum bean freshness, Ode is ready to hit the grind running.

### Colors

- Matte Black
- Matte White

### The Ultimate Gift

"Combines super accurate flat burrs with a blacked-out, space-age design... No coffee grinder will look cooler on your countertop." - GQ

## Atmos Vacuum Canister

Take the hassle (and oxygen) out of storing coffee. This airtight canister features a simple twist mechanism to prevent oxidation, which means your beans—or snacks and sweets—lasts up to 50% longer.
