ASSEMBLY INSTRUCTIONS

DAMINI RECYCLED GLASS TABLE LAMP

PLEASE NOTE:
Lampshade sold separately

Thank you for purchasing the Damini Glass Lamp. Please read the instructions carefully before use and retain for future reference.

WARNING:

This product is only suitable for connection to a 240V 50Hz supply and is not suitable for a bathroom or use outdoors.

BULB TYPE

E27 - Max 70W. Do not exceed the wattage stated. When changing a bulb, always switch off at the mains and allow the bulb to cool before handling.

ENVIRONMENT FRIENDLY

Dispose of used bulbs carefully.

FITTING THE PLUG

This luminaire is suitable for both UK and EU plug sockets. On opening, the EU plug is sitting inside the UK plug adapter.

To fit in the UK, make sure the EU plug is securely in place inside the adapter and the screw(s) on the underside of the plug are fixed tightly. This is now ready for use.

To fit using the EU plug remove the screw(s) from the underside of the plug. Open the UK plug and take out the EU plug. This is now ready to be used. Please dispose of the UK plug adapter responsibly.
