**Safety Cautions:**

- Please don't dismantle the product in any way or remove the product's battery by yourself, as this can lead to a fire or electrical breakdown. Any maintenance or servicing of the earphones should be done only through a qualified service provider/manufacturer.
- Please clean the earphones with the utmost of care with only a damp soft cloth, if cleaning is required. Please do not use any oily volatile liquid. In addition, ensure that the earphones are kept away from extremely hot or cold substances.
- Any damage to the earphones that is NOT a manufacturing issue will make the products warranty null and void.
- Do not use earphones when it is unsafe to be wearing them, such as while operating a vehicle, crossing a street, or during any activity where full awareness of your surroundings is required.
- To avoid damage to your hearing, make sure that the volume on your music player is at an appropriate level when you are Plugging into Nirvana. Exposure to any noise levels at or above 85 dB can gradually lead to a loss of hearing.
