Safety Guidelines:

- In order to achieve maximum safety while using boAt IMM700, we suggest following guidelines
- If you have trouble operating the device and troubleshooting doesn't work, unplug the device and contact boat customer support
- Do not try to fix the device by yourself anytime (doing so will void your warranty)
- Keep the device away from liquid, humidity and moisture.
- Listening to excessively loud volumes over extended periods of time can damage your hearing. We recommend that you reduce the volume to a comfortable level when listening for prolonged periods of time. Take good care of your hearing.

Maintenance and Use:

The boAt IMM700 requires minimum maintenance to keep it in best condition. Once a month we recommend you unplug the device from the computer and clean it using a soft cloth or cotton swab.
