

LUNAR SPACE PLUS USER MANUAL

boAt LUNAR SPACE PLUS

Thank you for choosing the boAt Lunar Space Plus as your fitness transformation companion.

Allow this manual to guide you through the functioning of your smartwatch. Please read it thoroughly before using it for a smooth sail. You may refer to these instructions for later use as well.

- PACKAGE CONTAINS:**
- boAt Lunar Space Plus x1
 - USB Magnetic Charging cable x1
 - User Manual x1
 - Warranty Card x1

CHARGING THE WATCH

The smartwatch must be charged before initial use. It takes up to 2 hours to be fully charged. Connect and charge the watch with the image below as a reference, using a 5V/2A adapter.

TURNING THE WATCH ON/OFF

To restart or turn the watch on/off, long-press the upper side button for 3-5 seconds. You can wake up the screen by lifting your wrist.

CONNECTING TO THE APP

1. Download the boAt Wearables app on your phone.

Available on both App Store (iOS 12.0 and above) and Google Play Store (Android 7.0 and above).

Scan [QR CODE] (Also available on the watch)

2. Connect the device with the boAt Wearables app; ensure that the phone's Bluetooth as well as the GPS functionalities are turned on

3. Select Lunar Space Plus on the home screen of the app and click pair to connect.

4. Once connected, you will get an alert to connect with LSPACEPLUSBT, click pair if need to receive or make calls from the watch

5. To use all features of your Lunar Space seamlessly, tap on 'yes' to the 'connection' and 'grant access' system prompt.

6. Disable battery optimization

Note: To ensure connectivity throughout your journey, make sure the app is allowed to run in the background of your phone at all times.

SYNCING YOUR SMARTWATCH TO THE APP

Data Synchronization

- Open the app on your phone.
- Make sure your Lunar Space Plus is connected to the app.
- Synchronization will start automatically once you enter the app interface.

Note: Synchronize data at least once a day to avoid data loss in the watch.

NAVIGATING THROUGH THE FUNCTIONS SWIPE RIGHT FOR THE MAIN MENU

Phone

To use the BT Calling feature, open the boAt Wearables app and pair the watch.

Once paired you will get the pop-up on the app home screen to connect with Phone's Bluetooth.

Click on "pair" to connect with phone's Bluetooth. Alternatively, you can go to phone's Bluetooth settings and pair "LSPACEPLUSBT" to start the calling feature on your watch.

Note: Enable call alerts from the setting to get calls on the watch. Up to 10 contacts can be saved in the phonebook. Call history will show the latest call details. Use a dialer to dial any number.

Sleep Monitor

Tap on the icon to review the sleep data of the previous night.

Once the asleep criteria are met, your smartwatch will start recording from 8 pm at night to 10 am in the morning the next day.

Once you lie down and watch detects no movement for 30 minutes, it will start recording, and will stop recording if it detects excessive movement.

You can check the data on the app only after the awake criteria is met.

You can also track sleep scores on the boAt Wearables app.

Note: For accurate sleep data recording, the asleep criteria have to be met which includes limited movement, wrist positions and angles, and more.

**The awake criteria will be met only after it records some noticeable movement*

Heart Rate Monitor

Wear the watch on your wrist, then click on the icon to start measurements. You can also view the data on the app.

Note: Measurements are for reference only and not for medical purposes

Steps

Click on this to check your daily activity data like step count, calories, and distance covered.
