

STORM CALL

USER MANUAL

boat STORM CALL

Thank you for choosing the boAt Storm Call as your fitness transformation companion.

Allow this manual to guide you through the functioning of your smartwatch. Please read it thoroughly before using it for a smooth sail. You may refer to these instructions for later use as well.

Watch Faces

Using the app

Select cloud watch faces on the app and push your preferred watch face to your smartwatch.

Go to Device -> watch faces -> Select and install the watch face of your choice.

Alternatively, you can also customize the watch faces of your choice by selecting the background from your phone's gallery and make it as your watch face.

Note: Make sure your watch and phone are connected via Bluetooth. Do not exit the downloading interface until it displays 100% downloaded. It may take up to 60 secs to sync the watch face with the app.

Using the watch Storm Call

Swipe left on the main interface of your watch screen to enter the main menu -> Scroll down -> Select 'watch faces' -> Tap on your preferred display

SWIPE RIGHT TO ACCESS ALL NOTIFICATIONS

Call and Text Notifications

Turn this feature on from your app to receive notifications on your Storm Call. It will show 5 new notifications and automatically overwrite the last message if there are more than 5.

SWIPE DOWN FOR SHORTCUT MENU

You can access sports menu, brightness, DND, Find my phone, Music control, QR code, about and settings from the shortcut menu.

PACKAGE CONTAINS:

- boAt Storm Call x1
- USB magnetic charging cable x1
- User Manual x1
- Warranty Card x1

CHARGING THE WATCH

The smartwatch must be charged before initial use. It takes 2 hours to be fully charged. Connect and charge the watch with the image below as a reference, using a 5V/2A adapter.

Note: Once your watch is at 10% battery, it will automatically switch to power saving mode which will disable all functions.

TURNING THE WATCH ON/OFF

To turn the watch on/off, long-press the side button for 3-5 seconds. You can wake the screen by lifting your wrist.

PRODUCT PARAMETERS:

Model	boAt Storm Call
Screen Type	1.69" (4.29 cm) HD Display
Battery Capacity	220 mAh
Net weight	46g
Bluetooth version	Bluetooth 5.0
Working temperature	0 ~ 45 degree
Charging time	about 2.5 hours
Working time	about 7 days / up to 2 days with BT calling
Maximum transmission power	7.5dBm
Frequency band	2402 - 2480 MHz

Maintenance:

Regularly clean your wrist and the strap of the smartwatch, especially after sweating during exercise or being exposed to substances such as soap or detergent, which may get stuck on the other end of the product.

Do not wash the strap with a household cleanser. Please use soap less detergent, rinse thoroughly and wipe with a piece of soft towel or napkin.

For spots or stains that are not easy to remove, scrub the area with rubbing alcohol and then follow the above procedure.

CONNECTING TO THE APP

1. Download the boAt Wearables app on your phone.

Available on both App Store (iOS 12.0 and above) & Google Play Store (Android 6.0 and above)

OR

Scan [QR CODE]

2. Connect the device with the boAt Wearables app

3. Select Storm Call on the home screen of the app and click pair to connect.

4. Once you are connected, there will be another prompt on the app screen to connect with classic Bluetooth. Tap on pair to connect with STORM CALL BT and use the Bluetooth calling feature.

5. To use all features of your Storm Call seamlessly, tap on 'yes' to the 'connection' and 'grant access' system prompt.

6. Turn your phone's Bluetooth and GPS on.

7. Disable battery optimization

Note: To ensure connectivity throughout your journey, make sure the app is allowed to run in the background of your phone at all times.
iPhones will not prompt any information unless you complete Bluetooth pairing with Storm CALL.

FAQ

Calling feature not working on my watch?

Make sure your watch is connected to both your app and the phone Bluetooth. If not, search for STORM CALL BT in the phone's Bluetooth setting, pair the watch with it. Also, make sure call notification is enabled from the app. In idle mode, the watch will disable the classic Bluetooth 3.0 to save the battery.

Search for the app to connect keeps failing

1. Keep the boAt Wearables app updated to the latest version
2. Close all the programs on the watch -> Stop and restart Bluetooth and GPS -> Connect again
3. Check and enable notification functions of your phone and keep the phone and watch in close contact

Note: Make sure your phone system meets Android 6.0 and above and iOS 12.0 and above.

My Storm Call is receiving no alerts, texts, or phone calls

Make sure smart reminders on the app are on and synced to the Storm Call. Also make sure your notification center of the phone is displaying messages. Only then will your smartwatch also display those notifications. Make sure app is running in the background and battery optimization feature on the phone is disabled.

My Bluetooth keeps getting disconnected

1. Make sure there is not more than 7m distance between Bluetooth on the phone & the watch.
2. There is no obstacle in between the watch and the phone.
3. Make sure the app is running in background

Which functions of the Storm Call need Bluetooth to work?

Call & Text Notifications, Find My Phone, music control, camera control, weather forecast, cloud and custom watch faces and Bluetooth calling need Bluetooth connectivity to work.

Will it be okay to take a bath wearing the Storm Call?

The IP68 water resistance will only work under the following conditions:
(1) Maximum depth of water: 1.5m (2) Maximum time for exposure to water: 10 minutes
The watch isn't suitable for hot baths, hot springs, saunas, snorkeling, diving, water skiing and other wading or deep-water activities with high-speed water flow.

SYNCING YOUR SMARTWATCH TO THE APP

Data Synchronization

- Open the app on your phone.
- Make sure your Storm Call is connected to the app
- Synchronization will start automatically once you enter the app interface.

Note:

Synchronize data at least once a day to avoid data loss in the watch.

NAVIGATING THROUGH THE FUNCTIONS

SWIPE UP TO ACCESS ALL DATA

You can access daily activity and sports records, heart rate monitor, sleep monitor, weather, music control from here.

Call Menu

Add your contacts on the phonebook from the boAt Wearables app.

Go to Device -> Bluetooth Calling -> Sync contacts -> Click on "+" sign from the top right corner to add the contacts.

Up to 20 contacts can be saved in the phonebook.

Bluetooth calling

1) You will be able to access bluetooth calling feature once you connect STORM CALL BT in your phone's Bluetooth setting.

2) Alternatively, you can enable/disable this feature from watch shortcut screen or calling screen in the menu.

3) This will be enabled automatically when the call comes on the watch.

4) In idle mode, this option will be disabled to save the battery from draining.

Note: Battery will drain out fast if you are using Bluetooth calling feature.

SAFETY & PRODUCT INFORMATION

Battery

Do not disassemble, bore or damage the battery.

Do not disassemble the built in batteries of non-replaceable battery devices.

Do not use sharp objects to remove the battery.

Health Warning

If you are wearing a pacemaker or other implanted electronic devices, please consult your doctor before using the heart rate monitor of the watch.

The optical heart rate sensor will glow green and Storm Call. If you suffer from epilepsy or are sensitive to blinking light sources, please consult your physician before wearing this device.

The device tracks your daily activities through sensors. This data is intended to tell you about your daily activities such as steps, sleep, distance, heart rate and calories, but may not be completely accurate.

The device accessories, heart rate sensor, oxygen level monitor, and other relevant data is designed for fitness and not for medical purposes. They are not applicable to the diagnosis, monitoring, treatment or prevention of any diseases or symptoms. The heart rate and blood pressure data is for reference only. We're not responsible for any deviation in data.

Avoid wearing the watch too tightly. Make sure you keep your skin dry - the area that comes in contact with the watch. If symptoms such as redness or swelling appear on your skin, immediately stop using the watch and consult the doctor.

Things to keep in mind

Sync data everyday days to avoid data loss.

Water Resistance will not work for seawater, acidic and alkaline solutions, chemical reagents & other corrosive liquid. The damage or defects caused by misuse or improper use are not covered by the warranty.

Sports modes support up to 6 hours of exercise at a time.

Avoid wearing the watch too tight in daily use. Keep the parts of skin touching the watch dry. Keep your arm still while measuring data for accurate measurement.

Disclaimer: This product is an electronic monitoring product and is not intended as a medical reference. We reserve the right to modify or improve any of the functions described in this manual without any prior notice. At the same time, we hold the right to continuously update the product content.

SWIPE LEFT FOR MAIN MENU

Sports mode

Click on the sports mode icon to choose from 10 different sports modes: Walking, Running, Cycling, Climbing, Yoga, Basketball, Football, Badminton, Skipping & Swimming. To pause or stop the exercise, press the home button, click finish to end the exercise.

Notes:

*All records will be available on the app if you keep it synchronized.

*The touch screen will not function when exposed to water. When your watch does get wet, wipe the surface with a soft cloth before using it.

Make sure maximum depth of water is 1.5m & maximum time for exposure to water is 10 minutes
