

WAVE ELECTRA

boat

WAVE ELECTRA

Thank you for choosing the boAt Wave Electra as your fitness transformation companion.

Allow this manual to guide you through the functioning of your smartwatch. Please read it thoroughly before using it for a smooth sail. You may refer to these instructions for later use as well.

USER MANUAL

PACKAGE CONTAINS:

- boAt Wave Electra x1
- USB magnetic charging cable x1
- User Manual x1
- Warranty Card x1

CHARGING THE WATCH

The smartwatch must be charged before initial use. It takes 2 hours to be fully charged. Connect and charge the watch with the image below as a reference, using a 5V/2A adapter.

Note: Once your watch is at 10% battery, it will automatically switch to power-saving mode which will disable all functions.

TURNING THE WATCH ON/OFF

To turn the watch on/off, long-press the side button for 3-5 seconds. You can wake the screen by lifting your wrist.

CONNECTING TO THE APP

1. Download the boAt Wearables app on your phone. Available on both App Store (iOS 12.0 and above) & Google Play Store (Android 7.0 and above)

OR

Scan [QR CODE]

2. Connect the device with the boAt Wearables app
3. Select Electra on the home screen of the app and click pair to connect.
4. Click on "pair" when you get a prompt to connect with Electra_BT. This is required if you want to attend calls on your watch.
5. Alternatively, you can go to your phone's setting and pair Electra_BT manually.
4. To use all features of your Wave Electra seamlessly, tap on 'yes' to the 'connection' and 'grant access' system prompt.
5. Turn your phone's Bluetooth and GPS on.
6. Disable battery optimization

Note: To ensure connectivity throughout your journey, make sure the app is allowed to run in the background of your phone at all times. iPhones will not prompt any information unless you complete Bluetooth pairing with Wave Electra

SYNCING YOUR SMARTWATCH TO THE APP

Data Synchronization

- Open the app on your phone.
- Make sure your wave Electra is connected to the app
- Synchronization will start automatically once you enter the app interface.

Note:

Synchronize data at least once a day to avoid data loss in the watch.

NAVIGATING THROUGH THE FUNCTIONS

SWIPE RIGHT FOR MAIN MENU

Sports

Tap on the sports icon to choose from 100+ sports modes: Run, Walk, Indoor Walk, Outdoor, Cycle, Climbing, Yoga, Basketball, Football, Badminton, Skipping, Swimming, Cricket, Volleyball, Hockey, Judo, Rock Climbing, Air walker, Archery, Ballet, Baseball, Beach, Volleyball, Billiard, Bowling, Break Dance, Cross Country Skiing, Curling, Darts, Drive, Folk Dance, Frisbee, Hula Hoop, Jujitsu, Kite Flying, Line Skating, Break Dance and more!

Tap on this icon to change your watch face. Alternatively, long press the home screen to change the watch faces. There is total 20 built-in watch faces in the watch and 100+ available on the cloud, which can be accessed through the app.

Menu Style

Tap on this to change the app view. (List and grid view)

Shutter

Tap on this icon to access remote camera. Make sure your watch is connected with the app

Find My Phone

Wear the watch on your wrist, then click on the icon to start measurements. You can also view the data on the app.

**Note: Your phone and watch must be connected via Bluetooth for this feature to work*

Blood Oxygen Level Monitor

Wear the watch on your wrist, then click on the icon to start measurements. You can also view the data on the app.

Note: Measurements are for reference only and not for medical purposes.

Stopwatch

Tap on this to access stopwatch.

Countdown

Tap on this to access countdown.

Phone

Tap on this to access Favourite contacts, Call History & Dialer from here. Add your contacts on the phonebook from the boAt Wearables app. You can add up to 50 contacts

Avoid wearing the watch too tightly. Make sure you keep your skin dry - the area that comes in contact with the watch. If symptoms such as redness or swelling appear on your skin, immediately stop using the watch and consult the doctor.

Things to keep in mind

Sync data everyday days to avoid data loss. Water Resistance will not work for seawater, acidic and alkaline solutions, chemical reagents and other corrosive liquid. The damage or defects caused by misuse or improper use are not covered by the warranty.

Sports modes support up to 6 hours of exercise at a time.

Avoid wearing the watch too tight in daily use. Keep the parts of skin touching the watch dry. Keep your arm still while measuring data for accurate measurement.

Disclaimer: This product is an electronic monitoring product and is not intended as a medical reference. We reserve the right to modify or improve any of the functions described in this manual without any prior notice. At the same time, we hold the right to continuously update the product content.

CAUTION

RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT SUBSTITUTE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS. Old electrical appliances must not be disposed of together with the residual waste, but have to be disposed of separately. The disposal at the communal collecting point via private persons is for free. The owner of old appliances is responsible to bring the appliances to these collecting points or to similar collection points. With this little personal effort you contribute to recycle valuable raw materials and treatment of toxic substances.

Guided Breathing Mode

Click on the breath training icon to regulate your breathing with the instructions given to relax.

Alarm Clock

Tap on this to access alarms.

Calendar

Tap on this to check the calendar.

Calculator

Tap on this to access calculator.

Settings

You can access screen off, QR code, Reboot, Reset, Power Off, About from this menu.

BT Calling

You can access BT calling feature from the shortcut menu or the main menu. To use the BT Calling feature, open the boAt Wearables app and pair the watch.

Once paired you will get the pop up on the app home screen to connect with Phone's Bluetooth.

Click on "pair" to connect with phone's Bluetooth. Alternatively, you can go to phone's Bluetooth settings and pair "Electra_BT" to start the calling feature on your watch

**Note: Enable call alerts from the setting to get calls on the watch*
Up to 50 contacts can be saved in the phonebook. Call history will show the latest call details. Use a dialer to dial any number.

Note: To optimize the battery performance, BT calling will be on standby mode if not in use, it will be active as soon as you get an incoming call or if you make an outgoing call.

Heart Rate Monitor

Wear the watch on your wrist, then click on the icon to start measurements. You can also view the data on the app.

Note: Measurements are for reference only and not for medical purposes.

Weather

Tap on this to know weather forecasts. **Enable weather feature from the app first*

Music Control

Tap on the remote music control icon on your Wave Electra to play music from your phone. **Note: Some apps with different protocols might not work.*

SWIPE UP TO VIEW YOUR NOTIFICATIONS

SWIPE LEFT TO ACCESS ALL DATA

MAINTENANCE

Regularly clean your wrist and the strap of the smartwatch, especially after sweating during exercise or being exposed to substances such as soap or detergent, which may get stuck on the other end of the product. Do not wash the strap with a household cleanser. Please use soap less detergent, rinse thoroughly and wipe with a piece of soft towel or napkin. For spots or stains that are not easy to remove, scrub the area with rubbing alcohol and then follow the above procedure.

Search for the app to connect keeps failing

1. Keep the boAt Wearables app updated to the latest version
2. Close all the programs on the watch Stop and restart Bluetooth and GPS Connect again
3. Check and enable notification functions of your phone and keep the phone and watch in close contact.

Note: Make sure your phone system meets Android 7.0 and above and iOS 12.0 and above.

My Wave Electra is receiving no alerts, texts, or phone calls

Make sure smart reminders on the app are on and synced to the Wave Electra. Also make sure your notification center of the phone is displaying messages. Only then will your smartwatch also display those notifications.

Make sure app is running in the background and battery optimization feature on the phone is disabled.

Make sure Electra_BT is connected from the phone to receive calls on the watch

My Bluetooth keeps getting disconnected

1. Make sure there is not more than 7m distance between Bluetooth on the phone and the watch.
2. There is no obstacle in between the watch and the phone.
3. Make sure the app is running in background.

Which functions of the Wave Electra need Bluetooth to work?

Call & Text Notifications, music control, camera control, weather forecast, cloud and custom watch faces and Bluetooth calling need Bluetooth connectivity to work.

Will it be okay to take a bath wearing the Wave Electra?

The IP68 water resistance will only work under the following conditions:

- (1) Maximum depth of water: 1.5m (2) Maximum time for exposure to water: 10 minutes
- The watch isn't suitable for hot baths, hot springs, saunas, snorkeling, diving, water skiing and other wading or deep-water activities with high-speed water flow.
