

WAVE CONVEX USER MANUAL

WAVE CONVEX

Thank you for choosing the boAt Wave Convex as your fitness transformation companion.

Allow this manual to guide you through the functioning of your smartwatch. Please read it thoroughly before using it for a smooth sail. You may refer to these instructions for later use as well.

Package Contains:

- boAt Wave Convex x1
- USB magnetic charging cable x1
- User Manual x1
- Warranty Card x1

CHARGING THE WATCH

The smartwatch must be charged before initial use. It takes up to 2 hours to be fully charged. Connect and charge the watch with the image below as a reference, using a 5V/2A adapter.

TURNING THE WATCH ON/OFF

To restart or turn the watch on/off, long-press the side button for 3-5 seconds. You can wake up the screen by lifting your wrist.

CONNECTING TO THE APP

1. Download the boAt Crest app on your phone.

Available on both App Store (iOS 12.0 and above) and Google Play Store (Android 7.0 and above) OR

Scan [QR CODE] (Also available on the watch)

2. Connect the device with the boAt Crest app; ensure that the phone's Bluetooth, as well as the GPS functionalities, are turned on.
3. Select Wave Convex on the app's home screen and click pair to connect.
4. Once connected, you will get an alert to connect with CONVEX_XXXX, click pair if need to receive or make calls from the watch
5. To use all your Wave Convex features seamlessly, tap on 'yes' to the 'connection' and 'grant access' system prompt.
6. Disable battery optimization

Note: To ensure connectivity throughout your journey, make sure the app is allowed to always run in the background of your phone.

SYNCING YOUR SMARTWATCH TO THE APP

Data Synchronization

- Open the app on your phone.
- Make sure your Wave Convex is connected to the app.
- Synchronization will start automatically once you enter the app interface.

Note: Synchronize data at least once a day to avoid data loss in the watch.

NAVIGATING THROUGH THE FUNCTIONS

SHORT PRESS THE SIDE BUTTON FOR THE MAIN MENU

Call

Use a dialer to dial any number from the watch.

Phone Book

Add up to 20 contacts from boAt Crest app. You can select any contact to directly dial from the watch.

Call History

You can find recently received, missed, and outgoing call logs in the call history of the watch.

Activities

Choose from multiple sports modes like Walking, treadmill, Running, Badminton, Football, Basketball, Tennis, Yoga, Dancing, Cycling, Indoor Cycling, Cricket, Boxing, Karate, Table Tennis, Pilates, Skipping, Hiking, Hockey, Kabaddi, and Bowling.

The watch has 700+ activity modes. You can also add or replace the activities according to your preference through boAt Crest App. Only one activity will be replaced on the watch.

Tap on any sport mode to start the activity, click the go button, and the watch will start recording the duration of the activity. Swipe right to pause or stop the activity. The activity will not be recorded if it is less than 3 mins.

Heart Rate Monitor

Wear the watch on your wrist, then click on the icon to start measurements. You can also view the data on the app.

Note: Measurements are for reference only and not for medical purposes

SpO2 monitoring

Wear the watch on your wrist, then click on the icon to start measurements. You can also view the data on the app.

Note: Measurements are for reference only and not for medical purposes.

Sleep Monitor

Tap on the icon to review the sleep data of the previous night. Once the asleep criteria are met, your smartwatch will start recording from 8 pm at night to 10 am in the morning the next day. Once you lie down and watch detects no movement for 30 minutes, it will start recording, and will stop recording if it detects excessive movement. You can check the data on the app only after the awake criteria is met. You can also track sleep scores on the boAt Crest app.

Breathe exercises

Click on the breathe exercises icon to regulate your breathing by doing breathing exercises. You can set the time and level of exercise.

Female Wellness

Enable and set the details on the boAt Crest app and get alerts of your period and ovulation dates on the watch.

Music Control

Tap on the remote music control icon on your watch to play music from your phone.

Note: Some apps with different protocols might not work.

Voice Assistant

Tap on this to enable the voice assistant feature and give the command from the watch. The results will be seen on the phone.

Note: Make sure the watch is connected to the app and the phone is unlocked

Weather

Connect with the boAt Crest app to get daily weather updates on the watch.

- The optical heart rate sensor will glow green. If you suffer from epilepsy or are sensitive to blinking light sources, please consult your physician before wearing this device.
- The device tracks your daily activities through sensors. This data is intended to tell you about your daily activities such as steps, sleep, distance, heart rate and calories, but may not be completely accurate.
- The device accessories, heart rate sensor, oxygen level monitor, and other relevant data is designed for fitness and not for medical purposes. They are not applicable to the diagnosis, monitoring, treatment or prevention of any diseases or symptoms. The heart rate and blood pressure data is for reference only. We're not responsible for any deviation in data.
- Avoid wearing the watch too tightly. Make sure you keep your skin dry - the area that comes in contact with the watch. If symptoms such as redness or swelling appear on your skin, immediately stop using the watch and consult the doctor.

Things to keep in mind

- Sync data everyday days to avoid data loss.
- Water Resistance will not work for seawater, acidic and alkaline solutions, chemical reagents & other corrosive liquid. The damage or defects caused by misuse or improper use are not covered by the warranty.
- Sports modes support up to 6 hours of exercise at a time.
- Avoid wearing the watch too tight in daily use. Keep the parts of skin touching the watch dry.
- Keep your arm still while measuring data for accurate measurement.

Disclaimer: This product is an electronic monitoring product and is not intended as a medical reference. We reserve the right to modify or improve any of the functions described in this manual without any prior notice. At the same time, we hold the right to continuously update the product content.

CAUTION

RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT SUBSTITUTE.
DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.

Old electrical appliances must not be disposed of together with the residual waste, but have to be disposed of separately. The disposal at the communal collecting point via private persons is for free. The owner of old appliances is responsible to bring the appliances to these collecting points or to similar collection points. With this little personal effort you contribute to recycle valuable raw materials and treatment of toxic substances.

Alarm

Tap on this to set an alarm on your watch.

Notifications

You can check all the notifications from here.
