## Manual

*Thank you for choosing the boAt Rockerz 295V2. This manual is meant to guide you through to the shores of Nirvana without much difficulty. Please think of this manual as your map. Knowledge of Bluetooth and device connection is essential for steering this boAt. Therefore, we strongly advise that this manual is thoroughly read before use, and referred to in times of difficulty.*

### Package Contents

- 1 x boAt Rockerz 295V2
- 1 x Micro USB Charging cable
- 2 x Pairs Additional Earmuffs
- 1 x Manual
- 1 x Warranty Card
- 1 x Catalogue

**Power On:** Press and hold the Power button for 3 seconds. The white LED will blink accompanied by a voice prompt "power on and ready to pair".

**Power Off:** Press and hold the Power button for 3 seconds. A voice prompt "power off" will indicate the device getting switched off accompanied by red LED.

### Bluetooth Connectivity

1. Press and hold Power button for 2 seconds after the headset powers on, until red and white LED flash alternately
  2. Turn on Phone's Bluetooth and then look for 'Rockerz 295V2' in list of available devices after search
  3. If asked for a passkey, confirm the passkey '0000' on phone
  4. Once confirmed, the headset and the phone get connected via Bluetooth indicated by slowly flashing white LED
- Note: If there's a connection history between the phone and the headphone, then they will get automatically reconnected in a working range.

### Dual Pairing

To connect boAt Rockerz 295V2 to 2 devices, firstly connect the earphones with one device. Then, switch both the earphones and the device off. Thereafter, turn on the earphones and connect it to the other device, and then switch on the earlier device again. The earphones will be connected to both devices. If not, then connect the earlier device manually once again to activate dual pairing.
