

Pair With Bluetooth

(1) When switched off, Press and Hold the multifunction button for 3 Seconds to switch on the Earphones. The earphones will automatically enter pairing mode with a prompt and the LED light will flash red and blue lights flash to indicate this.

- (2) Open Bluetooth on your device and search for "boAt Rockerz 275V2" in the list of available devices
- (3) Choose "boAt Rockerz 275V2" from the list and enter the pairing password "0000" to establish Bluetooth connectivity. (4) Once successfully paired, the LED light will flash blue once every few seconds.

Basic functions:

- (1) Power on: When switched off, press and hold the multifunction button to power on manually.
- (2) Power off: To switch off your device press and hold the multifunction button to power off manually.
- (3) Play/Pause: Tap the multifunction button once to play/pause music. (4) Volume up: Tap the volume "+"buttons in steps to increase the volume. A beep will indicate maximum volume.
- (5) Volume down: Tap the volume "-"button in steps to decrease the volume. A beep will indicate minimum volume.
- (6) Answer/End call: Separate the Earbuds from one another to answer an incoming call. A vibration will indicate an incoming call. To End a call Simply Untie the earphones back.
- (7) Reject call: Press and hold the multifunction button for 2 seconds when receiving a call to reject it. A beep will indicate this.
- (8) Previous Track: To go to the previous track, press and hold the "-" button for 2 seconds.
- (9) Next Track: To skip to the next track, press and hold the "+" button for 2
- (10) Voice Assistant: Press the multifunction button for one second to activate Siri/Google assist
- (11) Dual Pairing: To connect the boAt Rockerz 275V2 to 2 devices, first connect the earphones with the first device. Then, switch both the earphone and the device off. Connect the earphones to the second device, and then switch the first device on again. The earphones will be connected to both devices or connect the first device manually once again to activate dual pairing

1 - Product Schematic

To Charge:

Use a micro USB charging cable to charge the earphone through either a laptop or an adaptor.

(1) Low Battery: The remaining talk time is less than 10 minutes. There will be a 'tone' and a reminder every minute.

(2) Charging: The red light is steady (please note that the earphone cannot be turn on when charging).

(3) Fast Charging: 15 Minutes of Charge will provide 3.5 Hours of Playback

(4) Fully charged: the blue light is steady.

Safety Cautions:

- · Please don't dismantle the product in any way or remove the product's battery by yourself, as this can lead to a fire or electrical breakdown. Any maintenance or servicing of the earphones should be done only through a qualified service provider/manufacturer.
- Please dean the earphones with the utmost of care with only a damp soft cloth, if cleaning is required. Please do not use any oily volatile liquid. In addition, ensure that the earphones are kept away from extremely hot or cold substances
- · Any damage to the earphones that is NOT a manufacturing issue will make the products warranty null and void.
- Do not use earphones when it is unsafe to be wearing them, such as while operating a vehicle, crossing a street, or during any activity where full awareness of your surroundings is required.
- To avoid damage to your hearing, make sure that the volume on your music player is at an appropriate level when you are Plugging into Nirvana. Exposure to any noise levels at or above 85 dB can gradually lead to a loss of hearing

Specifications
