

DEVICES OF A WORTHY ADVERSARY

By Rachelle Schmutz

Jesus answered: "Watch out that no one deceives you."

Matt. 24:4

DEVICES OF A WORTHY ADVERSARY

In 1959 Nikita Khrushchev, the secretary of the Russian Communist Party, submitted the following memorandum to the United Nations in New York: "Your children's children will live under communism. You Americans are so gullible. No, you won't accept communism outright, but we will keep feeding you small doses of socialism until you will finally wake up and find you already have communism. We will not have to fight you. We will so weaken your economy until you will fall like ripe fruit into our hands...The democracy will cease to exist when you take from those who are willing to work and give to those who would not."

Imagine this kind of disclosure being spoken by the evil one. It would sound like this, "Your children's children will be slaves to me. You humans are so susceptible. No, you won't accept Satanism outright, but I will feed it to you through your selfish ways, your jealousy and your greed. One day you will wake up and not even acknowledge God. You will be too busy with the entertainment and the lies I control. I will so weaken your spirit, your soul will fall like forbidden fruit into my hands. The righteous will be stepping stones for my minions." Communism is a device of the devil.

In a book written by Cleon Skusen in 1958, titled "The Naked Communist," he detailed the 45 goals of the Communist Party, here are several of interest:

Goal 15: Capture one or both of the U.S. political parties.

(Trick them into choosing evil)

Goal 16: Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.

(Shout oppression and accuse of hate speech)

Goal 17: Get control of the schools. Use them as transmission belts for socialism and current communist propaganda. Get control of teachers' associations. Put the party line in textbooks.

(Indoctrination centers are perfect for ruining young minds) (Critical race theory)

Goal 20: Infiltrate the press. Get control of book-review assignments, editorial writing and policy-making positions.

(Own all the news and entertainment outlets and censor everything)

Goal 21: Get control of key positions in radio, TV and motion pictures.

(Repeat the same lie over and over)

Goal 22: Continue discrediting American culture by degrading all forms of artistic expression. An American communist cell was told to "eliminate all good sculpture from parks and buildings."

Goal 23: Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive meaningless art." **(Destroy anything meaningful)**

Goal 24: Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press. **(Redefine terms to mean it's opposite)**

Goal 25: Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio and TV. **(Taint the morality)**

Goal 26: Present homosexuality, degeneracy and promiscuity as normal, natural, healthy. **(Promote the debased)**

Goal 27: Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."

Goal 28: Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "separation of church and state." **(Eliminate the moral God)**

Goal 29: Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a world-wide basis. **(Make patriots the enemy)**

Goal 32: Support any socialist movement to give centralized control over any part of the culture -- education, social agencies, welfare programs, mental health clinics, etc. **(Become too big and create overlapping agencies)**

Goal 38: Transfer some of the powers of arrest from the police by social agencies. **(Corrupt the criminal justice system)**

Goal 39: Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Socialist goals. **(Medical tyranny)**

Goal 40: Discredit the family as an institution. Encourage promiscuity and easy divorce. **(No accountability)**

Goal 41: Emphasize the need to raise children away from negative influence of parents. Attribute prejudices, mental block and retarding of children to the suppressive influence of parents. **(Feed the rebellious nature of children, support rude and disrespectful practices)**

Goal 42: Create the impression that violence and insurrection are legitimate aspects of the American tradition that students and special interest groups should rise up and use (united force) to solve economic, political or special problems.

(Create a victim mindset and convey violence as the answer) (BLM, antifa)

All 45 of these goals were included in the congressional record in Florida **on January 10, 1963**. Our governing bodies have been aware of this threat for some time. The problem here is our government doesn't work for us. They have wittingly or unwittingly teamed up with the evil one. These 45 goals of communism are simply instructions that lead to chaos. Chaos leads to destruction. Destruction is victory for the evil one.

founded by Carl Grünberg in 1923 as an adjunct of the University of Frankfurt was the first Marxist-oriented research center known as **The Frankfurt School**. Their 11-point plan to subvert Western Civilization are very similar to the 45 goals of the Communist Party:

1. The creation of racism offenses.
2. Continual change to create confusion.
3. The teaching of sex and deviant sexuality to children.
4. The undermining of schools' and teachers' authority.
5. Huge immigration to destroy identity.
6. The promotion of excessive drinking.
7. The emptying of churches.
8. An unreliable legal system with a bias against victims of crime.
9. Dependency on the state or state benefits.
10. Control and dumbing down of media.
11. Encouraging the breakdown of the family.

The main problem with the topics I address is that we have been so indoctrinated we can't believe the lies are so big and go so deep. We can't accept a few elite families have been able to manipulate the money of virtually every country, create rules and regulations that stifle truth and freedom, and destroy our health and wellbeing. There are bloodline families who believe they are decedents of fallen angels and they are superior to us regular folk who were created from the earth. They believe it is their right and duty to control us. They use disturbing techniques that they have become masters of.

These rulers, our enemies, are obscured and well protected with all the power and resources at their disposal. How are we to fight this battle? Are we commissioned to fight or are we just to stand against evil? The question of the existence of such an enemy must be addressed. Why is he here trying to destroy our souls? As I work through the answer to this question, I want to explore some of the major devices the enemy has used to set us up for deception. The number one warning Jesus gave us was to not be deceived. I am here to proclaim that we have all been living on a lie. The first attack on us, the image of God, was an attack on His Word and the Bible. More directly, an attack on the beginning, the book of Genesis. Our enemy is brilliant. He knew if the Word of God could be discredited most people wouldn't bother with the proper instructions for our lives.

Citing [Makia Freeman](#)'s article, "a defining aspect of Satanism is described as the inversion of everything. Black is white, bad is good, wrong is right. This is why the inverted pentagram is such a popular Satanic symbol. George Orwell touched on this in 1984 when he wrote of the ruling class's propaganda: "War is peace. Freedom is slavery. Ignorance is strength." Even [mind control](#), developed by the Nazis first in Germany and later at the CIA, uses Satanic principles to confuse its victims, by telling them that pain is pleasure and pleasure is pain, and eventually breaking down victims so they can no longer distinguish between the two." <https://www.wakingtimes.com/black-magic-rules-the-world-not-politicians-bankers-or-the-military/>

The **Tavistock Institute** was founded in London in 1946 with the aid of a grant from the [Rockefeller Foundation](#). It is the psychological warfare examination epicenter. Its goals are to control the masses through sophisticated mind control methods. One way this is done is by manipulating popular culture, music for instance, including groups like 'The Beatles'. At this point in time, most of Hollywood has dabbled in the occult and many are full blown witches and get their power from Lucifer. Yes, they have actually performed rituals where they sell their soul for fame and fortune. We have to quit thinking these things don't happen. The evidence is everywhere. [Ambrosia](#) opened a clinic in San Francisco where they offer infusions of young blood plasma to aging stars for \$8,000 a vile. This is just a clean version of what goes on in these dark circles.

Another tactic the Tavistock Institute has developed is the strategy of crisis creation which manipulates the people by creating a problem and then offering a solution that feeds the underlining agenda. They also sponsor sensitivity and diversity groups forcing us into a politically correct, group-think hive-mind. They want us to focus on our differences to such an extreme we begin to hate ourselves and each other. It is now offensive to tell the truth.

MK-Ultra's "mind control" experiments generally centered around behavior modification via electro-shock therapy, hypnosis, polygraphs, radiation, and a variety of drugs, toxins, and chemicals. Including other operations like Project Bluebird and Project Artichoke beginning in the 1950's, run by the Office of Scientific Intelligence, the CIA authorized experiments to be conducted by licensed psychiatrists. The experiments had various purposes, including but not limited to: **creating new identities, inducing amnesia, inserting hypnotic access codes in subjects' minds, creating multiple personalities, and creating false memories.** The research also included placing brain electrodes in people and controlling their behavior from remote transmitters, **administering daily dosages of [LSD-25](#) to children for extended periods of time,** and using electroconvulsive therapy to erase memories.

Regarding another book, *Brave New World*, Aldous Huxley said, "I postulated a substance called Soma, which was a very versatile drug. It would make people feel happy in small doses, it would make them see visions in medium doses, and it would send them to sleep in large doses....this is the pharmacological revolution which is taking place, that we have now powerful mind-changing drugs, which physiologically speaking are almost costless...**if you want to preserve your power indefinitely, you have to get the consent of the ruled, and this they will do partly by drugs** as I foresaw in *Brave New World*..." Why do you think we have protected the poppy fields in foreign countries for so long?

Huxley also disclosed the ruling party felt it necessary to disturb the natural thought development of man by editing his subliminal thoughts so that passion instead of practicality would control him. Huxley predicted enhanced methods of propaganda would be used to influence the minds of men. The masses would be dumbed down and subdued by pharmakeia and propaganda.

Presently, over 10 percent of the American populous regularly take antidepressants. In 2015–2018, **10.7% of U.S. adults** used one or more prescription pain medications in the past 30 days. The happy pill is a critical tenet of manipulation in order for people to love their slavery. I would add that this percentage is skyrocketing due to the trials of this covid age.

The use of substances to invoke mind altering states is another device and is known as Pharmakeia in the Bible. This practice includes magic, sorcery, witchcraft, enchantment and drugs often found in connection to the deceptions and seductions of idolatry. These types of activities are part of a sex/death cult derived from the ancient Babylonian religions and still exist in today. (Basically, in this system, the snake, or whatever the creature was in the garden of Eden, is the hero by enlightening Eve and should be worshiped.)

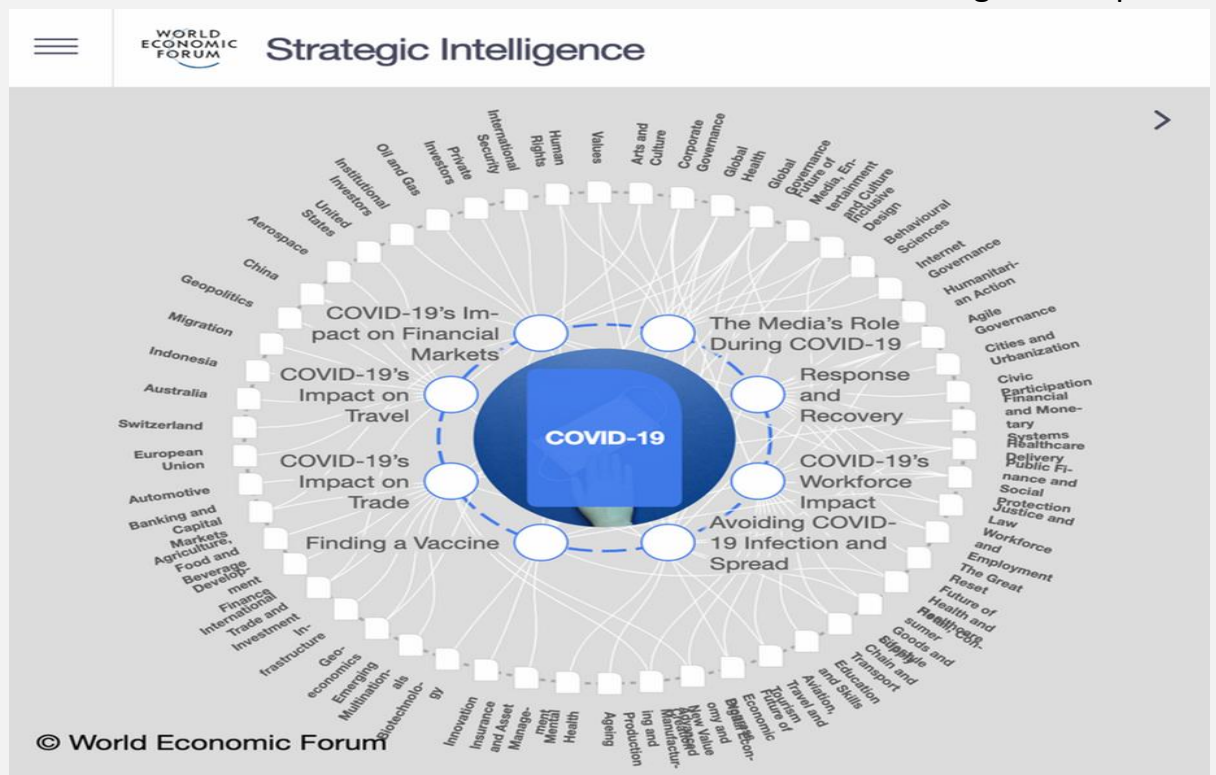

The evil one has found his way in to everything. After this event in the garden resulting in a separation of man from his creator, the evil doesn't stop. Later in the biblical account we see

the angels of Genesis 6 and human women altering the genome of man and creating a whole new race. In either instance, In the garden when God mentions the seed of the serpent, or in Genesis 6 where the giants were created, there is a religious belief system in which the decedents of these entities have a right to rule over the rest of us. They get their power from the god of this world, not the true creator GOD.

The Rockefeller family bloodline believes they are of this elite class and uses **The Rockefeller Foundation** to help fund the New World Order (NWO) Global Government. They play out scenarios and war games in a brilliant scheme of **predictive programming**. In the 2010 Rockefeller "Lock Step" Document, the report titled **Scenarios for the Future of Technology and International Development** stated goals like creating “a world of tighter top-down government control and more authoritarian leadership, with limited innovation and growing citizen pushback.” “A world in which highly coordinated and successful strategies emerge for addressing both urgent and entrenched worldwide issues... An economically unstable and shock-prone world in which governments weaken, criminals thrive, and dangerous innovations emerge... An economically depressed world in which individuals and communities develop localized, makeshift solutions to a growing set of problems.” The "Lock Step" scenario depicts a coronavirus-like pandemic that becomes the cause for police-state commands on all areas of society. **“Remove such obstacles as ‘individual rights’ and you have a recipe for surviving, even thriving in the event of a pandemic”, the Foundation states.**

From this website, <https://intelligence.weforum.org/topics>, we can see how the World Economic Forum can use almost any sphere of influence to lead to a one world governing system. These interactive wheels are used with hundreds of different interchangeable topics

as the center of the wheel. The event or crisis in the center of the wheel is of little importance, anything can be used as a reason for people, corporations, governments

etc. to perpetuate resources to aid the agenda, which could be thought of as The Great Reset; a New World order. For example, by signing up you have access to these interactive wheels, like the one below. Select the area of influence as the center of the wheel and the “spokes” lead to links with detailed information on how to exploit pressure over the targeted area of influence. Today we are seeing the employment part of the wheel coercing their employees to get an unapproved RNA gene editing shot. The only reason they can call it a vaccine is because the definition of a vaccine was changed by the medical spoke of the wheel as recently as last year. I would suggest taking a look at this site so you can see for yourself how intricate this devilish device is.

All of the secret societies and shadow governments are devices of the devil. They may have different missions but they are all moving to the same endgame. It doesn't really matter if each individual sect understands how they are contributing to this New World Order. **The versatility of this method and device can scam even the most loving people into doing evil.** As an example, under the banner of tolerance, we are being lead down a terrifying path of sexual derangement and pedophilia. Thus, a teardown of morality on a massive scale, which leads to chaos where the elite rulers can gain maximum control. The devil always tries to copy God, Yahweh. In Genesis, God hovered over the face of the deep and brought order to the chaos. This is the mantra of these elites; “order out of chaos.”

We are experiencing this great scheme through many agencies. A notable one is the relatively new tag team called ESG which stands for **Environmental, Social, and Governance**. By combining the climate change agenda with financing, along with reward and restriction mandates, the power of the global governing authorities in every country will form a lockstep scheme where the few are able to control the populations of the world for the sake of saving the planet. They will use any means necessary to control us.

As humans, we are experiencing life on this physical plane where a spiritual battle is manifested. The general population believes that the governing bodies are truthful and trustworthy. However, there is a fraction of the population that has become quite skeptical of anyone in government and the entities they partner with. A portion of these skeptics are well aware of the spiritual battle taking place. We are frustrated with the government lies and the weakness of people who claim to believe in Jesus the Messiah as the creator of everything. The true church should be united together against the dark forces blinding the eyes and corrupting the minds of the people.

However, the church has been targeted by evil since it began. False doctrine and greedy pastors are now the norm. The invisible divider between the Old and New Testaments makes

it easy for our adversary to manipulate and hide the truths that should be revealed to the church.

So, my question is, why would the all-powerful, all knowing, omnipresent Creator of everything breath the breath of life into such a worthy adversary? I would imagine that the enlightened among us would laugh and see this as an immature question. But who are these gods of ground zero, the saboteurs, the giants...the fallen angels, these heroes of mythology and the evil spirits of Babylon? Are they all one entity? Are they one group of bloodline families holding all the ancient truths under a veil and leading humanity off a cliff?

Keeping in line with the creation story, we have to entertain the possibility that there are two different accounts taking place. Two separate falls, if you will. We may need to accept that the garden of God, the garden of Eden, and paradise are connected but not the same. There are some extra biblical accounts that explain that all souls were created at the same time and some have to endure a mortal existence in order to move past questioning Yahweh's authority. For instance, 1/3 of the sons of GOD fell or rebelled, 1/3 believed in the Creator being all powerful and righteous, 1/3 were unsure, on the fence; if you like that term. That final 1/3 of the angels were not going to be allowed to be unsure, so God used the creation to provide a physical existence where we are given the chance to repent and return to Him. I can only develop this hypothesis by using our Bible and the Ethiopian Bible which includes the book of Enoch, Jasher, Jubilees and more. This was our bible up until 1611. In 1666 it was even further diminished.

Some books that got excluded are 1Esdras, 2 Esdras, The Book of Tobit, Jasher, Enoch, The Book of Susanna, Additions to Esther, The Book of Judith, Wisdom of Solomon, Ecclesiasticus, Baruch, The Epistle of Jeremiah, The Prayer of Azariah, Bel and the Dragon, Prayer of Manasses, 1 Maccabees, 2 Maccabees, Book the giants, Book of Jubilees, Gospel of Philip, and the Gospel of Mary. Many hidden writings were found among the dead sea scrolls along with a calendar used by a break off sect, known as the Essenes who disagreed with what the religious leaders at the time were doing in ancient Israel.

The Essenes were a dissenting group of priests and their followers who broke away from the Temple hierarchy during the Maccabean reign, circa 135 B.C. They withdrew to the desert to "prepare the Way of the Lord". **They were an expectant group who knew the signs of the times and were looking for the Messiah.** They had modest groups of believers all across Israel and Judea. They continued as a resistance to the priestly order until their end in 68 A.D. They dedicated their time to copying and protecting sacred texts. They stored the scrolls in the caves at Qumran before Romans destroyed their settlement in A.D. 68. Many believe they followed the great commission of their Messiah and brought the gospel to other communities.

The Dead Sea Scrolls include over 800 documents made of animal skin, papyrus and even forged copper. These writings deepen our understanding of the Bible. Amid the texts are portions of every book of the Hebrew canon. The scrolls also include a collection of formerly unknown hymns, prayers, commentaries, mystical formulas and the earliest version of the Ten Commandments. The majority were written between 200 B.C. and A.D. 66 to 70 which outdid the oldest known Hebrew text by 8 to 11 centuries.

The Septuagint which was written around 300 BC, almost 1000 years older than the Masoretic, the Septuagint is a Greek translation and would be the “bible” of Jesus’s time. When he quoted scripture, it would be from this translation. The Septuagint has been proved to represent another Hebrew tradition that is older than the Masoretic. Among scholars, the reliability of the Septuagint has risen above the Masoretic. Also, the Septuagint is preferred to the Masoretic text which has been altered in order to obscure the Messianic prophecy.

The religious scholars of the days of Jesus wanted to hide who the Messiah was because if the Son of God was on the scene, they would lose all their power and influence. Many of the religious leaders of the day were usurpers of the priesthood. This helps to explain why John the Baptist was in the wilderness. His father Zachariah was murdered and the unrighteous leaders appointed ungodly men to the priesthood. Jesus declares this, *“from the blood of righteous Abel to the blood of Zechariah, son of Berechiah, whom you murdered between the temple and the altar.” (Matthew 23:31–35)*

I should also mention that Jesus referred to them, (the religious scholars of the day), as a brood of vipers. If anyone doesn’t know, vipers tear the mother open when being birthed. This aligns with the Genesis 6 controversy. The women who bore giants either died because the babies were too big or the mothers had to have someone who could perform a cesarean delivery. These mothers were beguiled by the angels and had relations with them that resulted in an unsanctioned race. The children are known as giants, the mighty men of old. Many of the stories of Greek “mythology” are these supernatural beings. Once they die, their energy, or spirits have nowhere to go. They infiltrate humans, and are known in the present day as demons. On several accounts, Jesus himself dealt with them.

It may be possible we all have one of these demons whispering to us from one shoulder, and our conscious whispering to us from the other shoulder. Yes, just like the old-time cartoons portray. Which entity will win? Very simply put, which ever one you decide to feed. If you decide to feed the lie, the devil wins. If you decide to feed the truth, you will win by knowing the savior of this world, Jesus the Messiah. Did you know the name Jesus is a play on the word salvation? Also, the word for Satan is a play on the word for accuser. Ha Satan, the accuser, wants to entrap us so he can claim our souls for destruction. Jesus is our legal

defense team in the courts. You better get to know him, The Savior, he can save us from our wicked deeds.

Remember all have sinned and fall short of the glory of God. Even Jesus said only God is good. The rest of us have work to do. Not that we can earn salvation, but earn a better responsibility in The Kingdome. Many of the parables Jesus spoke about were pertaining to the Kingdome of Heaven. These parables would explain how there was a separation between believers and non-believers, and a further separation among believers. Some of us will make it in with our hindside on fire! Some of us will make it in with many crowns. Remember, the opportunity for a higher status in the millennium is determined by our works on this earth. I am only speaking to those of us who have been granted of the knowledge of our Creator.

There are many who do not enjoy such knowledge. I would think God has a better purpose for them. Particularly the aborted, abused, and abandoned. Could you imagine the joy these spirits would bring in the millennial Kingdome? Hundreds of thousands of babies and neglected children will be brought up in a place of perfect protection, glorious joy, unfailing instruction and unhindered healing. Perhaps those who never had a chance in this world are brought in among the nations and given a chance to receive the gift of eternal life. They will have a chance at the end of the millennium to be deceived if they want to deny the Son of God when Satan is released one last time. However, after being raised in an almost perfect world, I doubt Satan will have many partakers in his deception.

So, what actually happens to the souls of us who occupy this plane of existence currently. From what my little brain can discern, we are resurrected with white garments and become a part of the New Jerusalem with our rewards assigned to us in respect to our deeds here on Earth; or we remain in Sheol until the end of the Millennial Kingdom and are brought forth for the Great White Throne Judgement. I think the righteous souls who were in Sheol (Paradise, or Abraham's bosom) when Jesus was crucified, were freed and ascended to God the Father as First Fruits. The unrighteous souls remain in Sheol still.

The souls of the believers who have died are in Paradise. I do not know if Paradise is above or below the earth. Before Jesus died it was definitely apart of Sheol. When the bible says Jesus took captivity captive, it could mean He brought all of Paradise into the presence of the Godhead YHWH. However, I believe the dead in Christ are in Paradise below because of 1 Thessalonians 4:13-18 (KJV); "and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words." I don't think it really matters where Paradise physically is. This is not a salvational issue.

The issues we must get right are the ones evil wants to confuse us with. Non-salvational issues evil uses to divide believers so we won't even fellowship with or help other believers because of a difference in doctrine. Obviously, Satan doesn't bother with people who are lost in sin. I think he enjoys watching them destroy themselves. However, he frequently attacks believers in The Messiah and our heavenly Father. Satan has taken over every aspect of the world system, including the churches.

I believe Jesus explained this to us in a parable. He prophesied the corruption that would take place in the future as well as portraying what had happened to the Jewish religious system. ***"The kingdom of heaven is like a mustard seed, which a man took and planted in his field. Though it is the smallest of all seeds, yet when it grows, it is the largest of garden plants and becomes a tree, so that the birds come and perch in its branches"*** ([Matthew 13:31–32](#)). Let's evaluate this from scripture. The "mustard seed" was one of the smallest seeds known to the Jewish community and represents the truth of our Creator and his instructions for living righteously. "A man" could be any believer who speaks the truth, specifically, Jesus or the Father. "Planted in his field" shows a sense of ownership and responsibility to nourish what was planted. To portray this as the "largest of garden plants", could implicate the smallest truth being spoken which has the ability to lead people to their purpose in this physical life-realm. "Becomes a tree" could represent an ecosystem that sustains life, an establishment meant for good. "The birds" represent Satan. In almost every portrayal of "birds" they are either plucking up the seed or eating the remains of the wicked. This is purposefully differentiated from specific species of birds like sparrows or doves. Finally, to "perch in its branches", meaning to live in or take ownership or residence of.

I believe this parable is revealing that the enemy will infiltrate our sacred spaces. Allow me to translate what our Messiah was revealing. The kingdom of heaven will divide those who claim to be believers. He will use the truth to be put into the hearts of men. Upon the knowledge and acceptance of the truth, a platform will be allowed. Unfortunately, Satan will overtake the platform (perch in its branches). Our churches have been overtaken with the rituals and the traditions of men. Not only have most preachers been compromised, but the truth is not being spoken.

Jesus warns us about our fate in many parables. This is Matthew 13:47-50 ***Once again, the kingdom of heaven is like a net that was let down into the lake and caught all kinds of fish. When it was full, the fishermen pulled it up on the shore. Then they sat down and collected the good fish in baskets, but threw the bad away. This is how it will be at the end of the age. The angels will come and separate the wicked from the righteous and throw them into the blazing furnace, where there will be weeping and gnashing of teeth.***

There is a judgement coming for us all. However, in our churches we have been taught that there is no need to live righteously because Jesus paid for our sin and he loves us. Everyone wants John 3:16 with no strings attached. We've been sold a cheap salvation that won't save our souls. Knowing the Truth will. ***"But unto them that are contentious, and do not obey the truth, but obey unrighteousness, indignation and wrath,⁹ Tribulation and anguish, upon every soul of man that doeth evil, of the Jew first, and also of the Gentile"; Romans 2: 8-9***

If you believe in a cheap salvation, you have bought the lie Satan in selling.

Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.²² Professing themselves to be wise, they became fools,... Romans 1: 21-22

God the creator is evident in our existence. When we pretend to know better than the one who actually created us it leads to great sin and even a foolish insanity.

And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. Romans 1:23

For our own convenience, we turn God into what we think he should be.

Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves: Romans 1:24

In turn, God gives us up to our fallen nature and we commit even darker sin.

And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Romans 1:28

A reprobate mind will allow all kinds of lawlessness. Then this happens;

Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,³⁰ Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents,³¹ Without understanding, covenant breakers, without natural affection, implacable, unmerciful:³² Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them. Romans 1:29-32

Romans 1 describes the cycle to insanity; denying God, creating our own rules, allowing lawlessness, and eventually we are unable to see any truths. We live in a state of darkness and will fight anything or anyone who brings truth.

By selling us a cheap salvation, Satan can twist scripture to make it say anything we want it to say. Here are a few things Christians believe:

- *Jesus was a great teacher, but he was not God. 38% agreed or were unsure
- * Everyone sins a little, but most people are good by nature. 46% agree
- * God accepts the worship of all religions, including Christianity, Judaism, and Islam. 42% agree
- * Gender identity is a matter of choice. 30% agree

<https://thestateoftheology.com/>

- *Belief in absolute standards for right and wrong. 38% agree
- *Abortion should be legal in most cases. 45% agree
- *Homosexuality should be accepted. 54%
- *In favor of same sex marriage. 44%

<https://www.pewforum.org/religious-landscape-study/christians/christian/>

The Christian apologist Frank Turek recently said, “Some people call themselves progressive Christians when they’re neither progressive nor Christian because they disagree with [Jesus](#) on several significant issues. They disagree with [Jesus](#) on sex. They disagree with [Jesus](#) on the Bible. They disagree with [Jesus](#) on Heaven and Hell. They disagree with [Jesus](#) on [his](#) atonement. So, why would they call themselves a Christian?”

Have we been fooled? Deceived? Have we forsaken the one true God for a version that evolves with the trends of the day? Have we allowed the translators and the preachers to tell us what the Bible says? Have we accepted a cheap version of salvation so we can continue to love our sin and be controlled by our flesh? You better believe it! Isaiah and Timothy have something to say about this.

They say to the seers, "Stop seeing visions!" and to the prophets, "Do not prophesy to us the truth! Speak to us pleasant words; prophesy illusions. Isaiah 30:10

Preach the word; be prepared in season and out of season; reprove, rebuke, and encourage with every form of patient instruction. **3**[For the time will come when men will not tolerate sound doctrine, but with itching ears they will gather around themselves teachers to suit their own desires.](#) **4**So they will turn their ears away from the truth and turn aside to myths.... 2 Timothy 4:2-4

I would like to introduce now, what I believe are the two biggest scams being played out. Remember the deception Jesus spoke about. These lies are so big and go back so far, most people won't be able to digest the truth. We have been indoctrinated from birth and it is so we will believe the even bigger deception that is coming. However, if we start to investigate these next two topics, we will be able to discern the times we are in. We will see past the headlines and talking heads all shouting lies in unison. We will be calm in the storm and brave in the face of death because we know the truth. I'm not talking about the way the powers that be control both Democrats and Republicans. I'm not talking about how they create money out of thin air. I'm not talking about how they use communism and capitalism both in their favor. We all know they do these things.

I'm going to cover the second attack to the creation model first. Our little moldable minds were told from the beginning of our education we came from rocks and water and millions of years. Just ignore the law of entropy (In simple terms, left to itself, everything in the universe moves toward disorder and decay; metal rusts, food rots, the body deteriorates), biogenesis (That is, life does not spontaneously arise from non-living material, which was the position held by [spontaneous generation](#)), conscientiousness, DNA, etc. I want to proclaim that science and faith are not enemies. Our coded DNA proves a designer of the universe. Yet we are told to believe nothing exploded and created everything so complex we can't even fathom it.

The fossil record is an embarrassment for the theory of evolution. Darwin's theories are a philosophy, not any kind of science. Biologist Michael Behe refers to the cell as a molecular machine and uses Darwin's pass-fail test to conclude "Darwin's theory has absolutely broken down". I'm speaking to the beautiful people of God; you did not come from a monkey. You are a divine creation of Yahweh. You are reading this for a reason. Learn the truth. I will include links and resource material if this is a stumbling block for you.

Have you seen the picture of the young woman, that could be seen as an old witch? It's a great example of how two different concepts can be portrayed in one image.

If you see the witch, make her mouth to be a necklace, then you will see a young woman looking away from you. If you see a young woman, make her ear an eye, and you will see a witch profile complete with a wart on her nose.

Try to accept the possibility that the theories introduced can be seen in different ways. If one wants to believe the lie, the picture is complete. However, if another questions the lie, the picture is complete. The plain truth is even the most adamant evolutionist have jumped from evolution to divine design. They may give the credit to aliens, but they can't deny the impossibility of evolution due to the transition of a species through mutations. There is no evidence in the fossil record leading from any missing link transitioning into something more evolved.

An evangelical scholar named William Dembski, who holds a Ph.D. in mathematics and philosophy, has set forth the basic principles whereas scientist can detect design. One of his questions used to invoke thought is "How could we ever distinguish a random piece of stone from an arrowhead accept by appealing to the purposes of primitive artisans?" Basically, this question is meant to make one see the purposeful design in events or objects that could not have occurred by chance. In other words, a rock cannot become an arrowhead due to natural occurrences like erosion.

I feel it necessary to address those proclaiming that the evidence in the fossil record proves evolution. This claim is now bankrupt. Contrary to this debunked claim, is the reality of Darwin's "black box", the cell. Darwin stated this problem perfectly when he said, "If it could be demonstrated that any complex organ existed which could not possibly have been formed by numerous, successive, slight modifications, my theory would absolutely break down." The cell is no longer a mysterious black box, thought of by Darwin to be of little significance and little complication. We now know the cell is full of extremely complex systems. Biochemist Michael Behe points out that not even one scientist has published any explanation of evolution through a complex biochemical system. Furthermore, the so-called missing links, like Lucy, have been thoroughly discredited. In fact, there is not one instance of any species gaining information in their DNA code, quite the opposite. Each generation has more mutations resulting in loss of DNA data.

Let's move on. Let's now look at the creation account of humans being made male and female. The fact that the different sexes are evident and required for survival of the species debunks evolution. Most animals require a female's egg to be impregnated with a male's sperm in order to produce offspring (parthenogenesis being a rare kind of virgin birth recorded in insects, fish and reptiles; but because mammals, including human beings, require certain genes to come from sperm, [mammals are incapable of parthenogenesis](#)).

Evolution can't even explain the need for a reproductive system if life just keeps evolving from nothing. However, the point I want to make has to do with the attack on our sexuality. Our enemy has confused our roles in the family and in the society. As a matter of fact, he has made it acceptable, even preferable, to claim you're something you're not.

It is really simple, if you're a male and claim to be female or vice-versa, you are the one confused, NOT GOD! First of all, He doesn't make junk. You were meant to enjoy children in a natural way. I will concede the fact that babies in the womb are subjected to abnormalities. Perhaps males did not get the testosterone required, or females got too much testosterone or not enough estrogen. I'm sure the enemy has found many ways to confuse us even before we are born. We cannot use this device, meant to deceive us, as an excuse to do what thou wilt.

For all of us confused about our sexuality, we must realize our biological processes were abducted by the enemy. The other possibility is that we were sexually abused as a child. There are several different outcomes in that reality. Yet another factor could be the absence of the proper roles of a mother and father. For example, if a male grows up without a strong male figure in his life, or an overwhelming female, he may equate power with feminism. Because the male essence understands power as a currency, if he has to be feminine to get power then his true sexual alignment gets corrupted. On the flip side of this coin, the female

who finds control, power and safety through a masculine existence, she will fall into this masculine role, perhaps as a defense to the harsh realities of this world. I cannot address all the ways our enemy has infiltrated our male, female chromosome. He has taken our natural love for one another and deceived us to a belief of over 100 different genders. The truth is evident in the fact we can produce offspring only through a male and a female. That is how it was prescribed through our Creator.

I am speaking to the believers of the God of the Bible, Yahweh, The Great I Am. Read your Bible. It will not matter what version because they are all flawed. I am now going to address the biggest lie you have ever been told. The number one attack to the creation story and Biblical cosmology. Remember what the evil one does. He makes you think you evolved from mud and not created for a purpose. His goal is to make you think you are nothing special, flying around infinite space with no direction and no order or accountability. He tells us lies so we think good is bad, black is white, and flat is round. However, one cannot read the creation story and believe it says we are on a globe rotating at 1000 mph at the equator, revolving around a giant sun at 66,600 mph, while our galaxy moves at 43,000 mph., while flying through the universe at 483,000 mph. This kind of speed and movement is incomprehensible. **Stop and think about this for a minute.** So, we are spinning on an axis, revolving around the sun, the sun revolves around the center of the milky way galaxy, and the galaxy revolves around the center of the universe. Did you realize this is what they teach us? How do we see the same stars at night...because they are all moving at the same ridiculous speeds and movements?

A young child is in a special state of existence. They will believe almost anything they are told in a theta brain wave state. Our enemy has overtaken the young minds of us all. Our God explains an enclosed terrarium-like earth in his first book of our Bible. **Just forget all the indoctrination for a moment and understand that if the evil one can make you dismiss the foundation of the word of GOD, what chance do you have to stand against his future deception?**

The dispelling of the globe model is actually easy to do. However, most people won't really look at the truth, even though their Creator God explains our environment entirely different. I will include several links for you to see these proofs and for you to explore on your own. We need to understand the power the enemy has. Just entertain the possibility that the globe, helio-centric model is a lie. A lie designed to discredit the Word of God. A lie designed to make us believe we are only one planet among billions with everything just right for our existence. A lie easily leading to aliens and the coming great deception.

The easiest proof we are not on a ball earth is a Picture from Joshua Nowicki.

Without curvature, how can we be living on a ball? This is not a mirage. A mirage would be upside down. It is not an optical illusion due to atmospheric conditions. Several people have boated across the lake with video cameras running. If this was an optical illusion the vision would disappear then reappear. More investigative proofs are at the end of this booklet, including laser test, proofs showing engineers never account for curvature when building highways, railroads, bridges, etc. Pilots never account for curvature and are instructed to assume a flat nonmoving earth...so does NASA.

Updated: Jun 23, 2019

1. NASA's Reference Publication #1207 entitled *Derivation and Definition of a Linear Aircraft Model* assumes the Earth is flat and not rotating. Produced in August 1988, the publication details obscure concepts such as "Rotational Acceleration" and "Earth-Relative Velocity." Or to a layman, how planes lift off, fly over, and land upon the Earth. Immediately following the cover page and index on the very first line under **Summary** we see this: ***"This report documents the derivation and definition of a linear aircraft model for a rigid aircraft of constant mass flying over a flat, nonrotating Earth."*** The very same line appears again in the Introduction (2nd paragraph), and again under Concluding Remarks (Page 30), and finally, on the Report Document Page (Page 102, Section 16). Here is the link to entire report: https://nasa.gov/centers/dryden/pdf/88104main_H-1391.pdf

And below are 14 more Aeronautic Papers and Technical Memorandums that say the same:

2. American Institute of Aeronautics and Astronautics; *General Equations of Motion for a Damaged Asymmetric Aircraft (Page 2, Section II)* ... *"In this paper, the rigid body equations of motion over a flat non-rotating earth are developed..."* <https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/20070030307.pdf>

3. NASA Technical Memorandum 104330; *Predicted Performance of a Thrust-Enhanced SR-71 Aircraft with an External Payload (Page 8 - Digital Performance Simulation Description)* *"The DPS equations of motion use four assumptions ... a nonrotating Earth."*

https://www.nasa.gov/centers/dryden/pdf/88507main_H-2179.pdf

4. NASA Technical Note: A Method for Reducing The Sensitivity of Optimal Nonlinear Systems to Parameter Uncertainty (Page 12 Problem Statement) ... "(2) A flat, nonrotating Earth"

<https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/19710018599.pdf>

5. NASA Technical Note; Calculation of Wind Compensation for Launching of Unguided Rockets (Page 8 Trajectory Simulation, 2nd Paragraph) ..."this simulation assumes ... the missile position in space is computed relative to a flat nonrotating Earth"

<https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/20040008097.pdf>

6. NASA Technical Paper 2768; User's Manual for LINEAR, a FORTRAN Program to Derive Linear Aircraft Models (Page 12, Program Overview) ... "Within the program, the nonlinear equations of motion include 12 states representing a rigid aircraft flying in a stationary atmosphere over a flat nonrotating Earth"

https://www.nasa.gov/centers/dryden/pdf/88072main_H-1259.pdf

7. NASA Technical Paper 2835; "User's Manual for LINEAR, a FORTRAN Program to Derive Linear Aircraft Models" (Page 1, Summary) AND (Page 126 , Report Documentation Page, Section 16) "The nonlinear equations of motion used are six-degree-of-freedom equations with stationary atmosphere and flat, nonrotating earth assumptions."

<https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/19890007066.pdf>

8. NASA Technical Memorandum; Determination of Angles of Attack and Sideslip from Radar Data and a Roll Stabilized Platform (Page 2, Section 16.) "The method is limited, however, to application where a flat, nonrotating earth may be assumed."

9. NASA Contractor Report 186019; An Aircraft Model for the AIAA Controls Design Challenge (Page 11, Equation of Motion and Atmospheric Model) ... "The nonlinear equations of motion used in this model are general six-degree-of-freedom equations representing the flight dynamics of a rigid aircraft flying in a stationary atmosphere over a flat nonrotating Earth."

https://www.nasa.gov/centers/dryden/pdf/88248main_H-1777.pdf

10. NASA Contractor Report 3073; Investigation of Aircraft Landing in Variable Wind Fields (Page 6, Chapter II - Aircraft Landing Model) ... "The Aircraft trajectory model employed in this study was derived based on the following assumptions: a) The Earth is flat and non-rotating. "

<https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/19790005472.pdf>

11. NASA Technical Memorandum 81238; A Mathematical Model of the CH-53 Helicopter (Page 17, Equations of Motion) .. "The helicopter equations of motion are given in body axes with respect to a flat, nonrotating Earth."

<https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/19810003557.pdf>

12. Engineering Experiment Station, Georgia Institute of Technology, Prepared for NASA; Atmospheric Oscillations (Page 10) ... "A model frequently used is that of a flat, nonrotating earth." ... (next paragraph) ..

"The most one can profitably simplify the problem is to consider an isothermal atmosphere, plane level surface, and a nonrotating Earth."

<https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/19650015408.pdf>

13. NASA Technical Paper 2002-210718; Stability and Control Estimation Flight Test Results for the SR-71 Aircraft With Externally Mounted Experiments (Pages 10-11 Equations of Motion) ... "These equations assume a rigid vehicle and a flat, nonrotating Earth."

https://www.nasa.gov/centers/dryden/pdf/88733main_H-2465.pdf

14. NASA Technical Memorandum 100996; Flight Testing a VSTOL Aircraft to Identify a Full-Envelope Aerodynamic Model (Pages 4-5, State Estimation) ... "For aircraft problems, the state and measurement models together represent the kinematics of a rigid body for describing motion over a flat, nonrotating Earth..."

<https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/19880014378.pdf>

15. NASA Ames Research Center; Singular Arc Time-Optimal Climb Trajectory of Aircraft in a Two-Dimensional Wind Field (Page 2, Section II. Singular Arc Optimal Control) ... "In our minimum time-to-climb problem, the aircraft is modeled as a point mass and the flight trajectory is strictly confined in a vertical plane on a non-rotating, flat Earth."

<https://ntrs.nasa.gov/archive/nasa/casi.ntrs.nasa.gov/20060053337.pdf>

Now we know why we call flying machines airplanes and not airplanets ...

Documenting from <https://www.galileoied.com/post/15-nasa-research-papers-admit-flat-nonrotating>.

Also, none of NASA pictures are real pictures...they are artist rendered images based on data. The most famous photo of the earth taken from the moon was photoshopped before photoshop was invented and available to the public. When this picture is enhanced, there is a square around the earth that shows the image was inserted. The stars and cloud patterns are all copied and pasted onto the official NASA images of earth. Do not believe anything NASA says, even the astronauts are attached to cables to make them look suspended. There have been so many mishaps when the cables are inadvertently revealed, the general public has pointed these out. The team at NASA also uses underwater camera tricks to make it appear like astronauts are on a spacewalk.

People who claim to see the curvature from a plane are also deceived. First, our eyes are convex, the glass you are looking through is convex, all go pro cameras come with a fish-eye lens that makes everything curve. The math dictates one couldn't even see the curvature from an airplane.

We live in an enclosed system. Otherwise, why wouldn't the air just be sucked into space, a vacuum. My 7-month-old granddaughter can suction water through a straw, yet we must believe gravity is so strong it holds all the oceans to a spinning ball moving at incomprehensible speeds. The birds fly, helium rises, clouds hold millions of gallons of water, so why don't we question this spinning ball planet moving at millions of mph? We were lied to in a theta brain wave state so we just accept the absurd. **All your questions will be answered if you try to prove the globe model. That is what happened to me.** In trying to discredit the Bible due to the creation narrative of a flat, non-moving earth, suspended on nothing, with a firmament enclosure and huge ice wall (Antarctica) holding in the massive oceans, I was convinced we were being lied to on a grand scale. You can skip to the last 11 pages to see the flat earth proofs I included.

These two major attacks to the Word of God, the helio-centric model and evolution, must be replaced with a geocentric model (earth centered) and creationism. Have you ever listened to a teaching from the late, great Chuck Missler? He was an amazing man, a rocket scientist, who believed in the Biblical account of an earth centered existence. I would challenge any one reading this, are you smarter than a rocket scientist? Look into flat earth, you will be ashamed and amazed at what you believe. (Just like I was.) Your Creator wants you to find the truth of his creation.

I have illuded to a great deception. Something greater than evolution and the helio-centric model. Remember, the evil one quoted scripture to Jesus. The evil one has had centuries to develop his plan. He knows prophecy and has a good guess at the timeline. He is so proud and arrogant he believes his own lies. He has either convinced himself that he can defeat GOD or that by deceiving people to do evil they will be thrown into the pit with him and that hurts GOD enough to be a dark victory. Look back on what he has focused on. He has made us believe that this remarkable creation was seeded by aliens; earth is just a one in a billion planet that was graced with the presence of a superior being who helped life come into existence. Even the current Pope wants to baptize an alien...or be baptized by them.

Perhaps the doctrine of dispensation is only partially correct, or incorrect. What if the rapture doesn't happen when all theologians say it will, or not at all? What if the scripture evidences we think are referring to the rapture are referring to what happens after the millennial Kingdome? Can you imagine how many will fall away from the faith if they don't get a "get out of tribulation free" card? Would that not make them susceptible to the anti-Christ? The book of revelation says if possible, even the elect would be deceived. We must take the time to discredit the lies the evil one has planted in our theta-brains so we can have no doubt of our LORD in the future.

If we actually do the work, our faith will only be strengthened. We will see how powerful the enemy is and we will know that only the blood of Jesus can save us. Once I truly tried to disprove flat earth and couldn't, I went into depression. This experience seemed like it was ruining my life. This lie was one of the hardest things to overcome, because it made me crazy to the ones I love and insane to the rest of the world. But then I realized if this truth could be uncovered it would lead many people to salvation, JESUS! Take off the blindfold and see His creation.

<https://chuckmissler.com/>

Just an observation regarding the tilt, if the earth was subtracted from a straight up and down 90* right angle, (90* - 23.4*=66.6*) 66.6, known as the anti-Christ number. Indeed, many are deceived by this lie.

Remember what we are taught, we are spinning at 1000mph, rotating at 66,600mpr and flying through our galaxy at 1.3 million mph in an ever expanding universe moving at 150,000mph.

Here is wisdom, let him who hath understanding count the number of the beast for it is the number of a man. Six hundred three score and six.
- Revelations 13:18

29.78 KM/S = 18.50 MILES/SEC
18.50 MILES/SEC X 60 = 1,110 MILES/MIN
1,110 MILES/MIN X 60 = 66,600 MPH

EARTH'S ORBITAL VELOCITY
= 66,600 MPH

WILLIAMS, DAVID. EARTH FACT SHEET. NASA GODDARD SPACE FLIGHT CENTER.

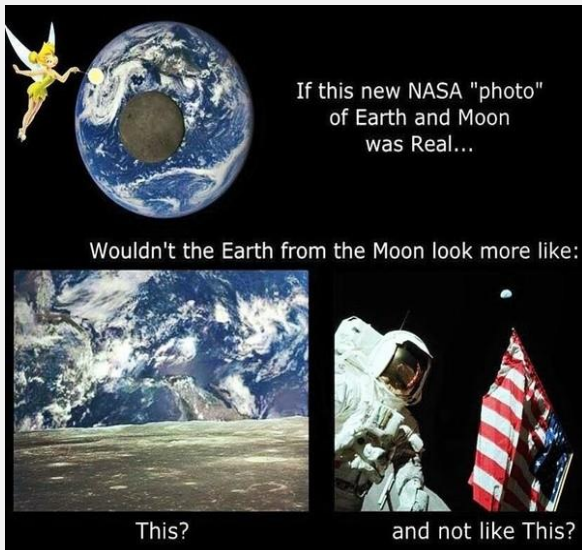

The enemy has some form of legal obligation to tell us what they are doing. They will hide it in movies, or symbols, or numbers. Sometimes they just blatantly tell us, like their objectives reveled on the Georgia Guidestones. Or, for example here with the UN flag mocking us all.

These atmospheric phenomena are explained away by experts in the science community. I think they make things complex and incomprehensible so we don't actually investigate.

Then God said, "Let there be a firmament in the midst of the waters, and let it divide the waters from the waters."

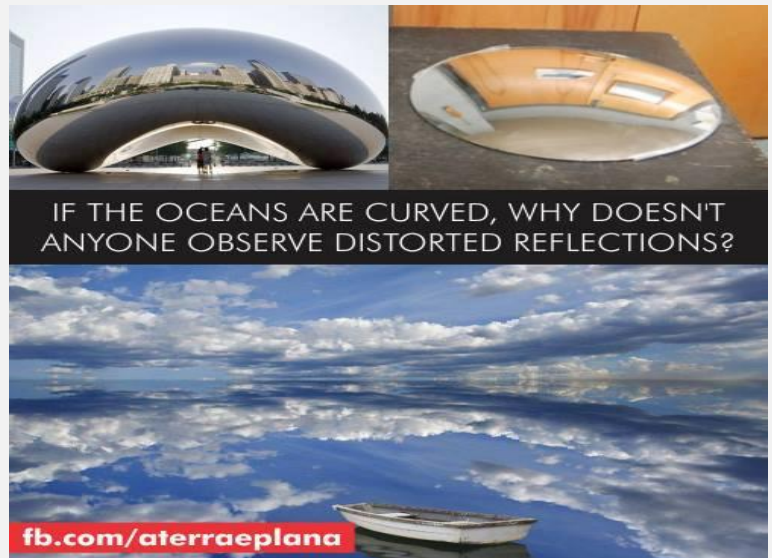

Genesis 1:6

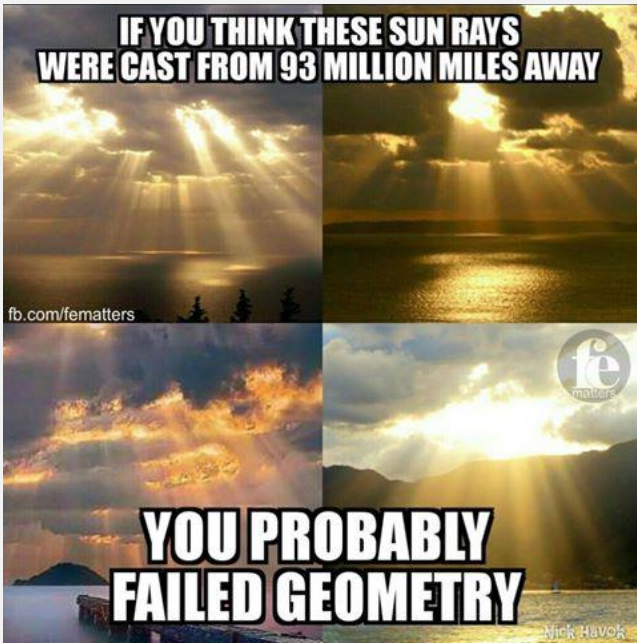

If you pay attention, you'll see NASA always gets the perspectives wrong. This image of the moon moving between the camera and the earth should have the earth much smaller, hidden by the moon.

It is impossible for the water to reflect a perfect mirror image unless it is on a flat surface.

Here is a simple experiment you can do right where are. Get a picture and hold it in the same spot overhead. Face one direction and observe the picture. Then, turn yourself 180 degrees, but keep the picture the same direction. The picture is then up-side down. The moon always faces the same direction, we see it based on our perspective. This only makes sense on a flat, nonmoving plane. Otherwise, we would see the same orientation of the moon (upside up).

Our sun cannot be 93,000,000 miles away and so large 1,000,000 earths could fit inside and have its light come in at such angels. You have to understand how big this lie is. The evil so wants to confound us we can't make sense of our surroundings. The real science is triangulation, and

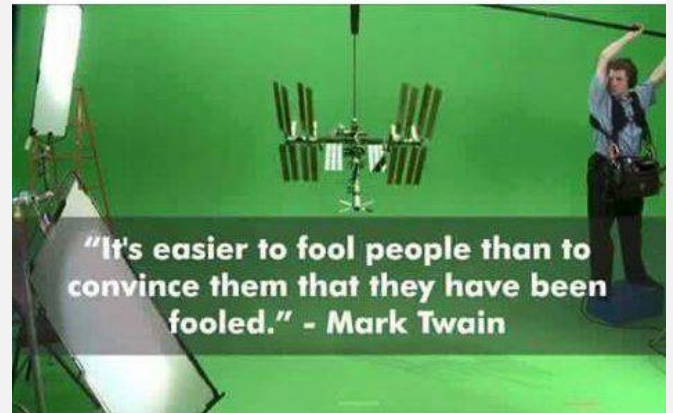

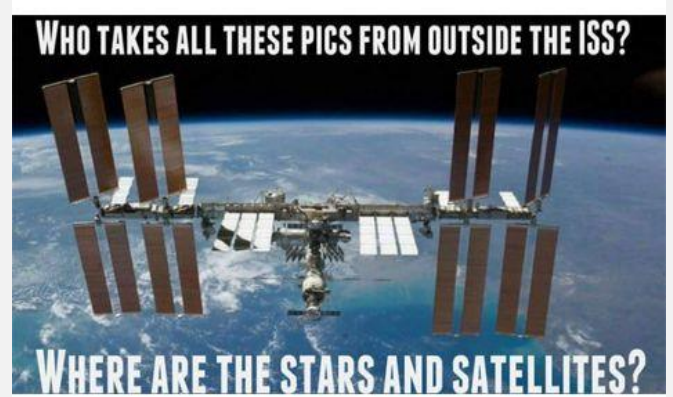

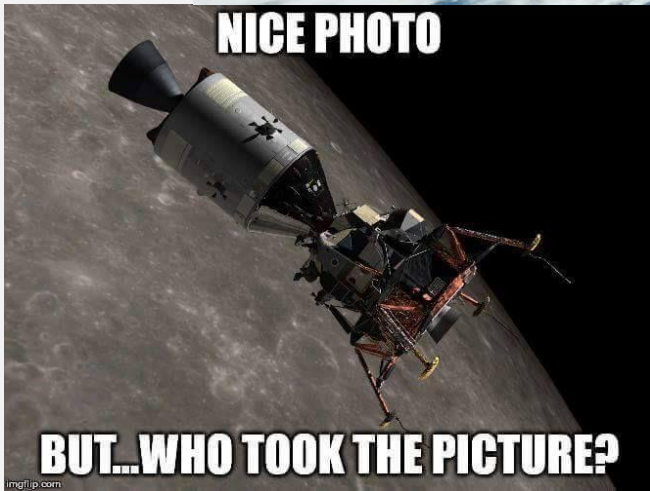

the sun is close.

Did you know Nasa employed over **100,000 companies** to build the space shuttle? I am sure you know someone who had an uncle who made a cushion or something like that. Now you feel invested in the space program and the moon landing, etc. **They get billions of tax payer dollars**

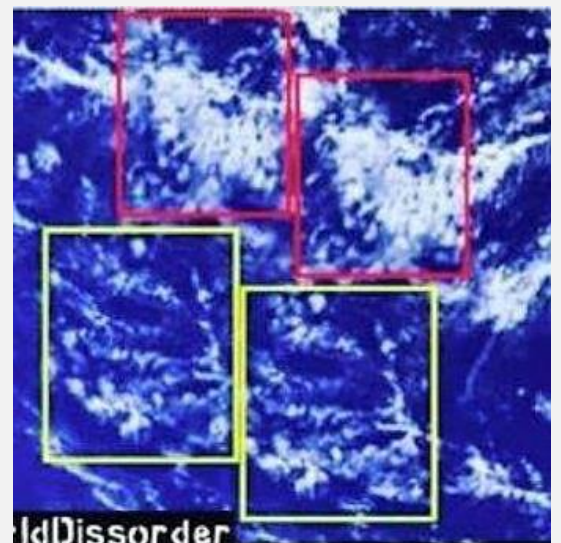

to fool us.

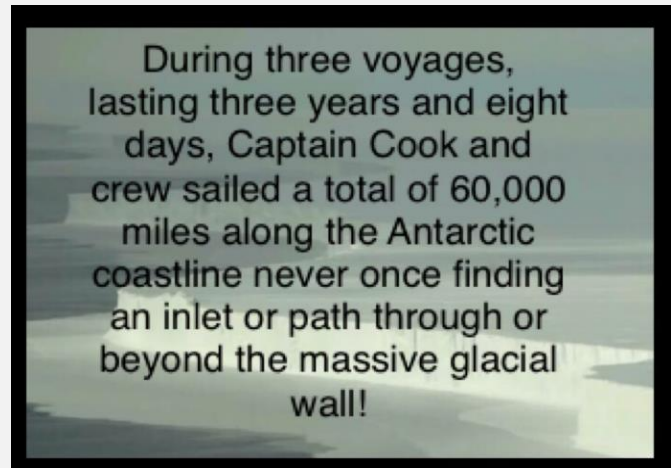

Nasa explanation, according to Robert Simpson (NASA lead data visualizer) satellites in space can only see up to 3% of the earth at a time and therefore must photoshop the pieces together in order to create a whole.

NASA utilizes this excuse to explain the repeated cloud structures and glitches within their provided pictures of the earth, we aren't even seeing true composite images, but an inaccurate puzzle pieced together.

ANTARTICA IS A CIRCULAR ICE WALL, THAT'S WHY YOU CAN'T GO THERE!

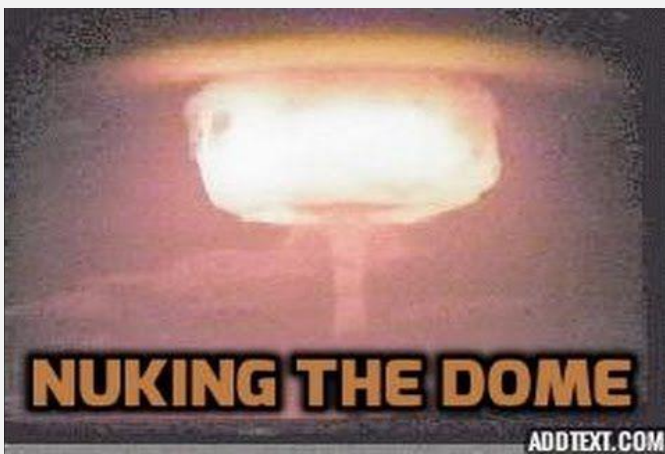

This is why we don't fall off the edge. Antarctica is a circular ice wall that holds all the oceans.

Richard E. Byrd or more commonly known as **Admiral Byrd** was a highly decorated service member achieving the Medal of Honor. He had an unquenchable thirst for exploring the unknown. This drive sent him to Antarctica numerous times, but the one expedition of interest is "Operation HighJump" (1946–1947). For this mission he was supported by the US Navy, giving him plenty of ships, boats, aircraft, and personnel to accomplish his goal. Well, he found something in Antarctica and in an interview gave an account of what he saw. "Strangely enough, there is an area left in the world today an area as big as the United States that's never been seen by a human being." Byrd said he found this area as he moved further into Antarctica and even went on to say, "**It's an untouched reservoir of natural resources**". This isn't the desolate wasteland of ice and snow that we typically think about when we imagine Antarctica, but according to the admiral if you travel far enough inland that is what you'll see. Now unfortunately we cannot trust everything Byrd said as he was a Freemason, but it has been reported that he lost plane after plane due to some invisible barrier. Not too long after this started taking place did the expedition end, six months ahead of schedule mind you.

Admiral Byrd participated in one last mission to Antarctica, “Operation Deep Freeze 1” (1955–1956), it was during this time that the United States set up permanent bases there. Three years after this expedition, The Antarctic Treaty (1959) is created and agreed upon by 12 countries (Today that number is 53). **This treaty makes it illegal for everyday citizens to travel to Antarctica**, sure some cruises will take to you to certain areas, but you will not be able to go exploring on your own. **In fact, people have been arrested and vanished for unauthorized sailing in the arctic waters**, Jarle Andhoy is one such person who was detained after he went searching for the missing Berserk vessel. **Not only is sailing or trekking across Antarctica illegal but you can’t even fly a plane over it. Something interesting to note, no one has ever flown over the South Pole**, you would think someone with enough money would want the title of being the first person to achieve such a feat. But as you and I know it’s impossible to fly over the South Pole, as some of the pilots found out with Admiral Byrd.

Something

is found in Antarctica, most likely the edge of the dome or what the Bible calls the firmament, then the area is shut down and kept by various countries around the world; the treaty of which has never been violated. The next event to occur is “operation fishbowl project Dominic” (1962), translated it reads **fishbowl of the Lord**, a very peculiar name wouldn’t you say? **During this operation, both the United States and the Soviet Union**

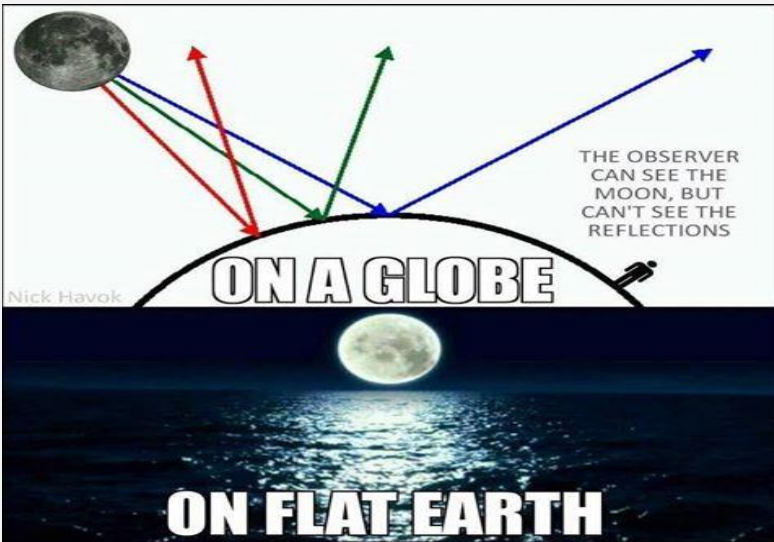

launch nuke after nuke straight up into the sky. Why? Many in the truth community believe they were testing the boundaries of the firmament. Here’s a quote from **Dr. John Mack, Dept. of Defense during operation fishbowl**, “**Nothing has or ever will penetrate the glass dome**”. If you found out you lived inside of an enclosed system, wouldn’t you start testing the boundaries and trying to figure out how far it goes, how high it reaches, and if you can dig underneath it? That’s exactly what the US and Russia did, they even started digging, the deepest hole is **the Kola borehole** and it only goes 8 miles down! Yet in school, we’re taught that scientists know exactly how far it is to the center of the earth and what lies there.

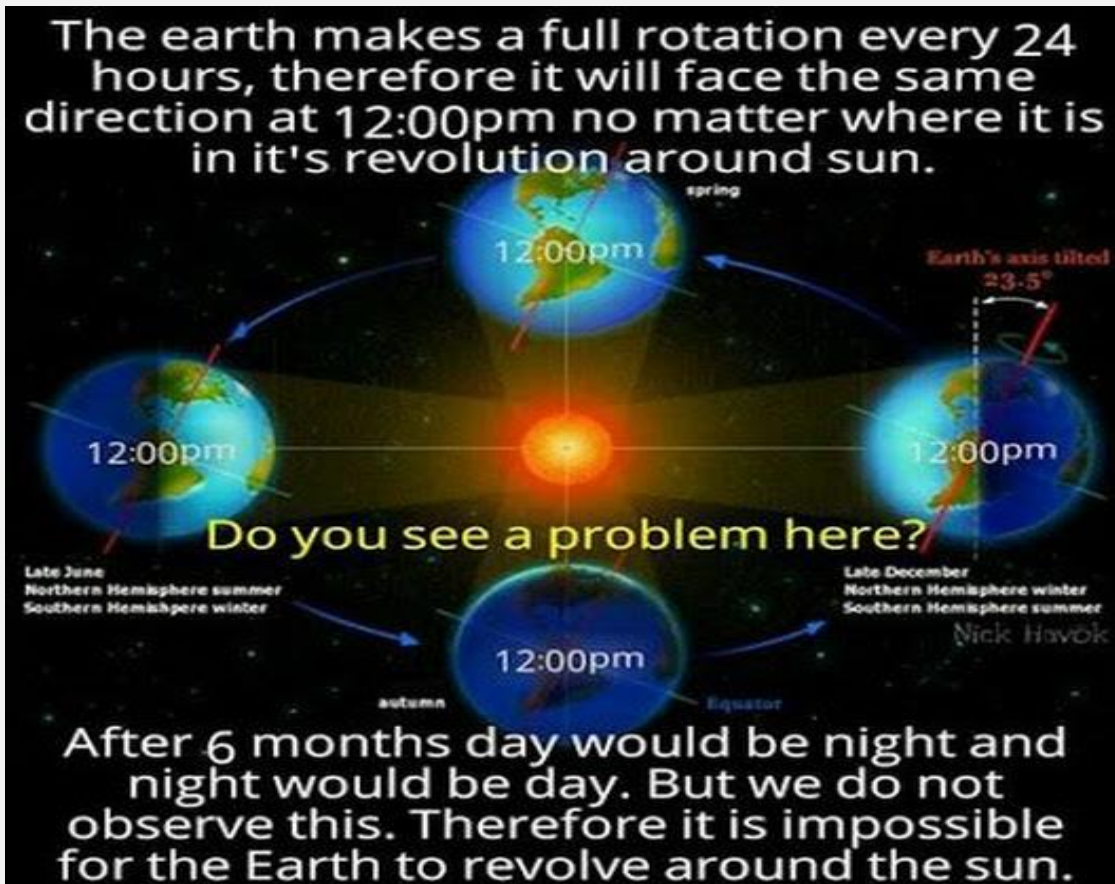

Text regarding Admiral Byrd and The Atlantic treaty used from M.W. Key Sep 14, 2018
<https://www.redpillchristianity.com/post/biblical-cosmology-the-firmament-part-2>

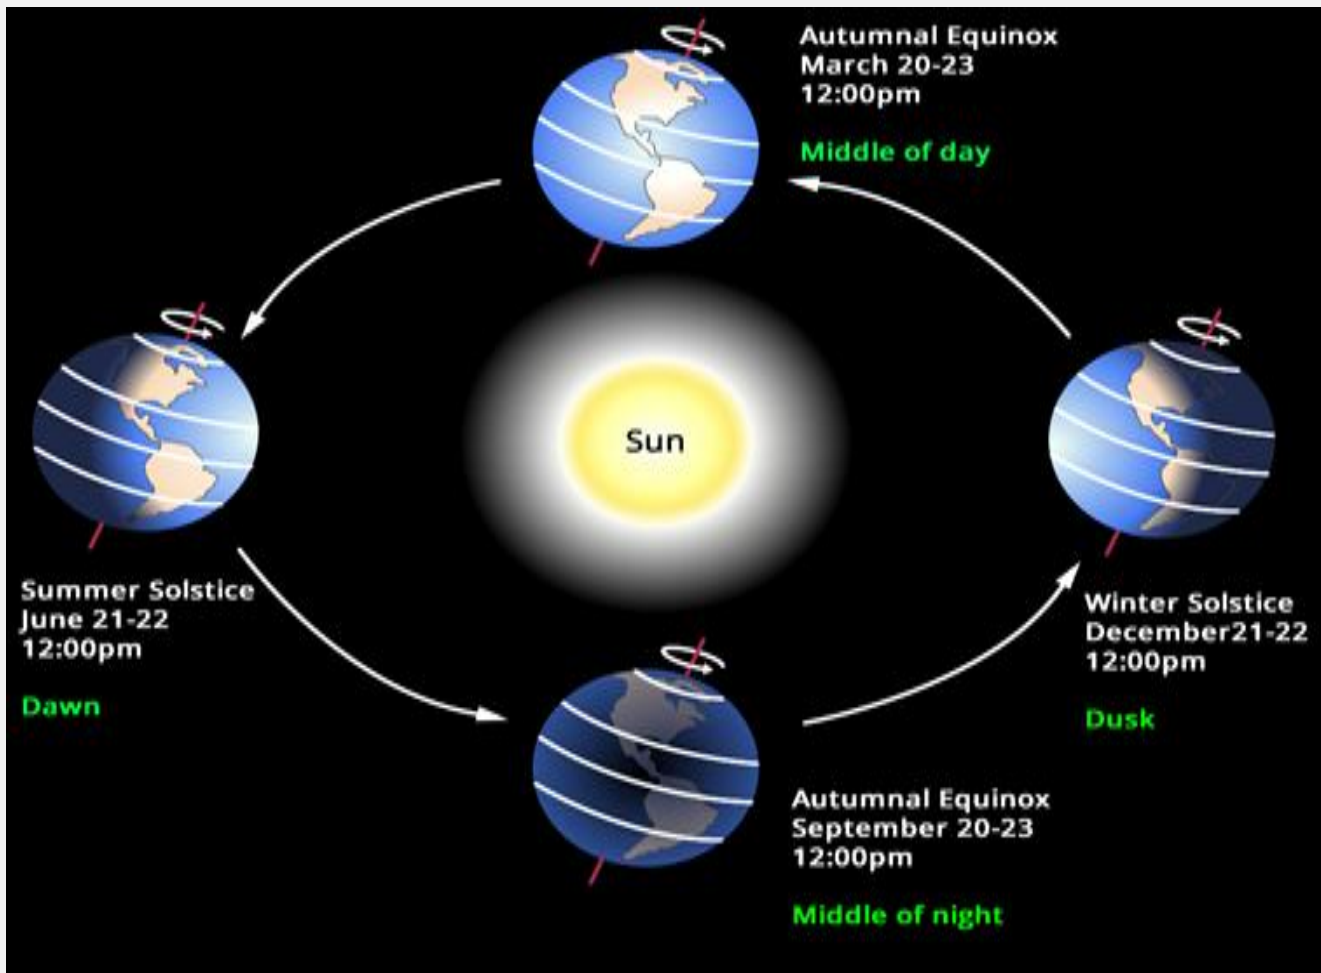

It is He who sits above the circle of the earth, And its inhabitants are like grasshoppers, Who stretches out the heavens like a curtain, And spreads them out like a tent to dwell in.

Isiah 40:42

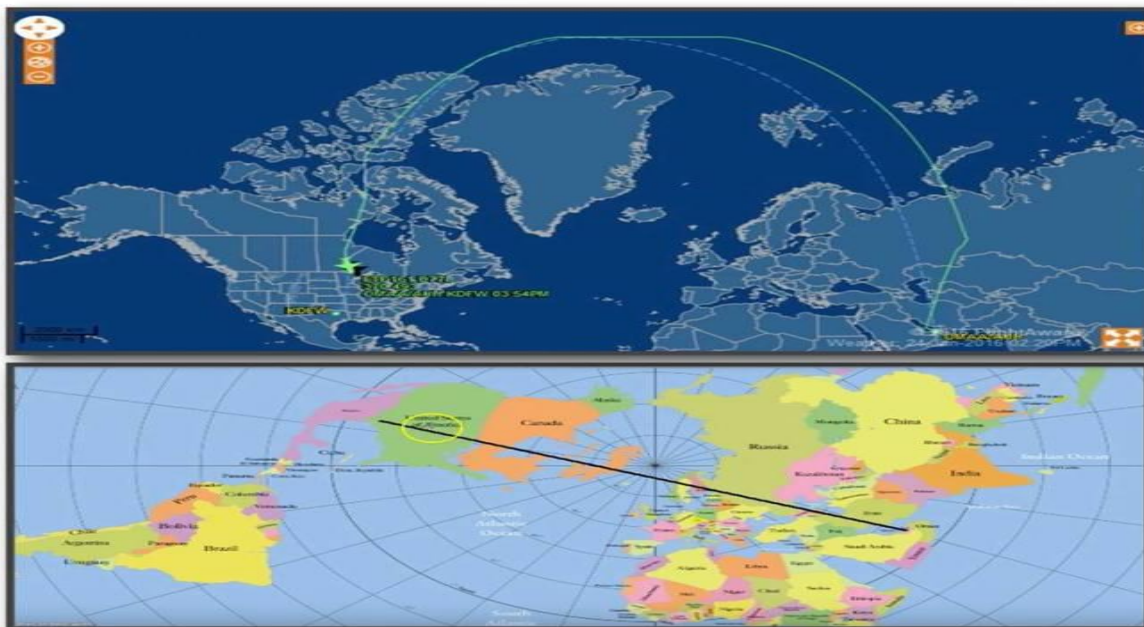

Observe the fact that we can see the reflection of a sunset or sunrise all the way across the water only on a model of a flat surface.

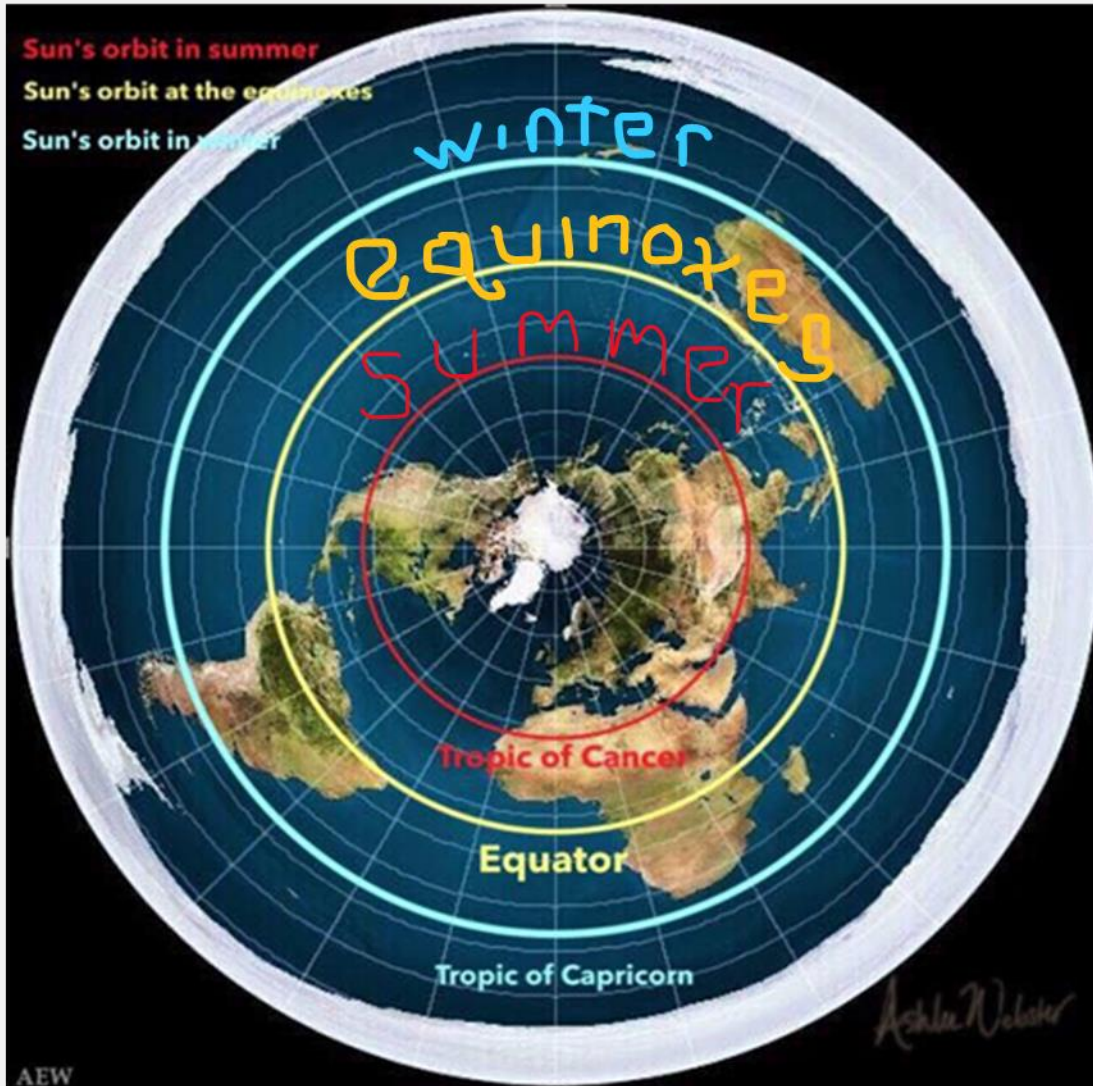

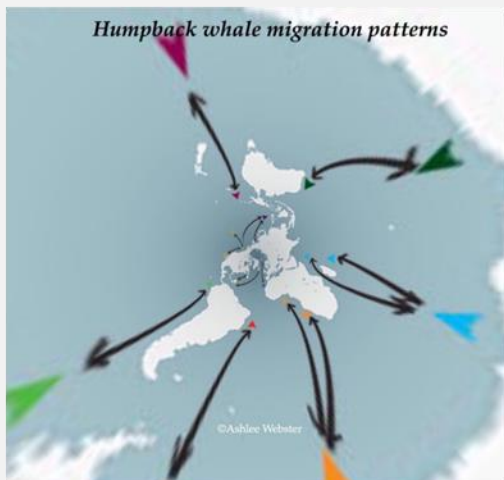

Why don't our clocks have to change by a full 12 hours between Summer and Winter Solstice to account for the fact that we are on the opposite side of the sun?

Abu Dhabi To Ft Worth Texas Global BS Map VS Flat Earth Map

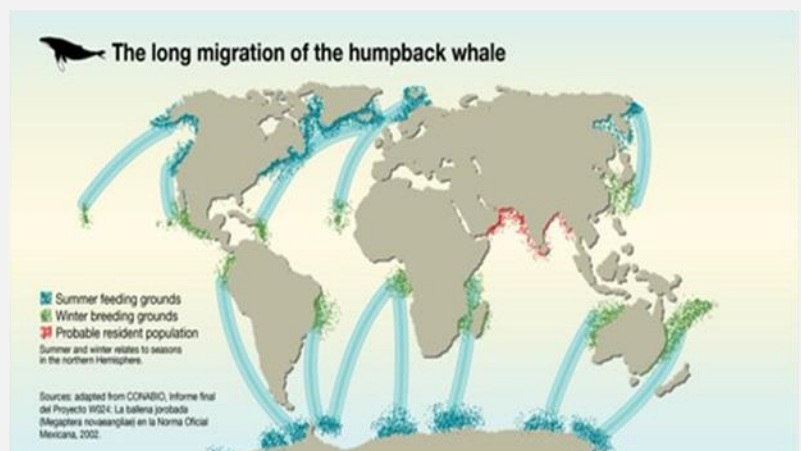

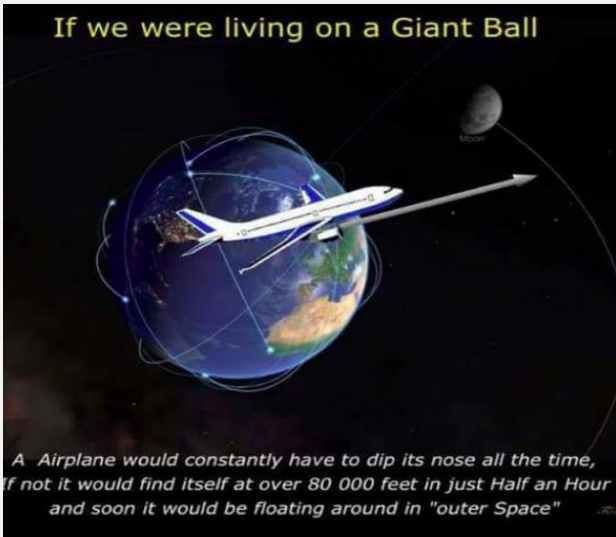

It is very important we understand how the sun's movement works in relation to the seasons. One major visual is to understand the sun follows a spiral path from the center outward, then back to the center. This easily explains why the seasons are opposite in each hemisphere..or hemisplane, if you will!

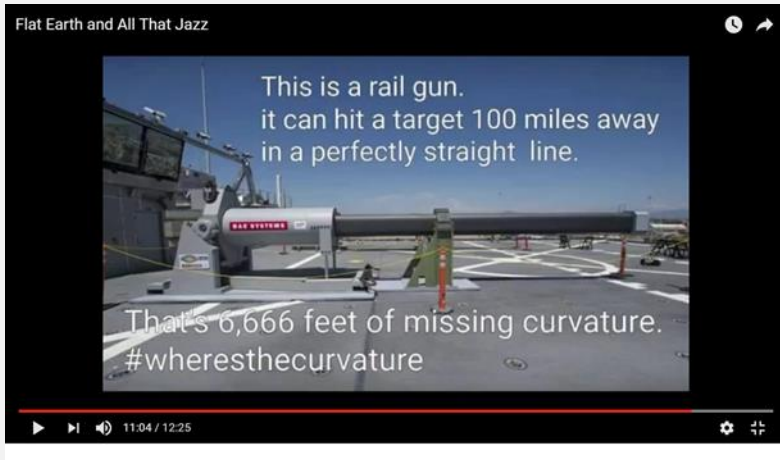

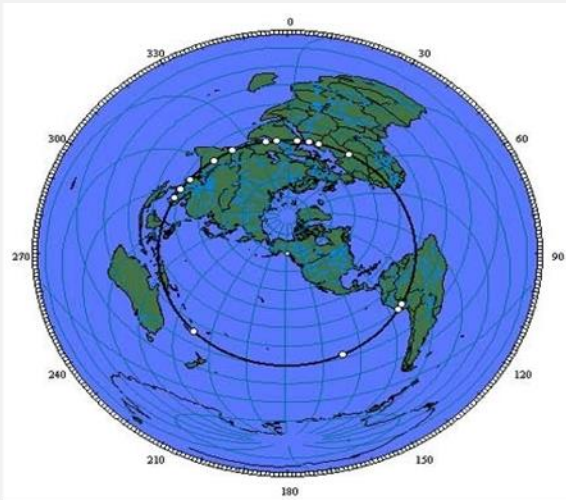

I inserted this graphic to show how much sense in makes for migration patterns. Notice how the pattern works on both models of the earth.

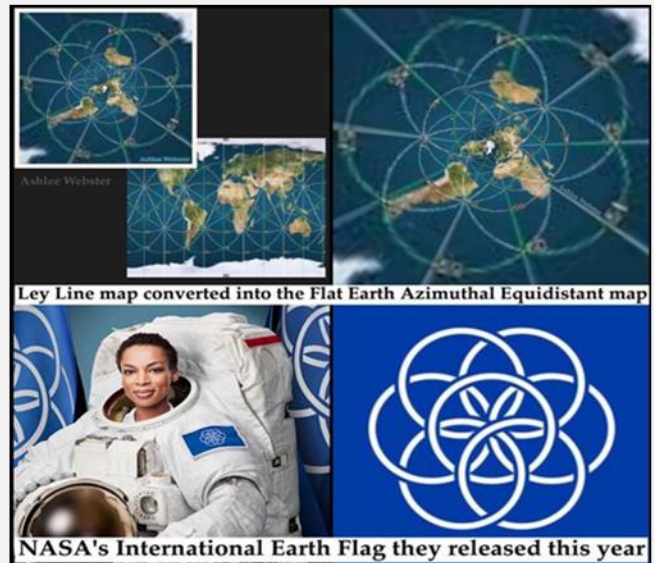

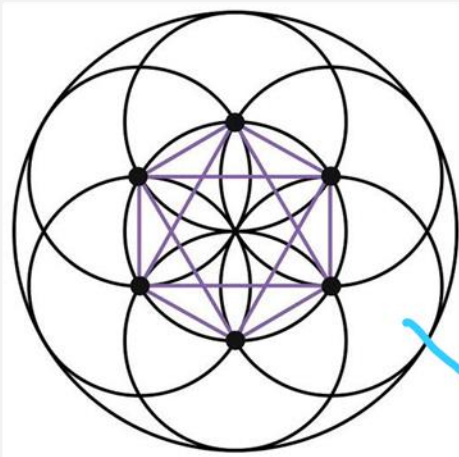

This at this speed this aircraft would have to compensate downward 23 feet per minute.

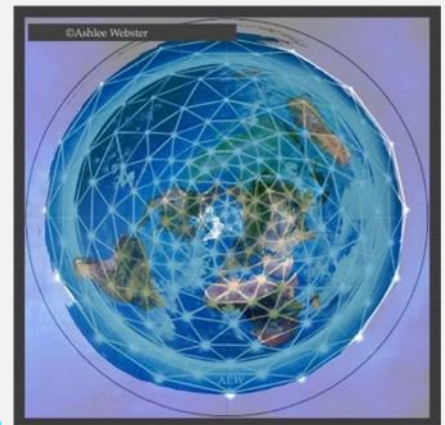

Did you know that ancient sites like Easter Island, Nazca, Ollantaytambo, Paratoari, Tassili n'Ajjer and the Pyramids of Giza are all aligned on a single great circle? There is a mind-boggling connection among ancient structures that is indicative of a far greater meaning than we were aware of. As you can see, there seems to be a connection among all of the above structures that form a massive circle encompassing all major archaeological sites on planet Earth.

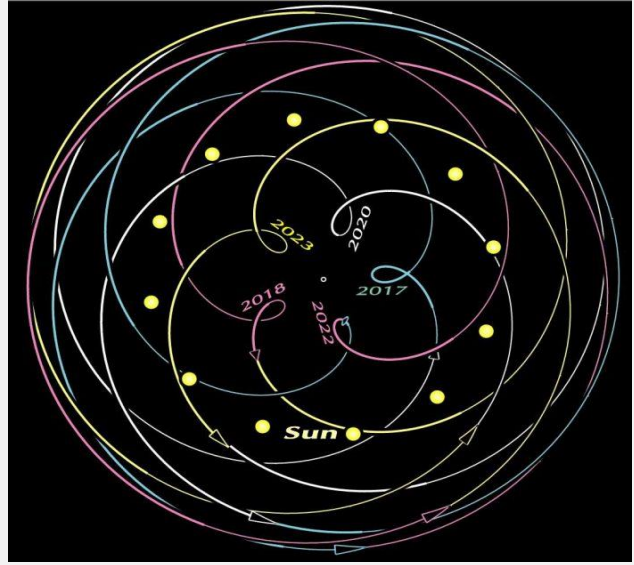

Have you ever heard of Ley lines? I know they must be significant to the ancient builders of the pyramids because they built these magnificent structures on them all over the earth.

The "Seed of Life" is a contemporary name for an ancient geometric figure. It consists of seven overlapping circles with the same diameter. Six of them are regularly spaced within the seventh, producing a rosette with eighteen lens shaped petals: six smaller ones inside and twelve larger ones outside. Ley lines, the seed of life, and NASA? I'm just connecting the dots, remember, the evil power is legalistic and it has to tell us it's evil plan either through signs, symbols, movies, news, etc. Ley lines map converted into the azimuthal equidistant flat earth map reveals a pattern similar to the seed of life, Lay lines make so much more sense on the flat earth then the globe.

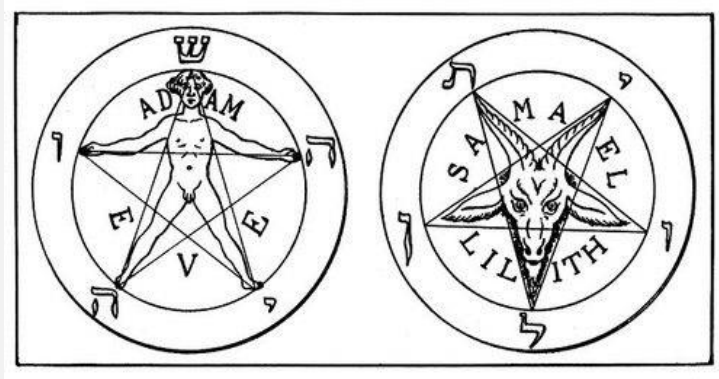

PLANETS ARE “WANDERING STARS”, THIS IS VENUS!

Earth at center of Venus's path from 2012-2020.

A golden **five pointed star**, is a **star** that has **points** of equal length and equal **angles** of 36 degrees at each **point**.

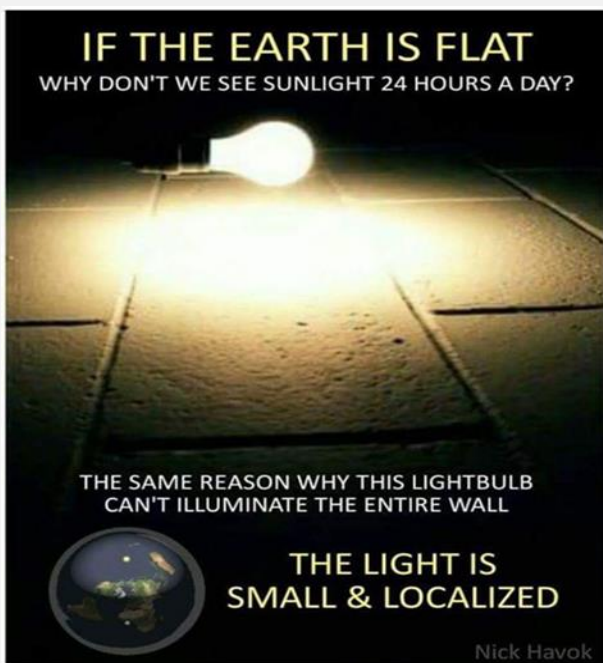

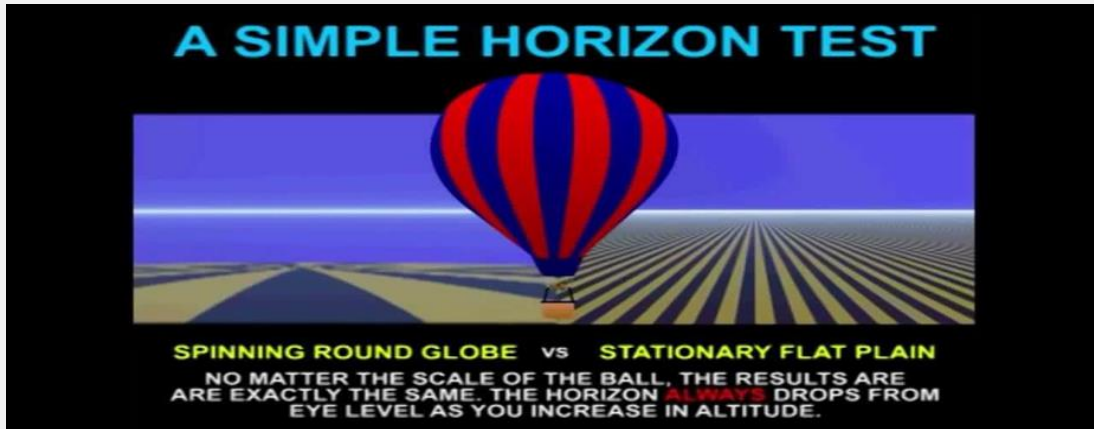

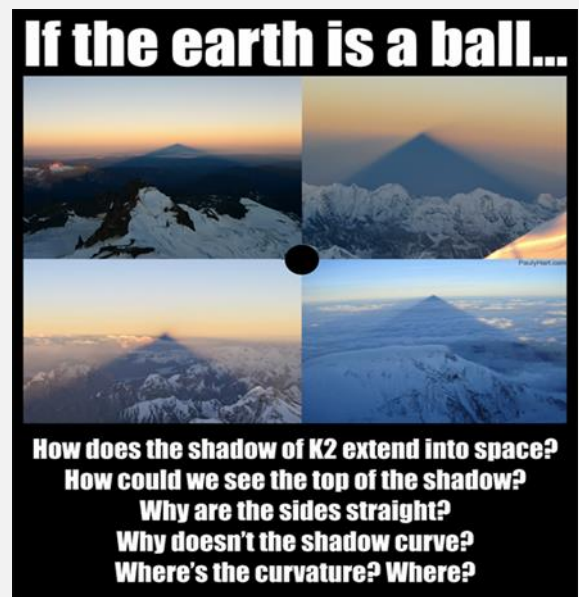

When plotted *geocentrically* – from an Earth-centered perspective – there is a highly noticeable rhythm in the motion of Venus. After eight years, it returns to the same place in our sky on about the same date. This is known as the eight-year cycle of Venus, (8×224.8 days) very nearly equals eight Earth years. The cycle was known to, and of great interest to, ancient peoples such as the Maya. Today, many know it as the **pentagram of Venus**.

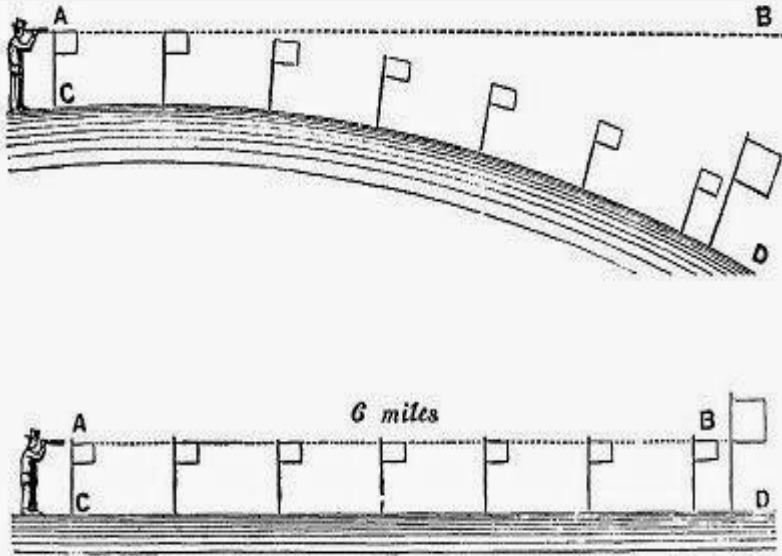

This is the 5-pointed star and how it looks up-side down.

Planet comes from a Greek word which means one who wanders around, wanderer, wandering star, also misguided, confused and in medicine unstable temperature.

They will be exposed to the sun and moon, and to all the host of heaven which they have loved, served, followed, consulted, and worshiped. Their bones will not be gathered up or buried, but will become like dung lying on the ground. Jerimiah 8:2

Samuel Rowbotham's experiments at the Old Bedford Level proved conclusively the canal's water to be completely flat over a 6-mile stretch. First, he stood in the canal with his telescope held 8 inches above the surface of the water, then his friend in a boat with a 5-foot-tall flag sailed the 6 miles away. If Earth were a ball 25,000 miles in circumference the 6 mile stretch of water should have comprised an arc exactly 6 feet high in the middle, **so the entire boat and flag should have ultimately disappeared**, when in fact the entire boat and flag remained visible at the same height for the entire journey.

The Port Nicholson Light in New Zealand is 420 feet above sea-level and visible from 35 miles away where it should be 220 feet below the horizon.

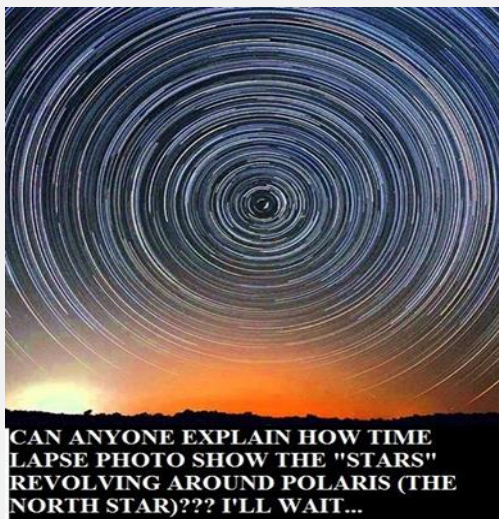

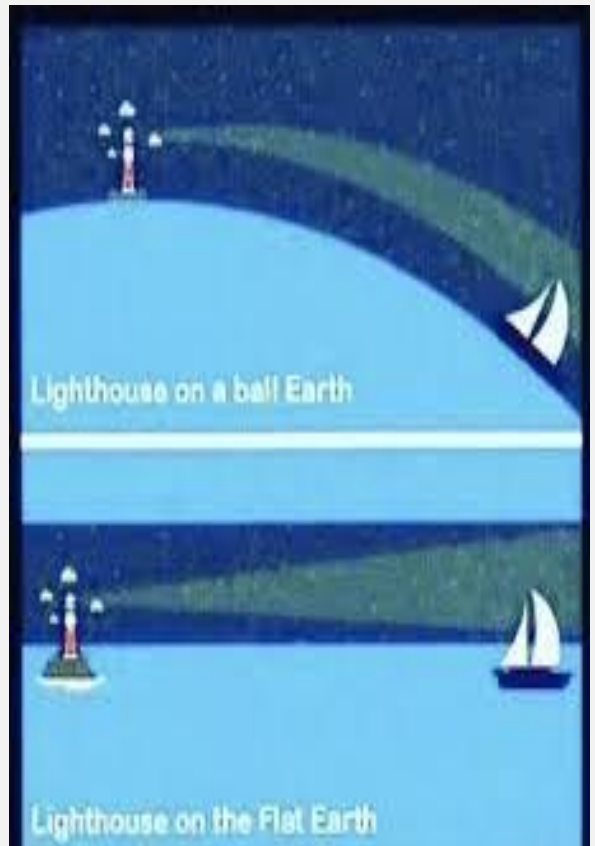

The Egerö Light in Norway is 154 feet above highwater and visible from 28 statute miles where it should be 230 feet below the horizon.

The Light at Madras, on the Esplanade, is 132 feet high and visible from 28 miles away, where it should be 250 feet below the line of sight.

The Cordonan Light on the west coast of France is 207 feet high and visible from 31 miles away, where it should be 280 feet below the line of sight.

The light at Cape Bonavista, Newfoundland is 150 feet above sea-level and visible at 35 miles, where it should be 491 feet below the horizon.

The lighthouse steeple of St. Botolph's Parish Church in Boston is 290 feet tall and visible from over 40 miles away, where it should be hidden a full 800 feet below the horizon!

NASA and modern astronomy say Polaris, the North Pole star, is somewhere between 323-434 light years, or about 2 quadrillion miles, away from us! Firstly, note that is between 1,938,000,000,000,000 - 2,604,000,000,000,000 miles making a difference of **666,000,000,000,000** (over six hundred trillion) miles! If modern astronomy cannot even agree on the distance to stars within hundreds of trillions of miles, perhaps their "science" is flawed and their theory needs re-examining. However, even granting them their obscurely distant stars, it is impossible for heliocentrists to explain how Polaris manages to always remain perfectly aligned straight above the North Pole throughout Earth's various alleged tilting, wobbling, rotating and revolving motions

CAN ANYONE EXPLAIN HOW TIME LAPSE PHOTO SHOW THE "STARS" REVOLVING AROUND POLARIS (THE NORTH STAR)??? I'LL WAIT...
