

Chapter 1 - The Holy Blood on the Shroud

The Holy Shroud of Turin, Italy is an interesting and purported relic of Jesus Christ. It contains the imprint of a body wounded in the correct places and displays the knowledge of anatomy and the true effects of crucifixion. This cloth is imprinted with a life-size photograph of Jesus' body at the time of death. The shroud visually displays a six-foot man who wore a beard and had long hair. Also very visible, in the photograph negative, are a man's chest, legs, shoulders, crossed hands, buttocks, and feet. Nail scars are on the man's wrists and feet. Thorn scars cover his head and face. It is, also, evident this man was beaten badly due to scars and lacerations across his back. There is a major laceration showing on the man's side near his rib cage. If this Shroud is a fake, why would the Roman Catholic Church and Pope John Paul II behave as if it is a genuine relic?

Blood stains are very evident on the shroud and penetrate through. Samples of these blood stains have been collected and analyzed. In 1995, the blood was tested for DNA at Genoa's Institute of Legal Medicine. A professor at the Institute noted they had acquired DNA from shroud threads and had been able to replicate the DNA. Blood was, also, tested at Texas University Health Science Center. Technicians were able to identify the blood as human with both X and Y chromosomes confirming it came from a male. They were able to isolate 700 base pairs of DNA. This is only a small fraction of total DNA contained within a human. The question now presents itself. Could our generation clone Jesus Christ? YES. We have the technology - NOW.

Jesus Christ is the only known person in history that was born as a result of a virgin birth. He did not have the tainted blood of Adam flowing in his veins. This unique situation makes desire to clone blood from the Holy Shroud that much more intriguing. Since Jesus was born through a supernatural miracle, his cloning would be the most impressive in history. Every other human on Earth has their blood determined by their father. That is the reason for paternity blood tests in major court cases. There is no such thing as a maternity blood test. Without a biological father, Jesus' blood would be God-made, a miracle, an anomaly, and worth a lot of money to the person who has it cloned.

Who wants our generation to clone Jesus? Satan. With blood of Jesus on the Shroud available to hands of evil men, Satan will have a perfect vehicle to deceive the masses. These evil men will produce a clone from Jesus' blood and have all the world's scientists in awe at the supernatural rebirth of their awaited Messiah. Interesting enough, the Roman Catholic Church will hold proof this Messiah is indeed Christ. His blood will match. The most impressive feature will be a clone will look identical to the man who is imprinted on the Holy Shroud. No one will be able to take a credible stand against these scientific and religious communities. If anyone does they will be seen as an idiot for trying to discredit the clone as an Antichrist. Satan will have so much deception flying through our world even the elect could be deceived. With blood, the image, his actions, his miracles, and complete backing by the world's most advanced technology; how could anyone question the validity of this clone not being the same as Jesus, Messiah?

Our world will go along with it because it will be promoted as truth. Those who oppose it will be persecuted and made public spectacles. Being a true Christian is already difficult as we near end times. Therefore, Christians will be part of a small minority the Antichrist will be constantly attacking. As we approach end times, prepare yourself for what lies ahead. Do not be deceived by your own eyes. It is imperative you be grounded in God's Word.

The sum total of our world's scientific knowledge quadruples every 24 months. This is the fastest knowledge has ever been increased and it is increasing daily. We are truly witnesses to a prediction written down by Daniel who lived twenty-five centuries ago. Daniel 12:4 of the Holy Bible states:

But thou, O Daniel, Shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased. (Daniel 12:4).

I believe we are living in the last generation and words which were sealed are being opened up each day through our technology. We are no doubt the terminal generation.

According to secret teachings, deep within the Middle Chamber of Egypt's Great Pyramid, on the left wall of the passage, appears a bearded face similar to one on the Holy Shroud of Turin. This face is said to be alive with details and expression like a portrait. The only difference between the face on the pyramid wall and face on the Holy Shroud is this one within the pyramid has its eyes open. It appears such a symbolic message could only represent there would one day be a secret alchemical event in securing a future

cloning of Jesus so he could live again. Did Satan not cause Adam and Eve to have their eyes opened to sin and bring their downfall by promising them if they ate fruit of the Tree of Knowledge they would be like God? Pyramids represent New Age “All-Seeing Eye” religions, cults, and secret societies, whose sacred mysteries worship the created over the Creator. Their sole goal is to bring Heaven to Earth without condemnation and worship Satan, their illuminator, as God. What better way than for Satan to come to Earth cloned in Jesus’ image? The pyramid portrait, with Jesus’ eyes open, is to let all future initiates know to stay on track with their diabolical fissioning plan.

Beware of Satan’s coming deception. His eyes are not the same as God’s eyes. They see nothing alike. Prepare to understand how a Christian will know the difference as we enter end times. The only difference between a clone and the original host is the eyes; for they are windows to the soul. Jesus Christ referred to his body as a temple where his soul lived. The Book of John reads:

Jesus answered and said unto them, Destroy this temple, and in three days I will raise it up. Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three days? But he spake of the temple of his body. When therefore he was risen from the dead his disciples remembered that he had said this unto them, and they believed the scripture, and the word which Jesus had said. (John 2:19-22).

Paul the apostle also wrote the body is a temple:

What? Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and are not your own? (I Corinthians 6:19).

In Daniel's prophecy, which was also quoted by Jesus, there is a strange biblical expression concerning the last days which reads "the abomination of desolation." Jesus warned in Matthew 24:15 about this abomination:

When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readth, let him understand). (Matthew 24:15).

Jesus Christ, also, re-emphasized the Antichrist would defile God's temple. So by some strange procedure the Antichrist will indeed desecrate the temple and blasphemy against God. What better way, than to enter a cloned temple of the past body of Jesus. This act would truly defile the most "Holy Temple" that has ever walked this Earth.

To sit in the cloned body of Jesus Christ would be the ultimate abomination. Apostle Paul wrote in 2 Thessalonians 2:3-4 saying:

Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

(2 Thessalonians 2:3-4).

Blood on the Holy Shroud holds successful keys to cloning a body of Jesus. If so, we must prepare ourselves to look into this re-built temple and see who truly sits in it. Ignorance to the wiles of the Devil and his beguilement will cause mankind to be easily deceived. Ultimately it is our choice whether we reject Satan or accept him that determines how we spend our eternity.

Does your knowledge of Holy Scripture allow you assurance you will choose the real Jesus to follow in the end times? If not, then this book will prepare you for making the right choice. If you already know Jesus Christ, as your Lord and Savior, this book will enhance your desire to stand firm in the coming days because Christians are going to be greatly persecuted for their belief in the real Jesus.

Just as a criminal paints an identical painting of a priceless original painting and when no one is looking changes his counterfeit for the original; so Satan will change the original body of Jesus into a clever imposter through cloning. This deception will deceive the majority of our whole world in the last days. Only those with the keenest eyes and purest of knowledge will be able to distinguish Satan's fake from its' priceless original. It is of upmost importance to have an ability to determine a clone of Jesus is not the real Jesus but Satan's imposter - The Antichrist.

It is my hope that you will be among those who will not be deceived. A watchful eye, a careful examination, a mind grounded in God's Word, and a soul saved through the blood of Jesus at Calvary will be the best defense in the

coming days against Satan's master plan of walking in the
fleshly Temple of God and proclaiming he is God.
