

Introduction: The Spiritual History of Mankind

How did Satan manage to move through history undetected and maintain his hold on mankind? Why did those who knew of his deception in the Garden of Eden continue to uphold his desires to interfere in God's plan? These witnesses knew firsthand of the consequences and punishment God placed on anyone choosing to follow the agenda of Satan and the Fallen Angels. From living in a peaceful paradise, wanting for nothing, to toiling in the dirt just to survive. What makes worshipping Satan so appealing that generations have been willing to trade Heaven for Hell by choosing to follow him and his rebellion against the God who created all things?

What you are about to read is somewhat of a detective story that investigates ancient history and pieces together a wide variety of all the links that have brought the 'Agenda of Satan' through the ages to establish his final blow to mankind—the Antichrist. Many events have been hidden from those who do not understand Satan's crusaders. My objective is to expose their hidden agenda to the world so those who hear this message will not be deceived by these illuminated beings who originated from Satan's seed in the Garden of Eden. Many sons of Satan, who have been initiated into his Plan, serve today in positions of great power. They are the movers and shakers behind governments, financial institutions, religions, policies, research, medicine, education, technology, news media, etc.

Illuminated beings have been with us since the Garden of Eden, weaving their web of control, destruction, and deceit among the Children of God.

The hidden agenda, untold to the Children of God, is for Satan's purpose. He wants to take every soul he can acquire before his final battle with God at Armageddon. Satan must keep luring people to his side, because as they die they are no longer any help to him at this final conflict. Throughout this book, I will expose Satan's Plan. I will put to rest his ancient conspiracy, which has been designed to confuse those who want to follow the True God, our Creator and Lord—JEHOVAH—and His Son, Jesus Christ.

Our recorded history, from the very beginning, shows that civilizations have venerated the Serpent while others have abhorred it. In the earliest known civilizations of Mesopotamia, Sumer, and Egypt, the Serpent/Dragon was a sacred being. The Celts of England used the Dragon as the symbol of their ultimate sovereignty. The Greeks believed Dragons were creatures that held the wisdom and knowledge of the true secrets to immortality. These Dragons were said to be spiritual and appeared in the form of Sea Serpents.

In direct opposition to these aforementioned beliefs, were the Christian and Hebrew concepts of Serpents. Christianity portrays the Serpent as the evil archangel who opposed God and brought about the fall of mankind. This is directly opposite of cult lore that says Lucifer was an enlightener and friend to mankind. It is in this opposition, between parallel histories and beliefs, that we will discover the real Truth. The Deceiver will be exposed!

The Earth and all that is, did not come from chaos. God's plan was perfect. Unfortunately, as God gathered His host of Heaven together, Lucifer became angry and jealous. He lashed out at God, because he wanted to be equal to God. Selfish sin overcame Lucifer and eternal division was forced into existence. God did not want this division, but Lucifer rebelled and chose his own agenda. Therefore, God removed Lucifer and his followers from Heaven by casting them out for all eternity. They can never return.

In the meantime, God's creation of Adam and Eve was His delight. He placed them within the Garden of Eden so they would always have everything they would ever need. God's presence was in the Garden and He carefully instructed them. Satan was furious when he saw the beauty of Adam and Eve, who, unlike him, were created in God's Own Image. The anger boiled inside Satan, and with his sin of jealousy he attacked earth.

God told Adam and Eve that they were created in His Image. He explained the need to stay away from the Tree of Knowledge, as it would bring them death. Satan watched, but he felt that Adam and Eve should be allowed to see both his and God's side of things. Therefore, Satan deceitfully used their innocence to entice them to do evil. He tempted Eve, and on that day, Christianity's foe, Gnosticism (evil), was born. At that moment, Adam and Eve's faith, their total trust in God Supreme, became infiltrated by Gnosticism, which was composed of secret knowledge, love of self and following Satan, who appeared to enlighten.

Life became a great chess game between the powers of good and evil. Gnosticism's promise of enlightenment gave mankind building strength; but in the end, it will bring

sorrow. Knowledge gave mankind awareness of the ability to choose. Unfortunately, the penalty for not making the right choice results not only in physical death due to sin, as all mankind are sinners, but in eternal death to those that follow evil and do not choose to repent of their sin.

To those choosing to follow the will of God, the path of Christianity brings not an easier life, but the promise of resurrection and an eternity with our Creator. As Christians, we are all sinners, but it is through our faith in Jesus that we receive His grace and mercy, which washes us clean of our sin. Even though we are cleansed, we still have to die to inherit our reward into eternal life, unless we are caught up in the Rapture at the 'End of the Age' and are changed into our spiritual bodies in the blink of an eye.

The Gnostics believe through their power, control, and self-illumination that they will attain the keys to overcome earthly death and avoid eternal judgment. Throughout time, they have invested great energy in teaching their initiates that through the sacred mysteries they will become as god and reap immortality. Woe to the people of this deception, because it means an eternity without God. On the other hand, for Christians, ours is just a little sorrow of suffering on Earth, but with a wonderful promise of an eternity with God, our Father.

The wicked seeds of Satan, throughout history, have somewhat controlled humanity through various aspects of our daily life. Long ago, Gnostic sects conceived a plan to make themselves into an undercover organization. They made sure this mystery organization would not be subject to the ups and downs and uncertainties of political and social change that would occur throughout the ages. It is separate

from all governments, but it indirectly controls them all. These wicked men have allowed an alternative history to be written that keeps mankind from the Creator. By secretly controlling history, they have manipulated how people view the past. This deceptive misinformation will be what they will use to massively influence how mankind accepts the future. It is a cleverly devised trap!

Many Christian Saints have been placed along the way to warn us about this deception. But their warnings have fallen on deaf ears. The problem has been mankind's inability to distinguish between Gnosticism and true Christianity. This is part of Satan's strategy. He wants to have his Agenda so close to Christianity that no one can be sure of what is truth. The more we look to the created for our answers and heed their words of wisdom, the less we search the Bible and pray to our Creator, Jehovah, for guidance. What a cleverly devised plan of deception! The Gnostics and their father, Satan, will soon present a man to the world who will appear to be the Messiah. This Beast will, seemingly, have the answer to all of mankind's greatest needs. The masses will embrace this so-called savior, without questioning whether he is God or Satan. This enormous acceptance of the future Antichrist will bring about the 'End of the Ages.' It will unleash the final battle between good and evil. The battle is known, prophetically, as that of Armageddon.

The history you are about to read will uncover Satan's plot to remove Jehovah as the good God and replace him with a false Messiah, the Antichrist. You will be led on a journey that proves, since Eden, that Satan has been in the background deceiving mankind. Satan's agnostic religion changes Jehovah from an honest God to a dishonest God. Gnosticism boldly teaches that Jehovah is responsible for

keeping mankind in darkness through ‘His Acts of Wrath.’ It goes on to inform that Lucifer was true to man and had mankind’s best interest at stake when he offered the forbidden fruit of knowledge to Eve in the Garden of Eden. Satan’s enticement to eat the fruit opened Adam and Eve’s innocent eyes from, what Agnostics term, ‘ignorant darkness’ and, in turn, gave them spiritual enlightenment. This form of false religion continues to deceitfully win the hearts of mankind, because it offers alternatives, tolerance, love of self, possible keys to obtaining earthly immortality, and the achievement of god-like wisdom without contemplating that there will be a ‘Day of Judgment’ for their souls.

Many have wondered, throughout the course of history, as to how Satan will manifest himself as the Messiah. His Plan is quite clever. Bible prophecy warns that he will deceive the whole earth and become mankind’s false savior at the ‘End of the Age.’ The coming of the Antichrist is imminent. Of immediate concern is the fact that many, unknowingly, may be participating in Satan’s agenda through their membership with various secret organizations. This book is a sound warning to unyoke yourself from these ritualistic and pagan practices now, before it is too late. From this day forward, no reader of this book will ever be able to stand before God and say, “No one told me that I was being deceived.” You have been warned!

“And God spake all these words, saying “I am the Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage. THOU SHALT HAVE NO OTHER GODS BEFORE ME.” (Exodus 20:1–3).

The First Commandment, “Thou shalt have no other gods before me,” is the premises, ‘the central theme and basis of argument,’ for this very unique book. I believe God, over many years and through many trials, has prepared me to write it for this generation, because we are the terminal generation. It is my sincerest prayer that the reading of this research will offer each individual a better understanding of the fact that the ‘End of the Age’ is close at hand. It is important to me that all of God’s People, who He created in His Own Image, realize the evil forces that have brought us to this prophesied moment in time.

“Beware of False Prophets, which come to you in sheep’s clothing, but inwardly they are ravening wolves.” (Matthew 7:15).

Our blessed hope of deliverance from the evil lineage of Cain and his father, Satan, will come soon. So:

“Watch ye therefore: for ye know not when the master of the house cometh (Jesus), at even, or at midnight, or at the cockcrowing, or in the morning: Lest coming suddenly he find you sleeping. And what I say unto you I say unto all, Watch.” (Mark 13:35–37, Parenthetical comment mine).
