

## **Chapter Twenty-Four**

### **Roman Catholic Church And The Secrets of Fatima**

This generation is witness to the hierarchy of the Roman Catholic Church embracing and supporting some strange interpretations regarding the teachings of the Holy Bible. These leaders accept that the Jews are waiting for their Messiah to be born and condone that belief. What is the real reason behind their agreement with non-Christian Jews over this issue? Could the Roman Church leaders also secretly be waiting for the Messiah to be born?

The late Pope John Paul II, past Pope Benedict XVI and present Pope Francis I, all, very quickly became more and more tolerant of other religions based on a secret scheme not privy to the world at large once they took office. Were they made aware that the Antichrist has been born as a cloned replica of Jesus, who will soon emerge as the Messiah the Jews have been waiting for? Do they know that this time, instead of turning their backs on the Messiah, the Jews will embrace the Clone as their returned Prince of Peace who will promise to save them from their enemies?

According to a World News Report on Saturday-Sunday, August 20–21, 2005 edition of the Douglas Daily News, an Article entitled, “Pope Benedict XVI visits synagogue, warns of rising anti-Semitism,” proves the Vatican was attempting to align themselves with Jewish leaders. The article of the Associated Press from Cologne, Germany, stated:

“The haunting tones of a ram’s horn. Prayers before a Holocaust memorial. The Hand of Jewish friendship offered by a rabbi.

On Friday, Pope Benedict XVI became the second pope in history to visit a Jewish house of worship, and his time at Cologne’s synagogue was filled with significance for the German-born pontiff—and for Jews worldwide.

“We need to show respect for one another and to love one another,” Benedict said to applause, winning further praise for warning that anti-Semitism was on the rise.

The 78-year-old Benedict grew up in Nazi Germany. He called those times “the darkest period of German and European history” but did not mention his own trials, enrolled in Hitler Youth as a teenager and deserting from the German army near the end of the war.”

The Jewish people hold the belief that Jesus was not the Messiah because He died on the cross. When His earthly body is brought back to life through the ‘rebirth of His cells,’ His image will “work great miracles,” as well as “bring fire down from heaven.” The majority of those living near the end of time, including the Jewish people, will joyfully accept this Cloned beast as their Messiah, thereby falling victim to Satan’s deceptive plan.

The Cloned image of Jesus is not Jesus, but Satan desecrating the Holy Temple of God. All Christians should know that Jesus will return in the air and not be reborn. It appears the Roman Catholic hierarchy may be part of a global unification committee that is aiding Secret Societies in ‘The Plan of The Prince of Darkness’ to ensure the

Jewish people triumph in welcoming Satan as Messiah. This secret plan is revealed in the banned book, *The Protocols of the Learned Elders of Zion*, by Vic Marsden.

The leaders of the Roman Catholic Church, under Pope Francis I, have recently theorized that Heaven and Hell are not real tangible places. Yet the Bible explains that both were created by God and are very much in existence. Their new revelation declares and entices the average person not to have fear about spending eternal damnation in a place called Hell if they do not choose to follow Jesus. This esoteric teaching has the potential to lead many astray, right into the arms of those offering earthly immortality over spiritual immortality. Indications are that the famous esoteric Library of Alexandria, Egypt, was secretly passed to the Vatican and not destroyed. This could be where such blasphemous teachings have emerged. Supposedly, there are thousands of ancient esoteric books housed in secret vacuum-sealed vaults under the Vatican.

It is evident that something has infiltrated the beliefs and teachings of the Catholic Church in recent years. The late Pope, John Paul II, Pope Benedict XVI and Pope Francis I have met with religious leaders from a variety of false doctrines. Their promotion of religious tolerance is allowing religions to work together toward formation of a New World Religion. The main objective of this New Religion is acceptance of all beliefs as equal. Pope John Paul II first cited this unification of all religions would become the catalyst in achieving world peace. He, Pope Benedict XVI and Pope Francis I should know the very act of mixing Jehovah with the false religions of the wicked seeds of Satan was what brought about Solomon's downfall. Solomon, too, wanted peace and tolerance, but was

destroyed for allowing worship of these same false religions within the Temple he had originally built for Jehovah.

Wickedness of Satan, his Fallen Angels, and their pagan teachings are why Jehovah brought the Great Flood in Noah's day. Mankind's acceptance to tolerate Satan and partake of his deception was the reason Jehovah drove Adam and Eve out of the Garden of Eden. How could anyone in the Catholic hierarchy have forgotten the most important First Commandment: "THOU SHALT HAVE NO OTHER GODS BEFORE ME?"

Embracing religious cults as equal to the religion of Jehovah, just because they believe in a god, is not biblically correct. The One True God is Jehovah - not Buddha, Allah, Mohammed, Krishna, Satan, or any other entity. If the Catholic Church hierarchy is, indeed, promoting unification of all religions as equal, then it appears they are trying to build a kingdom of man and not preaching the way to the Kingdom of God. John Paul II, Benedict XVI and, now, Francis I have done exactly what God forbade in Scripture, which was "not to yoke together with false believers" or "have any other gods before me."

There have been rumors the Roman Catholic Church's strategy is to pave the way toward a New World Religion so they will be in the superior position to have jurisdiction once the merger of all religions and cults are combined into one. The hidden plan in this merger is for the Catholic Church to gain world power and dominion. The late Malachi Martin recorded during the reign of John Paul II that the Pope commented he was waiting for the completion of something he called "fissioning" to take place, which would usher in the New Order of the World. He insinuated

that the Vatican Observatory was presently looking to the heavens for signs that this fissioning had been completed.

The Vatican has spent millions of dollars over the years on their high-tech planetary observatory, which includes an enormous telescope that is constantly scanning the skies from Rome, Italy. They are secretly engaged in the application of the Hermetic Principle regarding astrology. This is the same wisdom, handed down through the ages, used to identify when planetary alignments are scheduled to take place in conjunction with their matching Earthly Megalithic Structures. The Vatican has also recently built a telescope in Arizona, named L.U.C.I.F.E.R., and the EPA (Environmental Protection Agency) did nothing to stop it from being built on an Indian reservation. Rumors are that the Vatican had to locate their telescope at this precise locale as they were tracking something of great significance they are secretly calling 'Wormwood.' Revelation 8:10–11 reveals,

“And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter.”

To Hermetic practitioners, celestial alignments indicate a predestined event is about to happen. Elite Roman Catholic clergy appear to be schooled in sacred Hidden Mysteries and are eagerly awaiting these prophesied signs to transpire within this generation. Let us not forget the act of fission upon the cell of a human body will produce a replica of it, a Clone. Comments by the late Pope John Paul II regarding

fission and his clergy looking to the skies seem to indicate the time is close at hand for appearance of the Prince who will usher in their New World Order.

Malachi Martin, who was a Catholic Jesuit Priest and bestselling author, before his death, wrote that a “Black Mass” was held in St. Peter’s Cathedral. His comment from the historical section of his book, Windswept House, regarding this particular mass was that “The smoke of Satan has entered the sanctuary of God.” It appears Malachi was aware of the fact Catholic Hierarchy had been mixing Jehovah and other gods together within the Vatican for some time. This act of abomination always brings about destruction, just as it did in times past. God will not tolerate mixing His Holiness with false doctrines of Satan.

Recent media exposure of satanic rituals and sexual perversion among priests, on-going acceptance of Masons into the Papal hierarchy, and uniting of all religions as equal are, all, part of a game plan being put into place to advance the kingdom of Satan. High ranking priests, like Cardinal Cooke, who spoke to several thousand Masons, are just one part of this continuing scheme. According to Newsweek Magazine, Cardinal Cooke spoke to several thousand Masons during their annual gathering and praised them for “loyalty to their rituals.”

Here we have an important official of priesthood praising Masons openly for their commitment to pagan rituals, which are in direct violation to the Ten Commandments of Jehovah. These are, no doubt, strange comments coming from a priest, unless he, himself, is a member of the Order. One could not see fit to praise the rituals of Satan unless one agrees to the practice of his ‘Craft.’ The expressed

approval of the Masonic Order by a high priest within Catholic hierarchy is additional proof Satan has entered the Vatican. When a priest endorses Masonic pagan mysticism, which originated with the ‘Spirit of Cain,’ instead of condemning it for its satanic occultism, the act sheds more light on the Catholic Church’s newly approved ‘doctrines and directions.’

Acceptance by Catholic priests of homosexuals and marriages between them is another area where Satan has infiltrated the church over the years. It has been kept quiet as to growing numbers of homosexual priests and nuns residing within the confines of the church. Even priests and nuns who have committed molestation upon innocent children are never prosecuted, but handled internally by the church in an effort to keep them hidden from the public and above the law. These criminals are many times moved to other parishes to keep the problem swept under the rug, thereby evading punishment from the law. Innocent victims’ families receive enormous monetary restitution to keep quiet, but these children must live their lives as if it were their fault they were molested. Paying people off to keep them quiet and moving these criminals to other towns to commit the same crimes over and over again are an endorsement of Satan’s practices.

The Bible specifically states homosexual behavior is of the Devil. Remember Jehovah destroyed Sodom and Gomorrah for these sins of the flesh. It is evident Satan is working his ‘Craft’ within the Catholic Church. With their tolerance of all things and acceptance of every religion under one canopy, Satan is putting in place his World Religion from which to wield his coming power. It appears ancient Rome has risen from the dead. It has again become a major city of

cults and Devil worship in this century. Satanic practices and countries banning together, that were once part of the Old Roman Empire, which, later, became the British Empire, will soon spell success for the coming reign of the Antichrist. Our world is being prepared to welcome him with open arms.

One might wonder how Satan has managed to infiltrate the Roman Catholic Church. As you will recall, Satan's wisdom began with the lineage of Cain and was handed down by way of the Megalithic Builders to Sumerians and Babylonians. Catholic Popes often wear a mitre, a hat shaped like a fish, which bears a connection to Oannes, a figure who was half man and half fish. Oannes, according to Sumerian legend, was leader of a Brotherhood of Seven Sages, known to be semi-divine creatures that were half man and half fish/Serpent. They were sent by the gods to teach the arts of civilization to mankind before the Flood. Their wisdom included architectural building and engineering skills. They taught the antediluvian world the skills of writing, mathematics, agriculture, and the sciences. They were also the ones who made sure their 'Pillars of Knowledge' survived the Flood so mankind could be re-educated in ancient wisdom of the Hidden Mysteries.

Every Pope wears a Fisherman's ring some believe has connections to the ring of Serpents that came after the Flood. Others justify the ring symbolizes Jesus; not so. Christ being a 'fisher of men' is not the same as being part fish/Serpent and half man. Regalia of Popes are much more connected to a past with the Dragon Kings than to Jesus Christ. To prove this, walls of Pyramids in Egypt show Dragon Kings, known to Pharaohs as part gods, wearing the same mitre as the Pope. Oannes, the great Dragon Sage of
