LET US LEAD YOU INTO TEMPTATION

Bad Shepherd Brewing Co is a independently owned microbrewery and BBQ smokehouse restaurant located in Melbourne's bayside.

Set against the backdrop of the brewery tanks, our beer hall is a warm and welcoming space for people to come to together. Date night, cheekies at lunch, knock-off beers, farewell parties or special occasion celebrations, we get it – there are plenty of reasons to enjoy a beer and some good old fashioned comfort food.

We're here to make beer that is tasty, exciting and fulfilling.

From approachable styles with an individual twist to more unique and bold styles, there's a beer in our range to suit everyone. Brewed with a focus on flavour and quality, that's the way beer should be.
