Did you know that the greatest part about being created is knowing that considerable time was taken to carefully put each of us together – every freckle, every hair, every mark – carefully placed. Above all, each of us were created with a pre-established plan and purpose. This means that we are not placed here by accident, no matter how you came

about and what you have been told about yourself and made to believe, you are special, you are important, and you serve a purpose. The Bible tells us in Ephesians 2:10 "that we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." God does everything with a

purpose and a plan, which should comfort you on knowing that even you, as minuscule and insignificant as you see yourself now, just know that Christ Jesus delights in you (Psalm 18:19) and before you were born he prepared you for greater works for his Kingdom (Psalm 139:16 & Jeremiah 1:5).

We are divine originals. But what does this mean?

According to dictionary.com the word "Divine" is defined as: "of; from; like God" and "Original" is defined as "not a copy or imitation; existing from the beginning; first." When we look at these definitions, what comes to mind is scriptures. In Genesis 1:27 we were made to understand that we are made in the image/likeness of God, being a divine original means to not be a copy of that which already exists and to be like God because we ARE from God. With that said, you are NOT and were NOT created to be an imitation or knockoff of a mundane entity, rather, you are divine and original, made to

be a light to shine forth the very image and glory of God. Regardless of what point you're at, you will want to shift your gaze higher and deeper, to acknowledge that you are not a cheap knock off. You are special and rightly so.

But how can I go further with this understanding of being a divine original? Let's liken being a "divine original" to a large puzzle. When you think of a puzzle, there's a purpose for that puzzle (i.e. an image/picture) in the mind of a creator (who designed the puzzle). Once the puzzle is conceived, each piece is carefully designed and configured using tools such as a computer, a laser cutter, etc to allow for precision before each puzzle is then transferred to a canvas. The pieces are marked in this canvas and the picture is melted onto the pieces – all through the purview and hands of the creator. Each puzzle has it's own function and purpose according to the intent and big picture plan of the creator.

In a jigsaw puzzle game, there are pieces that we aim to put together first because they make up the image, then there are scenic pieces (outside, corner pieces) which in the beginning may appear insignificant but without them, the puzzle cannot be completed. Imagine how effective the entire puzzle would be with only 50 pieces that make up the image, but no scenic (outside/corner pieces); the puzzle would be incomplete right?

This puzzle idea can be used as an analogy for how God created each of us (all over 7 billion of us). Each individual is a body part (like the puzzle pieces all coming together to form a large puzzle). Each body part has a specific role and purpose. But what would happen if we didn't have one of those pieces / body parts, the body wouldn't function. In the same way, without you and your divine contribution to the "body" the picture will not be complete. God has everyone neatly fitted in His master-plan. In Romans 12:4, the Bible says: "For just as each of us has one body with many members, and these members do not all have the same function." God did not make you to be in the shadow of someone else's purpose or function, he made you to have your own role and make your own mark in his world for his glory. Think about it and you will realize that you are part of God's plan. You fit neatly into His big puzzle.

The world will make you believe that without a degree, money, status or position, you are obsolete.

Somehow, the world around has succeeded in creating stereotypes that if we find ourselves not to fall into or out of, we feel incomplete and insecure as though we don't have a purpose. However, your creator created you to do things far greater, make an impact far deeper than any of which has been done before and surely he will make your ways successful as long as you trade your ways for His and step into His purpose and the master-plan for your life. You are one of a kind and the world needs your unique contribution.

One final thing to remember is this: unlike human beings, God does not make mistakes, and more importantly he does not make obsolete copies – God only makes masterpieces and divine originals. Out of the over 7 billion individuals on earth as we speak, not one of them have the exact same genetic makeup, personality, fingerprint and more importantly; purpose. Meaning you have a specific and crucial part to play in this world; the world needs your contribution, don't count yourself out, instead tap yourself into God's purpose for your life and shine your light, for you are his workmanship, fearfully, and wonderfully made in the sight of the Lord. Your puzzle piece is needed to make the whole plan of the Lord work!

DIVINE ORIGINALITY

Right inside of you is all you will ever need to live a successful life. Connect with the core of your gifting and talents.

OPERATING FROM THE CORE

There is no doubt that each person cannot be a result of cataclysmic upheavals or random chances of genetic mutation or evolution. The intricacies and depth of every organ and tissues and how every part of the body come together to form a system and a living being is still an ongoing bewilderment even to the greatest of scientist.

The thoughts and attention put into each of us shows that there is a creator somewhere. You are created by God. Just like every creator, the main objective for creation is to ensure that whatever we create not only survive but that it should thrive, fulfill it's purpose and dominion and living the full course for which it was created. In essence, God created everyone of us with the capacity to succeed. Failure or mediocrity has never been God's plan.

During creation, God placed something inside of us, like a seed that suddenly comes alive when it falls into the right environment of good soil nutrients and water. Like a seed, the very substance of success has been deposited in every single person. You were pre-established, created and birthed with a full dose of all you will ever need to succeed.

Look at how scriptures put it:

"According as his divine power hath given unto us all things that pertain unto life..."
2 Peter 1:3

God's ultimate intention is for us to prosper. And the seed of prosperity, not just in material stuff, but also in prosperity of the soul, health and well-being, has been placed inside of us. All of the requirements for prosperity has been inputted in us because of the divine nature that we share with God our creator.

Here's the issue though, we have been made to believe that we don't have anything or that what we have is inferior or not sufficient. But looking through the scriptures, we find words that validates the fact that we are not ordinary, that we are special and that God made each of us and gave us His very Spirit. God's Spirit is the basis for a new dimension of understanding God's nature, that very nature that we have been made into and that manifest itself through knowledge of the creator and His original intent for us.

You are more powerful than you think.

When you identify and connect your source to the true God who created you, it launches you to a new dimension of understanding. You become aware of the very power He has placed inside of you. The manifestation of His Spirit and power in you allows your gifts and talents to manifest.

Contd. >>>

IT'S NOT ROCKET SCIENCE

It's this simple. You were made by the creator God. The creator like every engineer or manufacturer wants His creation to succeed and thrive. To make that happen, He designed every single creation and packed everything it will need to succeed inside of it. Your uniqueness and originality is with a purpose. You were born to flourish.

BUT IT TAKES KNOWLEDGE

Unfortunately, many not having this understanding have lived ignorantly. A lot of people chase after all manner of ideologies and models with the attempt to look like someone else or fit into molds. Why fold into molds when you can leave freely and fully; in power, purpose and potential? Others pick celebrities that appeal to them and tailor their lives after such. Needless to say that many of those celebrities are so flawed and disoriented themselves. Many so called "superstars" are living fake lives and unfortunately many copy them. Don't copy, live with the understanding that you have a unique space and offering for this world. Your divine originality confers on you the talents, gift and potential to become more than you are at the moment. You were created for more.

The implications of copying, fitting into molds and settling for the stereotypes our world has created are obvious. We now have a generation that lacks direction, meaning and purpose.

But there is hope. As you read this, we want you to know that you are divine. You are original. You are a master piece. God has placed something inside of you called "the seed of success". Reach within you. There is at least one thing you can do better than anybody else in this world. Fan your gift to flame. You are special. There is something great about you. You are a light..

You need help in finding your purpose? We are more than happy to support you in discovering the very essence of your creation. Email us at govibly@gmail.com or DM us anywhere or DM us anywhere on social media @govibly.

LESSONS FROM THE STORY OF GIDEON

WE LIVE TO THE FULLEST WHEN WE
KNOW OUR PURPOSE

BY OLUWASEUN OYENIRAN

CREATED FOR A PURPOSE

You have been created for a purpose. There was an intent in the mind of the creator for your life. Appreciate the essence of your creation. Live to the fullest of your purpose.

THE STORY OF GIDEON

Dr. Samuel Ekundayo once defined purpose as the intent and design in the mind of the creator. We cannot agree less. If you don't appreciate the essence of your creation, you will inadvertently be tossed back and forth with virtually everything and everybody. In clearer terms, if you don't know the true use or purpose for which a particular thing is created, abuse is inevitable.

Take Gideon for example. We come across his story in Judges 6:11:

And there came an angel of the Lord, and sat under an oak which was in Ophrah, that pertained unto Joash the Abiezrite: and his son Gideon threshed wheat by the winepress, to hide it from the Midianites.

Despite Gideon's purpose being to lead the army that will destroy the medianites, his lack of understanding of his purpose made him to threshing wheat and hiding it. Essentially he was acting out of fear and intimidation when he should be in dominion and power. It took the angel that God sent to remind him that He was a mighty man of valour!

There are so many mighty men and women that have settled with the situations and circumstances they find themselves in. As I wrote in my book, *Live Love Learn Grow*, because we have the impression that others are greater

and better than us and that we cannot lead we begin to rely on intuition and a creative spark to get things done instead of gaining knowledge, confidence and owning the process or operation we oversee and that God has placed us in charge of. Some of us choose servitude rather than leading; some resolve to becoming overly introvertish and feeling unnecessarily reserved instead of taking ownership for achieving outcomes.

Don't allow your circumstances to cripple you and obstruct you from reaching the fullness of your purpose.

So Gideon kept on protesting, complaining and whining:

where be all his miracles which our fathers told us of, saying, Did not the Lord bring us up from Egypt? but now the Lord hath forsaken us, and delivered us into the hands of the Midianites. (Judges 6:13)

The Lord interjected again and re-assured Gideon:

Go in this thy might, and thou shalt save Israel from the hand of the Midianites: have not I sent thee? (Judges 6:14)

But that re-assuring word was not sufficient for Gideon.

CREATED FOR A PURPOSE (CONTD.)

Gideon retorted again:

Oh my Lord, wherewith shall I save Israel? behold, my family is poor in Manasseh, and I am the least in my father's house. (Judges 6:15)

God had to add one more re-assuring word to seal up the conversation. God told Gideon:

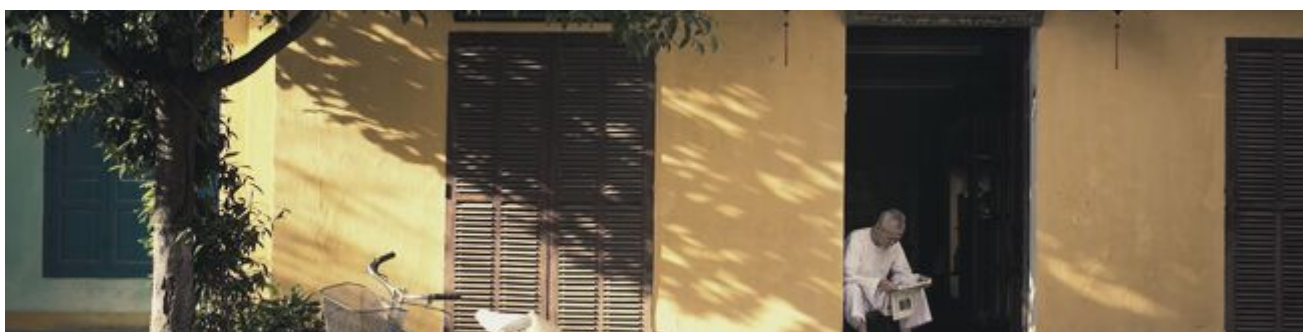

"Surely I will be with thee, and thou shalt smite the Midianites as one man" (Judges 6:16)

Gideon eventually built an army from scratch, trained them and led them to win the battles over many Medianite giants that surround them.

Indeed it was no small deal but one by one, Gideon slew them. It was recorded in Judges 8:25:

Thus was Midian subdued before the children of Israel, so that they lifted up their heads no more. And the country was in quietness forty years in the days of Gideon.

For good forty years, the country was in peace because of Gideon.

BUT GIDEON DID SOME VERY IMPORTANT THINGS IN ORDER TO LIVE TO THE FULLNESS OF HIS PURPOSE

Before Gideon could win those victories, it was obvious that he needed something more to break out of mediocrity. A wine thresher needed more than just sweet talks to become a warrior and mighty man of valour. There had to be an encounter, an indelible impression for change to occur in his life. Let's take a look at them in sequence.

Step A: He had to recognize who was giving the command. While Gideon talked back and forth with the angel, he got to a point where his eyes of understanding was opened that he suddenly realized that it was God that was actually speaking to him. As though he has been turning his back throughout the conversation, he had to come to a point where his inner eye suddenly opened:

And when Gideon perceived that he was an angel of the Lord, Gideon said, Alas, O Lord God! for because I have seen an angel of the Lord face to face. (Judges 6:22)

To operate in the realm of your purpose and your potential, you must have a clear view of your creator, the original designer and maker of your life and destiny. God knows exactly what you are capable of and can carry. Don't look to people. Look to God. He will reveal your power and potential to you. Most times, even if we think we are already doing great, when we encounter God, face-to-face, He takes whatever we are doing to a new dimension.

Step B. He built a new altar for God to replace the altar of idolatry.

Then Gideon built an altar there unto the Lord, and called it Jehovahshalom (Judges 6:24).

the new altar was in replacement of an altar that was built before. There are so many idols we have placed in our lives that are hindering us from living in the reality of our purpose and potential.

A dense forest of evergreen trees, likely spruce or fir, is shrouded in a thick, white mist or fog. The trees are tall and conical, with their branches covered in green needles. The mist is particularly thick in the upper half of the image, creating a soft, ethereal atmosphere. The overall color palette is dominated by various shades of green and white, with some darker tones in the lower, clearer parts of the forest.

**"God made us like Him so we
can show forth his glory"**

JUST LIKE GIDEON, ALTARS OF IDOLS NEED TO BE REPLACED WITH A GODLY ALTAR AS AN INDICATION OF A COMMITMENT TO GOD AND THE PERMANENT RELATIONSHIP WE WANT TO HAVE WITH HIM

As Gideon took those ultimate steps, what followed were series of events that propelled Gideon into his destiny as a mighty man of valour. It is no easy feat to confront idols that have been erected before, especially as seen in the case of Gideon. But as we come face to face with God, our hearts are renewed with passion to do what is right in view of the big picture and purpose He has placed in front of us.

Never settle for the less of who God has made you to be. Imagine if Gideon had continued to thresh wheat at the winepress and kept on hiding it from the Medianites? Imagine you being a slave in a house that you were born to rule and reign over?

That is the unfortunate situation for many. But as you read this, it is my prayer that you come face to face with the reality of God and the purpose that you were born for.

You're not a random occurrence. You are not a coincidence. You are not a mistake. You are more than where you are right now.

Receive the courage to break out of that mold and enter into the place of power and dominion. You are a divine original and the world is waiting for your unique contribution and impact in this world.

**Everything God created
was created to succeed and
that includes you too.**

LIVING WITH A PURPOSE

Living with purpose means waking up daily knowing fully well that God has placed you here for a reason and ensuring to use the gifts and talents He has given you to bless others.

GOD'S KINGDOM IS NOT JUST IN TALKING BUT IN MAKING IMPACT AND INFLUENCING OUR WORLD WITH A GODLY CULTURE.

Having read through the previous chapters, you will find that none of us was created with nothing. We all have something. Acknowledging the essence of your creation, you will appreciate that it looks contrary to what is out there in our world today. In essence, you will almost find that you appear contrary to many popular ideas out there. And that is fine. The reason is because you have began a new culture that is contrary to the culture out there.

If we've left the country where sin is sovereign, how can we still live in our old house there? Or didn't you realize we packed up and left there for good? (Romans 6:1-3 MSG)

In this new culture, our vibes are positive and peaceful and peaceful. Our culture is a culture anchored in grace and propelled by God's Spirit.

This new culture is God's kingdom established in our midst. As we live with purpose, we are extending this kingdom culture to a world that so desperately needs it. We are walking in the truth of God's word. It is not just in talking but the demonstration of power (1 Corinthians 4:20).

Our environment must be fully saturated and filled with God's presence as we establish His influence everywhere we go.

It is time for divine originals all around the world to connect themselves together and permeate our world with a positive culture of love, grace, peace and hope!

LIVING AUTHENTICALLY

Do you have a friend who, intending to impress people he doesn't like, buys a \$5,000 wallet only to put a \$5 bill inside. Essentially that person is buying things they don't need and probably can't afford only to impress people they don't like. That is fake living. People who live according to the opinions and ideas of other people are not living authentic lives.

Authentic living is living in tune with the essence of your creation. Authentic living is living within the sphere of your potential, exuding sufficient energy according to the grace of God upon your life.

Authentic living is saying who we truly are, the blessed and created of God, and being comfortable in our own skin as God has created us wonderfully and gracefully. And authentic living is a beautiful thing because when we are true to ourselves, we are also true to the people that we operate with on a daily basis. It brings a sense of humility and transparency upon us and the people we lead and share our lives with.

The beauty of authentic living is the sincerity and humility of knowing that we also have shortcomings and ongoing struggles that we need help with. It shows that we are constantly looking for ways to get better at ourselves. It helps us to want to go back to the truth in God's word so that we can be exposed to new information that will make our lives better.

Do you not know that your bodies are temples of the Holy Spirit... Therefore honor God with your bodies. (1 Corinthians 6:19-20)

Authenticity is contagious

The humility and grace of living as true as possible to the essence of our creation makes it possible for others to live in the reality of their true purpose. As we live our lives in line with God's word not only does God bless us, we become impactful and instrumental in shaping others to become who God has created them to be also.

Authentic Living means know when to seek help and advice

The principles of authentic living helps us to seek guidance and counsel when we need it most. Today we have a lot of people who are far from the epicentre of their purpose. The reason is because they don't seek help when they most need it. Due to the mere fact of not wanting to be judged or looked down upon, a large number of people drown in falsehood and even lose their lives. Authentic living helps us to know our limits and what we can handle and when to seek help when we do need it.

Living authentically means taking care of ourselves

Authentic living takes careful self-awareness. Positive self-awareness is knowing ourselves to the point of making the right decisions for ourselves. And one of the key pillars of self-awareness is ensuring that our body is properly taken care of. Eat healthy. Drink lots of water. Exercise often. Be in an environment that inspires and encourage you. You are only as true outside to the extent of how true you are inside. Live authentically within and without. You are a divine original. Take care of yourself. Take good care of your temple.

Take good care of yourself. Live healthy. Exercise regularly. Always remember that the best way to live authentic lives is to live healthy both within and without.

Humble yourselves, therefore, under God's mighty hand, that he may lift you up in due time. 1 Peter 5:6-8 (NIV)

We crunched all the details together and found that at the very core of our being is a similarity to the very nature nature of God.

God is three in one: Father, Son and Holy Spirit
We are a triune being: Spirit, Soul and body

These similarities brings us to close proximity to God our creator. And the definition of those words drive it home even more.

These lines of thought gave rise to this product line. It appears that we all share some common elements that confers divinity and originality on us. Just like the creator God Himself.
