

Enjoy a 90-Day, 100% Satisfaction Guarantee!

Terms of the 90-Day Satisfaction Guarantee:

The 100% satisfaction guarantee applies to your FS2 Universal Fill Sensor as follows: Please inspect your sensor carefully within three (3) days of receipt of delivery. You must report, within three (3) days of delivery, any physical damage or defect that is present in the Product at the time of delivery; any physical damage to the fill sensor after such initial three-day time period will invalidate your 100% satisfaction guarantee. Otherwise, if you're not completely satisfied with your fill sensor, and the Product is undamaged and in like-new condition please reach out to sales@superior-tech.com to arrange the return of the fill sensor to us within 90 days of delivery. We will issue your refund once the returned Product has been received by us. Please note that, in all cases, the original receipt showing proof of purchase may be required to take advantage of the guarantee.

As noted above, our 100% satisfaction guarantee applies only to original purchasers of genuine TerraKing fill sensors who purchased their product directly from the website at superior-tech.com or our authorized dealers. The guarantee may not apply, or may apply differently, to purchases of TerraKing fill sensor via other authorized distribution channels, or from any other (unauthorized) sources. The 100% satisfaction guarantee thus only applies during the period in which the Product is owned and controlled by the original purchaser of that Product. **Please retain your purchase receipt so that you can present it to us if necessary.**
