

# BULLET™

## ALUMINUM TARP SYSTEM

D007FL-1218

### STANDARD FEATURES

- Extruded Aluminum Roller Bar with Side Plates
- Polished Aluminum 2-Piece Adjustable Pivot Arms
- Durabuilt™ Motor with 3-Year Warranty
- Rotary Switch

## HEAVY-DUTY DUMP TRUCK & TRAILER TARPING SYSTEM

The Bullet™ is designed to cover dump bodies up to 23 feet long. Available with either straight or 30° angled arms of anodized aluminum that will never rust! The tarp moves smoothly on an extruded aluminum roller bar, powered by the Durabuilt™ 12V direct-drive electric motor with rotary switch. Optional upgrades include 40-amp Durabuilt™ rocker switch kit with solenoid, wind deflectors, pivot arm rests and spring trap and tarp trap hold-downs.

### FITS BOXES & TRAILERS - UP TO 23'

Complete system part numbers with options.

**Arms**

of the Bullet™ make installation easy. Adjusting during installation lends itself to a proper fit.

**3-Year Motor Warranty**

The dependable Durabuilt™ 12V direct-drive electric motor has an in-cab rotary switch for operator convenience. The motor comes with a three-year full replacement warranty.

**Load Security**

Five springs per side ensure that your load stays safe and secure even at highway speeds. The springs will secure bodies up to 23 feet long.

**Huge Tarp Selection**

When pricing your Bullet™ system, you will need to order your choice of tarp and add that to the price. Choose from heavy-duty mesh, multicolored PVC mesh, 18-oz. vinyl or asphalt lumite. Asphalt lumite is water resistant and not PVC coated, so it's able to handle much higher heat levels than vinyl.

In addition to lumite, other asphalt-friendly selections are also available, including RFL, urethane-coated airbag, 22-oz. vinyl and Donoprene. More tarp options can be selected, such as non-standard colors, side flaps, reinforced pockets or hems, webbing, boxed corners, stenciling, grommets and D-rings.

**Optional Upgrades**

The tarp housing mounting system allows the tarp housing to be easily removed, if necessary, for season changes in hauling and is just as easily reinstalled later.
