# Our Story

Inspired by the power of Pure, Potent, Plant actives from organic & wild harvested ingredients from around the world, Juicy Chemistry is a luxurious skin, hair, makeup, bath & body care range that balances 100% natural active ingredients and clinically proven formulas to nourish, soothe & pamper your skin.

## Quality

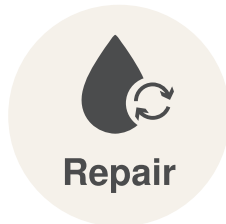

With a strict no compromise attitude Juicy Chemistry's product are certified by Ecocert (France) in accordance to COSMOS standard. We use only 100% natural active ingredients sourced from organic farms from over 20 countries for our formulations. Each jar, tub & bottle contain only what your skin needs to get for the results you want.

**#NothingAdded  
NothingTakenAway**

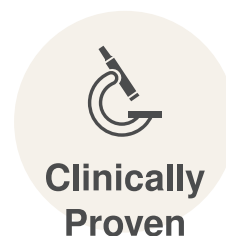

Our products are free from mineral oils, animal derivatives, artificial colours, fragrances, parabens, silicones, and petroleum.

# Beauty with purpose

## Here's why you can trust we are the real deal

# Perfected by nature, harvested with science

Our innovation product formulas are at the forefront of modern beauty science.

Carefully engineered from 100% natural active ingredients selected for their Vitamin rich and antioxidant properties, each product harnesses the therapeutic power of botanicals to nourish, heal & protect your skin.

## Adored by all

Designed for women & men alike, our universally appealing products are perfect for any one who loves to be pampered. #genderneutral

Make every day a spa day with alluring scents, invigorating cleansers, nourishing creams and healing treatments that leave you feeling fresh, radiant and confident from top to toe.

Our products are kind to the environment as they are to your skin.

## Sustainably sourced, cruelty free and fully recyclable.

We give back what we take from nature.

# A gift worth giving

Luxurious, inspiring and entirely unique, Juicy Chemistry is more than merely a corporate gift. It's an opportunity to engage, delight and introduce your giftee to an intriguing new experience, raw and unfiltered.

Whether you wish to impress a valuable client, reward an employee or simply treat someone special, Juicy Chemistry is a gift worthing of your regard.

## Each gift is perfectly tailored to your occasion.

Add your corporate colours, design bespoke gifting cards and customise boxes for holiday gifting, men's skincare gift sets, employee appreciation gift sets or curated co-branded options. Our corporate gifts are a great way to express gratitude with the best that nature has to offer.

## Blood Orange & Rosehip Lip Balm

Nourishes | Soothes | Repair

Cure dry, chapped lips with a healthy dose of nourishment.

Winner of the vogue beauty festival this clinically proven lip balm intensely moisturises and repairs. While its non greesy formula leaves lips super soft and even toned.

## Bulgarian Rose Water (Hydrosol)

Brightening | Hydrating | Pore Minimising

This nourishing 100% organic rose (gulab) water toner actively brightens, soothes and evens out skin tone while maintaining an optimal pH balance.

\*As per a clinical trial conducted with 35 subjects under dermatological supervision for 28 days.

## Certified Organic Aloe Vera Gel

Deeply Hydrates the Skin | Calms Itchy Scalp

This multi-purpose aloe vera gel is made with 100% pure aloe vera juice. Enriched with polysaccharides, it deeply hydrates the skin and helps revitalise dry hair. Its soothing properties help repair sun-damaged skin and calm itchy scalp.

## Cold Processed Soaps

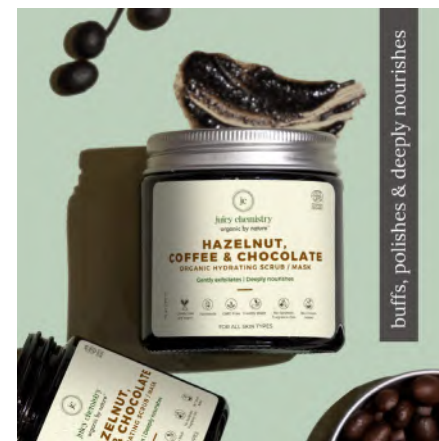

Cleansing lays the foundation of our body care routine. Our super-fatted handmade organic soap gently cleanses the body and face skin without stripping it off its natural moisture.

## Magnesium Body lotions

For relaxation | Must-have for active & healthy lifestyle

Juicy Chemistry's Topical Magnesium Lotions are smooth, quick absorbing Magnesium chloride & MSM rich formulations in a nourishing base of organic oils rich in plant nutrients, these lotions soothe & hydrate without leaving the skin greasy or waxy!

## Scrubs & Masks

A bi-weekly ritual of exfoliation & masking removes dead skin cells, deep cleanses the pores and improves the skin's texture. Experience our gentle, potent and efficacious organic face scrubs & masks.

## Organic Body Wash

Our skin comes into contact with dirt, dust, and pollutants every day. It needs thorough cleaning and nurturing. Our gentle organic body washes are therapeutic and are made with nourishing organic cold-pressed oils and floral hydrosols.

## Aromatherapy Candles

Experience long-lasting and clean-burning qualities from our premium Pure Beeswax Candles made from cold-pressed organic coconut oil and a proprietary blend of essential oils. Enjoy our small batch of handcrafted Pure Beeswax Candles that burn evenly and improve air quality.

## Organic Hand & Foot Care
