

# pencil vs. cream Chella<sup>®</sup> PRO

## pencil

1. Soft wax formula, natural coverage.
2. Long-wearing & buildable application.
3. Creates natural hair-like strokes.
4. Familiar pencil/spoolie design.

## cream

1. Long-wearing/water-resistant.
2. Highly pigmented.
3. Sealed pot = longer lifespan.
4. All-in-one design with built in brush = convenience.
