

Microsoft 'Windows 10 Professional' Overview

Product Description from Microsoft:

Windows 10 offers more safety for your device, with features like Windows Hello and always-enabled free updates. Gamers experience best-in-class gameplay with Broadcast and Game Mode. And with built-in apps for 3D creation, photos, music, movies, maps and more - Windows 10 Home brings you more creativity and productivity than ever before.

All the features of Windows 10 Home plus enterprise grade security, powerful management tools like single sign on, and enhanced productivity with remote desktop and Cortana..

Join your Domain. You can connect to your business or school Domain or Azure Active Directory to use network files, servers, printer and more.

Enhanced encryption. Get additional security with BitLocker to help protect your data with encryption and security management.

Remote log-in. Windows 10 enables you to log in with Remote Desktop to sign in and use your Pro PC while at home or on the road.

Virtual machines. Create and run virtual machines with Hyper-V so you can run more than one operating system at the same time on the same PC.

Your apps in the Store. Windows 10 lets you create your own private app section in the Windows Store for convenient access to company applications
